INYO COUNTY COVID-19 EMERGENCY OPERATIONS UPDATE

May 24, 2021 - 4:00 P.M.

<https://www.inyocounty.us/covid-19>

As California prepares to move beyond the Blueprint for a Safer Economy, we will no longer be issuing these weekly emergency operation updates. Inyo residents can continue receiving updates by signing up for the vaccine mailing list via:

https://login.constantcontact.com/login/login.sdo?goto=https%3A%2F%2Fwww.constantcontact.com%2Fprocessing_login.jsp#/signups/4c59b078-2df8-47c6-beaa-3ccfce403e27

We expect to see very limited measures remain as we get back to a usual way of life. The purple, red, orange and yellow tiers (https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/COVID-19/Dimmer-Framework-September_2020.pdf) that helped us manage our COVID-19 response are on track to end June 15th. In continued efforts to stop the spread of COVID-19, CDPH strongly encourages the following recommendations for the general public health:

- Everyone should get vaccinated when eligible.
- Indoor spaces should be well ventilated following current CDPH and CalOSHA guidance.
- Everyone should sign up for CA Notify (<https://canotify.ca.gov/#section2>) to receive alerts when they have been in close contact with a positive case.

Inyo County residents must adhere to all state, federal, and local guidance. To stay up to date on the current mask and social distance regulations please refer to the following links:
