Female	7
Gender ID or Missing Data	0

Local Information, Action, & Recommendations

- **REOPEN INYO PLANNING** – Reopening hinges on the Governor, who will be modifying his orders, moving us into Stage 2 of the four-stage reopening process this Friday. Inyo County will be ready and able to take action, while continuing to focus on protecting the health of our residents, once the Governor modifies the orders this week.

What can each of you do to help make the transition to stage 2 successful?

- Continue to maintain social distance – when you enter a business, when you encounter someone in the community, when you engage in any activity outside of your immediate home environment, make sure you keep 6’ of distance between yourself and others
 - Wear a cloth face covering any time you are in an environment where you may not be able to maintain social distance, such as when you are shopping
 - Wash your hands with soap and water for 20 seconds frequently
 - Use hand sanitizer in the absence of soap and water
 - Stay at home and isolate when you are experiencing cold and flu-like symptoms
- **CRITICAL REMINDER** - Failure to comply with Health Officer Orders places individuals and our community at increased risk of infection. Violation of Health Officer Orders may also result in a misdemeanor punishable by imprisonment, fine, or both (Health and Safety Code §120295).

Statewide/ Federal Information, Action, & Recommendations

	Global	U.S.	California
Confirmed Cases	3,640,473	1,211,213	55,969
