**VERILY COVID-19 TESTING
LOCATION CHANGE**

Tuesday, December 1st 4:30 pm: Due to the upcoming cold winter months, the Verily COVID-19 testing locations will be changed from a drive through model to a scheduled indoor model.

Beginning Wednesday, December 2nd, **Bishop** testing will take place at the Tri-County Fairgrounds - Tallman Pavilion located at 475 Sierra Street, Bishop. Testing will continue to be available every Monday, Wednesday, and Thursday from 8am to 12:45pm. Participants must register and schedule an appointment ahead of time in order to get tested. Same day appointments are often available but not guaranteed.

Beginning Friday, December 4th, **Lone Pine** testing will take place at the Lone Pine Senior Center - Statham Hall located at 138 Jackson Street, Lone Pine. Access to the COVID-19 testing site will be through the northeast entrance of the building. Please do not try to enter the main entrance where senior services are provided. Testing will continue to be available every Friday from 8am to 12:45pm. Participants must register and schedule an appointment in order to get tested.

Additionally, as of November 24th, The Verily COVID-19 testing program has expanded access to testing to teens and youth ages 13-17 under the supervision of a legal guardian. For more information and to register for a testing appointment please visit:
