Hi Justine,

Thank you again for consulting with us on your Connecting Tecopa: Bicycle and Pedestrian Safety Corridor Project.

The Urban Conservation of the Inland Empire has reviewed your project and determined that it is feasible for corps services to be used.

If the project is awarded funding, please contact the project manager listed below to coordinate UCCIE involvement:

Ignacio Robles

Please include this email with your application as proof that you have consulted with the LCCs.

Good luck with your application!

Best,  
Nick

Good morning,

Inyo County is submitting the ATP Corps Consultation Form to CCC and CalCCC for review. The Connecting Tecopa: Bicycle and Pedestrian Safety Corridor ATP project will install multi use paths connecting Tecopa Heights with Downtown Tecopa and Tecopa Hot Springs along Old Spanish Trail and Tecopa Hot Springs Road. The commercial zone of Tecopa Hot Springs will incorporate sidewalks and class II bike lanes. Wayfinding and gateways signs will be installed at the endpoints of the project. Pedestrian refuges will be installed to calm traffic and provide safe crossing opportunities ahead of the downtown and commercial zones. Please see attached and let me know if you need additional information.

Thank you.
