

ADDENDUM NO. 2
TO THE BID PACKAGE FOR
ONION VALLEY ROAD STORM DAMAGE REPAIR PROJECT

August 20, 2019

The Addendum #2 clarifies the culvert/underdrain cleaning scope described on Page i and included as bid item # 20. Culvert cleaning shall be limited to clearing the entrance of the culvert of any obstructions present at the end of construction. Cleaning of the existing subsurface drain pipe to be limited to removal of any material at the cut end (remaining upstream end) and any sediment/material within the pipe that can be cleared using the contractor supplied water source prior to tying into the newly installed underdrain system.

Receipt of this addendum should be acknowledged by **inserting the number and the date of receipt on page 6** of the Bid Proposal Form. Failure to acknowledge receipt of this addendum on the Bid Proposal Form may be considered grounds for rejection of the bid.

If a bid is submitted, it should be with the understanding that the revisions contained herein are incorporated into the plans and specifications for the project and form a part of the contract to be executed for this work. It is requested that any contractors or subcontractors that may have been given plans or specifications for this project be advised of these contract revisions.
