- **California Connected:** In the ongoing efforts to mitigate the spread of COVID-19, Governor Gavin Newsom today launched California Connected, the state’s comprehensive contact tracing program and public awareness campaign. As part of California Connected, public health workers from communities across the state will connect with individuals who test positive for COVID-19 and work with them, and people they have been in close contact with, to ensure they have access to confidential testing, as well as medical care and other services to help prevent the spread of the virus. For more information visit: <https://www.gov.ca.gov/2020/05/22/governor-newsom-launches-california-connected-californias-contact-tracing-program-and-public-awareness-campaign/>
