

## NOTICE REGARDING PUBLIC ACCOMODATIONS UNDER THE AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), Inyo County will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs or activities.

To assure compliance with Title II of the ADA, Inyo County will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the County's programs, services and activities.

To assure effective public accommodations, as required by Title II of the ADA, Inyo County will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services and activities. For example, individuals with service animals are welcomed in the County's offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication or a modification of policies or procedures to participate in a program, service or activity of Inyo County should contact the Inyo County ADA Coordinator as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the County to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden. Complaints that a program, service or activity of the County is not accessible to persons with disabilities should be directed to the Inyo County ADA Coordinator.

Inyo County will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

The Inyo County ADA Coordinator is the County Risk Manager. You may reach the ADA Coordinator as follows for assistance as specified above or to file a grievance in accordance with the County ADA grievance procedures:
