FOR IMMEDIATE RELEASE

January 14, 2019

Because of the federal government shutdown, February CalFresh benefits for most recipients will be issued early, between January 16 and January 20th.

If you receive your February CalFresh benefits early, please plan your food budget knowing that these benefits will be the only benefits provided through the end of February.

If you receive CalFresh and have a report due in January, please complete that process and approved benefits are scheduled to be issued February 1st through 10th.

New applications continue to be accepted and processed and expedited services are available as usual.

The EBT system continues to be operational.

We are waiting for federal guidance regarding the March benefits should the shutdown continue. We will keep you informed.

If you have questions, please contact Inyo County Health and Human Services' Employment and Eligibility offices at (760) 872-1394 or (760) 876-5545.
