*FAC section 11732 requires each pest control business to register with the commissioner prior to advertising, soliciting, or operating as a pest control business. The registration shall show the number and kind of units to be operated in the county.

*CCR section 6630 requires each person engaged for hire in the business of pest control to keep each ground rig, service rig, and similar equipment used for mixing or applying pesticides conspicuously and legibly marked with either the business' name, or with "Licensed Pest Control Operator," "Fumigation Division," "Licensed Fumigator," or substantially similar wording and the pest control operator license number of the person or firm. The markings shall be large enough to be readable at a distance of 25 feet.
