Inyo County Probation Department Policy Manual

CHIEF PROBATION OFFICER'S STATEMENT

It is with great pride that I am able to present these policies that have been developed with the assistance of many law enforcement professionals across the country. It should be noted that many of these policies reflect state and federal laws as well as court opinions. In addition, many more have been developed as the result of best practices, successful leadership, and progress.

This Department has made a commitment to provide its employees and the members of our great community with the best possible policies and practices to ensure safe, efficient, and effective community corrections. In order to fulfill this commitment, we have contracted with a company called Lexipol. Lexipol has provided policy development assistance to many law enforcement agencies in several states who share the belief that standardizing law enforcement and community corrections policies carries many benefits.

These policies have been developed to establish and communicate expectations, provide guidelines for daily operations, and validate the principles and values which guide individual and collective performance. Our policies define who we are and reflect the mission of our Probation Department.

No policy manual can adequately address each and every situation or scenario that you may face, nor should it. This manual has been designed to establish a framework of rules and expected performance guidelines in fulfilling your responsibilities on a daily basis.

Your continued success with this Department depends on whether or not you choose to become aware and comply with these policies, rules, and procedures. Your conduct and behavior are not only a reflection of you; they are a reflection of your fellow officers and your Chief Probation Officer.

As your Chief, I am extremely proud of every member of this department and would like to acknowledge the hard work, dedication, and professionalism that is shown each and every day. I am hopeful that through **Community, Pride, and Progress** we can make our Department better each day.

I welcome any input or ideas that you may have regarding this policy manual. Remember that change is inevitable and nothing is permanent. Whether change occurs due to new laws, mandates, or the needs of the community we serve, we must always ensure our policy manual remains contemporary. While the Chief Probation Officer is the only one authorized to change any policy and/or procedure for the Probation Department, your input and recommendations are welcome. If you have an idea that will improve efficiency and/or outcomes feel free to discuss them with your supervisor.

CODE OF ETHICS

PROBATION EMPLOYEE CODE OF ETHICS

As a sworn officer of the Inyo County Probation Department, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception; the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and regulations of my department. Whatever I see or hear of a confidential nature or that has been confided in me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feeling, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office and the symbols of my department as being symbolic of the public faith, and I accept it as a public trust to be held so long as I am true to the ethics of Probation service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other officers or employees of the Department. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself to my chosen profession-PROBATION SERVICE.

The Lexipol Daily Training Bulletins (DTBs) are contained in a web-accessed system that provides training on the Inyo County Probation Department Policy Manual and other important topics.

Members assigned to participate in DTBs shall only use the login credentials assigned to them by the Deputy Chief. Members should not share their password with others and should frequently change their password to protect the security of the system. After each session, members should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Members assigned to participate in the DTB program should complete each DTB at the beginning of their shifts or as otherwise directed by their supervisor. Members should not allow uncompleted DTBs to build up over time. Members may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any internet-enabled computer, members shall only take DTBs as part of their on-duty assignments, unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of those under their command to ensure compliance with this policy.

203.7 TRAINING RECORDS

The Deputy Chief is responsible for the creation, filing, and storage of all training records. Training records shall be retained in accordance with the established records retention schedule.

Electronic Mail

204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the electronic mail (email) system provided by the Department.

204.2 POLICY

Inyo County Probation Department members shall use email in a professional manner in accordance with this policy, current law (e.g., California Open Records Act), and the Inyo County Use of Computing, Networking, and Telecommunications Policy. A copy of that policy can be found at https://www.inyocounty.us/Personnel%20Docs/Computer_Use_Policy.pdf

204.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails accessed, transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

204.4 RESTRICTIONS ON USE OF EMAIL

Messages transmitted over the email system are restricted to official business activities, or shall only contain information that is essential for the accomplishment of business-related tasks or for communications that are directly related to the business, administration, or practices of the Department.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing, or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire Department are only to be used for official business-related items that are of particular interest to all users. In the event that a member has questions about sending a particular email communication, the member should seek prior approval from a supervisor in the member's chain of command.

