## Board to Meet Remotely SOME COUNTY DEPARTMENTS MAY BE CLOSED

With the possibility of significant travel impacts and potential for highway and local road closures, tomorrow's Inyo County Board of Supervisors meeting will be held virtually.

The County is in general discouraging the public from traveling during the storm and encouraging sheltering in place if possible. County staff – particularly those who work in a community where they do not reside – have been encouraged to work remotely. The Administration team is concerned about the potential for County personnel travelling and becoming stranded in a community other than their primary residence.

Some departments, such as the Treasurer-Tax Collector's Office in Independence, will be closed for the day. Staff will be working remotely and unable to answer phones, but can generally respond to email. Eastern Sierra Child Support Services will not be able to open the Mammoth Lakes office. The payment kiosk in the county building in Mammoth Lakes is available for local payments but there will not be staff in the office at least through Thursday. (Normal office hours for Mammoth are Tuesday and Thursday 9 a.m.-4 p.m. and closed noon-1 p.m. for lunch).
