The applicant, Silver Pineapple LLC, has applied for a CUP to rebuild the Cerro Gordo Hotel and Surveyor House that were completely destroyed by a fire in June 2020 and to be compliant with the Inyo County Code 18.12 (Open Space). The hotel and surveyor house have been at the same location since the late 1800s and are grandfathered uses as they were established before the County's zoning code. Since they must now be rebuilt, they are subject to the current zoning and building codes and because of this, require a CUP. This project is Exempt from CEQA by 'Replacement or Reconstruction' found in 14 CCR Section 15302.

If you challenge any finding, determination, or decision made regarding this project in court, you may be limited to raising only the issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered prior to the hearing.
