Cathreen Richards, Director Community Development Department County of Inyo 168 N Edwards St. Independence, CA 93526

Dear Cathreen Richards:

RE: County of Inyo's 6th Cycle (2021-2029) Revised Draft Housing Element

Thank you for submitting the County of Inyo's (County) revised draft housing element received for review on August 3, 2022, with minor technical clarifications received on August 8, 2022. Pursuant to Government Code section 65585, subdivision (b), the California Department of Housing and Community Development (HCD) is reporting the results of its review.

The revised draft element meets the statutory requirements of State Housing Element Law, as described in HCD's November 16, 2021 review. The housing element will comply with State Housing Element Law (Article 10.6 of the Gov. Code) when it is adopted, submitted to, and approved by HCD, in accordance with Government Code section 65585.

Public participation in the development, adoption and implementation of the housing element is essential to effective housing planning. Throughout the housing element process, the County must continue to engage the community, including organizations that represent lower-income and special needs households, by making information regularly available while considering and incorporating comments where appropriate.

For your information, pursuant to Government Code section 65583.3, the County must submit an electronic sites inventory with its adopted housing element. The County must utilize standards, forms, and definitions adopted by HCD. Please see HCD's housing element webpage at https://www.hcd.ca.gov/community-development/housing-element/index.shtml#element for a copy of the form and instructions. The County can reach out to HCD at sitesinventory@hcd.ca.gov for technical assistance.

Several federal, state, and regional funding programs consider housing element compliance as an eligibility or ranking criteria. For example, the CalTrans Senate Bill (SB) 1 Sustainable Communities grant; the Strategic Growth Council and HCD's Affordable Housing and Sustainable Communities programs; and HCD's Permanent Local Housing Allocation consider housing element compliance and/or annual reporting requirements pursuant to Government Code section 65400. With a compliant housing element, the County will meet housing element requirements for these and other funding sources.

For your information, some general plan element updates are triggered by housing element adoption. HCD reminds the County to consider timing provisions and welcomes the opportunity to provide assistance. For information, please see the Technical Advisories issued by the Governor's Office of Planning and Research at: <u>https://www.opr.ca.gov/planning/general-plan/guidelines.html.</u>

HCD appreciates the hard work and dedication that you provided in the preparation of the County's housing element and looks forward to receiving the County's adopted housing element. If you have any questions or need additional technical assistance, please contact Shawn Danino, of our staff, at <u>Shawn.Danino@hcd.ca.gov</u>.

Sincerely,

Paul McDougall Senior Program Manager
