

ADDENDUM NO. 2
TO THE BID PACKAGE FOR
INDEPENDENCE WATER MAIN INSTALLATION PROJECT

September 23, 2020

This addendum is being issued to add to Specification '1.04 Trench Excavation'. As follows:

Trench Excavation shall include removal of unused spoils, which shall be hauled to the Independence Road Table located approximately 2.2 miles from the project site (see map below). Cost of hauling unused spoils shall be included in Bid Item No. 4 'Trench Excavation'.

Receipt of this addendum shall be acknowledged by **inserting the number and the date of receipt on page 3 of the Bid Proposal Form**. Failure to acknowledge receipt of this addendum on the Bid Proposal Form may be considered grounds for rejection of the bid.

Please note that the bid opening date of 3:30 PM on September 30, 2020 will not be changed because of this addendum.
