- **Executive Order on Actions in Response to COVID-19:** On June 30th, Governor Gavin Newsom issued an executive order extending authorization for local governments to halt evictions for renters impacted by the COVID-19 pandemic, through September 30. The order also addresses a variety of issues in response to the pandemic, by extending provisions in earlier orders which allow adults to obtain marriage licenses via videoconferencing rather than in-person during the pandemic; waive eligibility re-determinations for Californians who participate in Medi-Cal, to ensure they maintain their health coverage; suspend face-to-face visits for eligibility for foster care; and permit In-Home Supportive Services (IHSS) program caseworkers to continue caring for older adults and individuals with disabilities through video-conferencing assessments.
