March 17, 2020 Board of Supervisors Meeting

The regular Inyo County Board of Supervisors Meeting will be held in Independence tomorrow as scheduled. However, in order to practice recommended social distancing, capacity of the Board chambers will be substantially reduced and two Board members will be participating by teleconference.

We are recommending that as opposed to attending the Board meeting in person, to the extent possible, citizens watch the meeting on-line at <https://inyococa.civicclerk.com/web/home.aspx>. It is also recommended that public comments or comments on specific items be emailed to the Assistant Board Clerk at [dellis@inyocounty.us](mailto:dellis@inyocounty.us) prior to 10 a.m., March 17, 2020.

Your cooperation is greatly appreciated.