It is a violation of this policy to transmit a message under another member's name or email address or to use the password of another to log into the system unless directed to do so by a supervisor. Members are required to log off the network or secure the workstation when the computer is unattended. This added security measure will minimize the potential misuse of a member's email, name, or password. Members who believe a password has become known to another person shall change the password immediately.

204.5 EMAIL RECORD MANAGEMENT

Email may, depending upon the individual content, be a public record under the California Open Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

The Chief Probation Officer, or the authorized designee, shall ensure that email messages are retained and recoverable as outlined in the Records Maintenance and Release Policy.

Administrative Communications

205.1 PURPOSE AND SCOPE

This policy sets forth the manner in which the Department communicates significant changes to its membership, such as promotions, transfers, hiring and appointment of new members and separations; individual and group awards and commendations; or other changes in status. This policy also provides guidelines for the professional handling of electronic and non-electronic administrative communications from the Department.

205.2 POLICY

The Inyo County Probation Department will appropriately communicate significant events within the organization to its members. Both electronic and non-electronic administrative communications will be professional in appearance and comply with the established letterhead, signature, and disclaimer guidelines as applicable.

205.3 MEMORANDUMS

Memorandums may be issued periodically by the Chief Probation Officer or the authorized designee to announce and document all promotions, transfers, hiring and appointment of new members, separations; individual and group awards and commendations; or other changes in status.

205.4 CORRESPONDENCE

To ensure that the letterhead and name of the Department are not misused, all official external correspondence shall be on department letterhead. All department letterhead shall bear the signature element of the Chief Probation Officer. Official correspondence and use of letterhead requires approval of a supervisor. Department letterhead may not be used for personal purposes.

Official internal correspondence shall be on the appropriate department electronic or non-electronic memorandum forms.

Electronic correspondence shall contain the sender's department-approved signature and electronic communications disclaimer language.

205.5 SURVEYS

All surveys made in the name of the Department shall be authorized by the Chief Probation Officer or the authorized designee.

205.6 OTHER COMMUNICATIONS

Departmental Directives and other communications necessary to ensure the effective operation of the Department shall be issued by the Chief Probation Officer or the authorized designee (see the Departmental Directives Policy).

Supervision Staffing Levels

206.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines to ensure that proper supervision is available to meet the needs of the Department and members.

206.2 POLICY

The Inyo County Probation Department will ensure that proper supervision is available to meet the needs of its members and to achieve the goals of the Department. The needs of its members should be balanced with the needs of the Department for flexibility and discretion in assigning members to meet supervisory needs. While balance is desirable, the paramount concern is to meet the needs of the Department.

206.3 MINIMUM SUPERVISION STAFFING LEVELS

Minimum staffing levels should be established by the Deputy Chiefs for each work group. The supervision staffing levels should support proper supervision, span of control, compliance with any collective bargaining agreement or memorandum of understanding, and activity levels to meet the needs of members and the goals of the Department.

206.3.1 TEMPORARY SUPERVISORS

To accommodate training and other unforeseen circumstances, another qualified member may be used as a temporary supervisor in place of a regularly assigned supervisor.

Retiree Concealed Firearms

207.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the issuance, denial, suspension, or revocation of Inyo County Probation Department identification cards to qualified former or retired law enforcement officers under the Law Enforcement Officers Safety Act (LEOSA) and California law (18 USC § 926C; Penal Code § 25455).

207.2 POLICY

It is the policy of the Inyo County Probation Department to provide identification cards to qualified former or retired officers to facilitate the lawful carrying of concealed weapons by those individuals.

207.3 LEOSA

The Chief Probation Officer may issue an identification card for LEOSA purposes to any qualified former officer of this department who (18 USC § 926C(c)):

- (a) Separated from service in good standing from this department as an officer.
- (b) Before such separation, had regular employment as a peace officer for an aggregate 10 years or more or, if employed as a peace officer for fewer than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.
- (c) Has not been disqualified for reasons related to mental health.
- (d) Has not entered into an agreement with this department in which the officer acknowledges disqualification to receive a firearms qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

207.3.1 LEOSA CARD FORMAT

The LEOSA identification card should contain a photograph of the former officer and identify the officer as having been employed as an officer.

