### **Confidential Voter Data**

Information about registered voters is confidential under California law. The Elections Office is prohibited from publicly disclosing that information to any person except for specified purposes. We can release the information to: any candidate for federal, state, or local office; any committee for to against any initiative, referendum, recall or bond measure for which legal publication is made; any person for election, scholarly, journalistic, or political purposes; and any person for governmental purposes, as determined by the Secretary of State. (E.C. §2187, 2188, 2194)

### **What is needed to order confidential voter data?**

Before the Elections Office may publicly disclose confidential voter information to a requester, the requester must complete and sign, under penalty of perjury, an Public Service Request Form.

### **How long will it take to get the data requested?**

Requests received at the counter for voter and/or election data can usually be made available within 30 minutes. Requests received through the mail are typically available the next business day. These time frames are not guaranteed. Speed of service depends on availability of staff. If your request is urgent, it is recommended that you communicate the urgency to staff with a phone call to the Elections Office at 760-878-0224.

### **Payment**

Payment can be made in the form of cash, check, or money order. We do not accept credit cards or debit cards at this time. The elections office must receive payment BEFORE we can begin your request.

### **Ordering voter or election data that does NOT require an Application**

Not all data requires an application for Voter Information. If the data requested does not require an application, simply put your request in writing, being as specific as possible. Be sure to specify how you prefer the data to be delivered as well as contact name and number in case of any questions.
