## Inyo County's BOARD OF SUPERVISORS AGENDA PLUS BACKUP

### Now Available On-line

For the first time, the entire Agenda Packet for the Board of Supervisors Agendas is being provided on-line at the County's webpage, [www.inyocounty.us](http://www.inyocounty.us), under the "Board of Supervisors Agenda and Minutes" button. The document will, on a weekly basis, provide the same information that is provided to the Board of Supervisors for its weekly meetings. The information is provided in an adobe pdf version and can be copied. This service is in addition to providing just the Agenda which has been available and remains available for those not wishing to download the larger file

The Agenda is the document which provides the public with information regarding actions being proposed to be taken by the Board of Supervisors during its scheduled meeting. By providing the full packet (i.e., agenda plus backup documents) the Board of Supervisors is offering its citizens another opportunity to be fully informed about and participate in the discussions as they may wish on possible actions being considered by the Board of Supervisors. The Board encourages all residents to visit the County's web page to peruse the agenda packet, and attend and participate in Board Meetings.