If the Inyo County Probation Department qualifies the former officer, the LEOSA identification card or separate certification should indicate the date the former officer was tested or otherwise found by the Department to meet the active-duty standards for qualification to carry a firearm.

207.3.2 AUTHORIZATION

Any qualified former peace officer, including a former officer of this department, may carry a concealed firearm under 18 USC § 926C when:

- (a) In possession of photographic identification that identifies the individual as having been employed as a peace officer, and one of the following:
 - 1. An indication from the person's former probation agency that the person has, within the past year, been tested or otherwise found by the agency to meet

Inyo County Probation Department

Retiree Concealed Firearms

agency-established active-duty standards for qualification in firearms training to carry a firearm of the same type as the concealed firearm.

2. A certification, issued by either the state in which the person resides or by a certified firearms instructor who is qualified to conduct a firearms qualification test for active-duty peace officers within that state, indicating that the person has, within the past year, been tested or otherwise found to meet the standards established by the state or, if not applicable, the standards of any agency in that state.
- (b) Not under the influence of alcohol or another intoxicating or hallucinatory drug or substance.
 - (c) Not prohibited by federal law from receiving a firearm.
 - (d) Not in a location prohibited by California law or entity on private property if such prohibition is permitted by California law.

The Chief Probation Officer may issue an identification card with an endorsement to carry a concealed firearm to a person who (Penal Code § 26300):

- (a) Honorably retired following service as a full-time sworn officer of this department who was authorized to, and did, carry a concealed firearm during the course and scope of employment (Penal Code § 25455).
 1. Honorably retired includes all peace officers who have qualified for, and accepted, a service or disability retirement, however, it shall not include any officer who retires in lieu of termination or who is retiring because of a psychological disability (Penal Code § 26305).
- (b) Honorably retired as a peace officer from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):
 1. The retiree's previous agency is no longer providing law enforcement services or the relevant government body is dissolved.
 2. This department is in possession of the retiree's complete personnel records or can verify the retiree's honorably retired status.
 3. The retiree is in compliance with all of the requirements of this department for the issuance of a Concealed Carry Weapon (CCW) Approved endorsement.
- (c) Was a qualified retired reserve officer who met the department requirements for a CCW Approved endorsement (Penal Code § 26300).

207.4.1 CALIFORNIA IDENTIFICATION CARD FORMAT

The card shall be 2 inches by 3 inches and minimally contain (Penal Code § 25460):

- (a) Photograph of the retiree.
- (b) Retiree's name and date of birth.
- (c) Date of retirement.

- (d) Name and address of this department.
- (e) A stamped endorsement "CCW Approved" along with the date by which the endorsement must be renewed (not more than one year). In the case in which a CCW endorsement has been denied or revoked, the identification card shall be stamped "No CCW Privilege."

207.4.2 QUALIFIED RETIREES FROM INCORPORATED JURISDICTION

The Inyo County Probation Department shall provide an identification card with a CCW Approved endorsement to honorably retired peace officers from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):

- (a) The retiree's previous agency is no longer providing law enforcement services or the relevant government body is dissolved.
- (b) This department is in possession of the retiree's complete personnel record or can verify the retiree's honorably retired status.
- (c) The retiree is in compliance with all of the requirements of this department for the issuance of a CCW Approved endorsement.

207.5 FORMER OFFICER RESPONSIBILITIES

A former officer with a card issued under this policy shall immediately notify the Chief Probation Officer or authorized designee of an arrest or conviction in any jurisdiction, or that the individual is the subject of a court order, in accordance with the Reporting of Arrests, Convictions, and Court Orders Policy.

207.5.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.
- (b) Remain subject to all applicable department policies and federal, state, and local laws.
- (c) Demonstrate good judgment and character commensurate with carrying a loaded and concealed firearm.
- (d) Successfully pass an annual criminal history background check indicating that the individual is not prohibited by law from receiving or possessing a firearm.

207.5.2 MAINTAINING A CALIFORNIA IDENTIFICATION CARD CCW ENDORSEMENT

In order to maintain a CCW Approved endorsement on an identification card issued under California law, the retired officer shall (Penal Code § 26305):

- (a) Qualify annually with the authorized firearm at a course approved by this department at the retired officer's expense.
- (b) Remain subject to all applicable department policies and federal, state, and local laws.

