VETERANS SERVICE OFFICE IS OPEN

Inyo & Mono County, CA. March 10, 2021 – It is my pleasure to inform all Veterans and their families that the Veterans Service Office is open and ready to assist you. Although the office is still closed to face-to-face appointments and walk-ins due to COVID-19 restrictions, I am still able to take your calls, receive documents and help process claims. Please contact me with your questions and/or concerns. I look forward to working with you.