- (c) Not engage in conduct that compromises public safety.

207.6 DENIAL, SUSPENSION, OR REVOCATION

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended, or revoked, the former officer may request a review by the Chief Probation Officer. The decision of the Chief Probation Officer is final.

207.6.1 DENIAL, SUSPENSION, OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement for any officer retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Deputy Chief when the conduct of a retired peace officer compromises public safety (Penal Code § 25470).

- (a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first-class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
 - 1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
 - 2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
 - 3. Failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the Department, one selected by the retiree or the retiree's employee organization, and one selected jointly (Penal Code § 26320).
 - 1. The decision of such hearing board shall be binding on the Department and the retiree.
 - 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender the identification card. The Department will then reissue a new identification card which shall be stamped "No CCW Privilege" (Penal Code § 26325(b)).
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Chief Probation Officer or the authorized designee as soon as practicable. The Deputy Chief should promptly take appropriate steps to look into the

Inyo County Probation Department

matter and, if warranted, contact the retiree in person and advise the individual in writing of the following:

1. The retiree's concealed firearm CCW endorsement is immediately and temporarily suspended.
2. The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
3. The retiree will forfeit the right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Deputy Chief should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Deputy Chief may request that a law enforcement officer from that agency act as the agent of the Department to deliver the written notification.
5. Notification of the temporary suspension should also be promptly mailed to the retiree via first-class mail, postage prepaid, return receipt requested.
 - (a) The Deputy Chief should document the investigation, the actions taken, and, if applicable, any notification made to the former member. The memo should be forwarded to the Chief Probation Officer.

207.7 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, members authorized to use force are expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Devices policies.

Nothing in this policy is intended to limit members' lawful ability to defend themselves.

Retaliation prohibitions for reporting suspected violations are addressed in the Anti-Retaliation Policy.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when persons allow themselves to be searched, escorted, handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY

The use of force by officers authorized to use force is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force

Officers authorized to use force must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of duties.

The Inyo County Probation Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force in the performance of their duties requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 FAILURE TO INTERCEDE

An officer who has received the required training on the duty to intercede and then fails to act to intercede when required by law may be disciplined in the same manner as the officer who used force beyond that which is necessary (Government Code § 7286(b)).

300.2.3 FAIR AND UNBIASED USE OF FORCE

Officers are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)).

300.2.4 DUTY TO REPORT EXCESSIVE FORCE

Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b); Penal Code § 832.13).

As used in this section, "immediately" means as soon as it is safe and feasible to do so.

300.3 USE OF FORCE

Officers authorized by the Chief Probation Officer to use force in arresting a client or preventing a client from escaping custody shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- Attempts to de-escalate a situation.
- If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.2 USE OF FORCE TO EFFECT AN ARREST

Officers authorized by the Chief Probation Officer and California Penal Code § 830.5 may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance (Penal Code § 835).

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force

An authorized officer who makes or attempts to make an arrest need not retreat or desist from the efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose the right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.3 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.
- (i) The degree to which the individual has been effectively restrained and the individual's ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the officer.
- (m) Potential for injury to officers, suspects, bystanders, and others.
- (n) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (r) Prior contacts with the individual or awareness of any propensity for violence.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force

- (s) Any other exigent circumstances.

300.3.4 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.5 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Officers of this Department are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

300.3.6 RESTRICTIONS ON THE USE OF A CHOKE HOLD

Officers of this Department are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

300.3.7 ADDITIONAL RESTRICTIONS

Terms such as "positional asphyxia," "restraint asphyxia," and "excited delirium" continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence, or preexisting medical conditions. While it is impractical to restrict an officer's use of reasonable control methods when attempting to restrain a combative individual, officers are not authorized to use any restraint or transportation method which might unreasonably impair an individual's breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once the individual is safely secured, officers should promptly check and continuously monitor the individual's condition for signs of medical distress (Government Code § 7286.5).

300.3.8 USE OF FORCE TO SEIZE EVIDENCE

In general, authorized officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force

In the instance when force is used to seize evidence, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration, or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Inyo County Probation Department for this specific purpose.

300.3.9 USE OF FORCE TO PREVENT INGESTION OF EVIDENCE

Officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband (see the Medical Aid and Response Policy).

300.4 DEADLY FORCE APPLICATIONS

Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force by authorized members is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) Officers may use deadly force to protect themselves or others from what they reasonably believe is an imminent threat of death or serious bodily injury to the officer or another person.
- (b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to self, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An "imminent" threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer's subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and may involve additional considerations and risks. When feasible, officers should take reasonable steps to move out of

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force

the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why the officer believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Any use of force by an officer shall be reported immediately to a supervisor in circumstances, including but not limited to the following (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device (CED) or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.

Inyo County Probation Department

Use of Force

- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this section, "immediately" means as soon as it is safe and feasible to do so.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2 (see the Records Maintenance and Release Policy).

300.5.3 REPORT RESTRICTIONS

Officers shall not use the term excited delirium to describe an individual in an incident report. Officers may describe the characteristics of an individual's conduct, but shall not generally describe the individual's demeanor, conduct, or physical and mental condition at issue as excited delirium (Health and Safety Code § 24402).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until medically assessed.

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving

these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away (see the Medical Aid and Response Policy).

300.7 SUPERVISOR RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 - 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.11 POLICY REVIEW

The Chief Probation Officer or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.12 POLICY AVAILABILITY

The Chief Probation Officer or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.13 PUBLIC RECORDS REQUESTS

Requests for public records involving an officer's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records, and Records Maintenance and Release policies (Government Code § 7286(b)).

Use of Force Review Boards

301.1 PURPOSE AND SCOPE

This policy establishes a process for the Inyo County Probation Department to review the use of force by its members.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or the evaluation of the use of force.

301.2 POLICY

The Inyo County Probation Department will objectively evaluate the use of force by its members to ensure that their authority is used appropriately and consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever a member's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that member will be placed in a temporary administrative assignment pending an administrative review. The Chief Probation Officer or the authorized designee may exercise discretion and choose not to place a member in an administrative assignment.

301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another person.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the member was on- or off-duty, excluding training or recreational use.

The Chief Probation Officer or the authorized designee may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Chief Probation Officer or the authorized designee will convene the Use of Force Review Board as necessary. It will be the responsibility of the Deputy Chief or supervisor of the involved member to notify the Chief Probation Officer of any incidents requiring board review. The involved member's Deputy Chief or supervisor will also ensure that all relevant reports, documents, and materials are available for consideration and review by the board.

301.4.1 COMPOSITION OF THE BOARD

The Chief Probation Officer or the authorized designee should staff the Use of Force Review Board with five individuals from the following, as appropriate:

- Representatives of each Division
- Staff representative from the involved member's chain of command
- Deputy Chief

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force Review Boards

- Non-administrative supervisor
- A peer officer/department member
- A probation officer from an outside agency, as appropriate
- Department instructor for the type of weapon, device, or technique used
- A supervisor member of another law enforcement agency who is not involved in the criminal investigation of the incident

The senior-ranking staff representative who is not in the same Division as the involved member will serve as chairperson.

301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved member to appear. The involved member will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief Probation Officer or the authorized designee will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the involved member, no more than two designated board members may ask questions of the involved member. Other board members may provide questions to the designated board members.

The review shall be based on those facts that are reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures, and approved training to those facts. Facts later discovered but unknown to the involved member at the time shall neither justify nor call into question a member's decision regarding the use of force.

Any questioning of the involved member conducted by the board will be in accordance with Inyo County Probation Department disciplinary procedures, the Personnel Complaints Policy, the current memorandum of understanding, and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The member's actions were within department policy and procedure.
- (b) The member's actions were in violation of department policy and procedure.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Use of Force Review Boards

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief Probation Officer.

The Chief Probation Officer shall review the recommendation, make a final determination as to whether the member's actions were within policy and procedure, and determine whether any additional actions, investigations, or reviews are appropriate. Those findings will be forwarded to the involved member's Deputy Chief for review and appropriate action. If the Chief Probation Officer concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief Probation Officer.

Officer-Involved Shootings and Deaths

302.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief Probation Officer may decide that the investigation will follow the process provided in this policy.

302.2 POLICY

The policy of the Inyo County Probation Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair, and impartial manner.

302.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

302.3.1 CRIMINAL INVESTIGATIONS

The Chief Probation Officer should request that the law enforcement agency in whose jurisdiction the conduct occurred perform a criminal investigation into both the involved officer and the suspect.

302.3.2 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the Inyo County Probation Department should conduct an administrative and civil investigation of each involved officer.

302.4 INVESTIGATION PROCESS

These procedures are guidelines used in the investigation of an officer-involved shooting or death.

302.4.1 OFFICER RESPONSIBILITIES

The officer should, as appropriate:

- (a) Notify a supervisor.

302.4.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the Inyo County Probation Department supervisor should ensure completion of the duties outlined above, plus:

- (a) In the event a law enforcement investigator has not arrived, attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) Each involved Inyo County Probation Department officer should be given an administrative order not to discuss the incident with other involved officers or Inyo County Probation Department members pending further direction from a supervisor.
- (c) As soon as practicable, in coordination with the supervising officer of the law enforcement investigator in charge of the criminal investigation, request that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that the officer is provided with appropriate security.

302.4.3 NOTIFICATIONS

However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer (Government Code § 8669.4).

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until law enforcement investigators or lab personnel can properly retrieve it.

Each involved Inyo County Probation Department officer should be given reasonable paid administrative leave after an officer-involved shooting or death. It shall be the responsibility of the Chief Probation Officer to make schedule adjustments to accommodate such leave.

302.5 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the determination as to whether criminal charges are filed as a result of any officer-involved shooting involving injury or death.

Criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) Inyo County Probation Department supervisors should not participate directly in any voluntary interview of Inyo County Probation Department officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) Any voluntary statement provided by an involved officer will be made available for any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

302.5.1 REPORTS BY INVOLVED INYO COUNTY PROBATION DEPARTMENT OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved Inyo County Probation Department officers

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Officer-Involved Shootings and Deaths

to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved Inyo County Probation Department officer may write the report, it is generally preferred that such reports be limited to the report completed by the criminal investigators.

Nothing in this section shall be construed to deprive an involved Inyo County Probation Department officer of the right to consult with legal counsel prior to completing any such criminal report.

302.6 ADMINISTRATIVE INVESTIGATIONS

In addition to all other investigations associated with the incident, this department will conduct an internal administrative investigation of involved Inyo County Probation Department officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Chief Probation Officer or the authorized designee and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any involved officer may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 - 1. If further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of the prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed (Government Code § 3303(i)).
 - 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).

Inyo County Probation Department

Officer-Involved Shootings and Deaths

4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, the officer should be given *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
5. The assigned investigator shall compile all relevant information and reports necessary for the Chief Probation Officer to determine compliance with policies.
6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings to whether there was compliance with the Use of Force Policy.
7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

302.7 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review any video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-department witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available video or audio recordings with the approval of assigned investigators or a supervisor.

Any video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or County Counsel, as appropriate.

302.8 DEBRIEFING

The Inyo County Probation Department should conduct both a critical incident stress debriefing and a tactical debriefing.

302.8.1 CRITICAL INCIDENT STRESS DEBRIEFING

A critical incident stress debriefing should occur as soon as practicable. The Deputy Chief is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law, or a valid court order.

Attendance at the debriefing should only include those members of the Department directly involved in the incident. Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory personnel and personnel assigned to conduct administrative investigations of this incident.

302.8.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief Probation Officer should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to the criminal and/or administrative investigators.

302.9 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the investigating law enforcement agencies. Releases will be available to the Chief Probation Officer and assigned investigators in the event of inquiries from the media.

No involved Inyo County Probation Department officer shall comment to the media unless authorized by the Chief Probation Officer and the assigned law enforcement agency.

302.10 REPORTING

If the death, or shooting, of an individual occurs in any incident involving an officer of the Inyo County Probation Department and qualifies to be reported to the state, the Chief Probation Officer will ensure that the Administrative Analyst is provided with enough information to meet the reporting requirements, including any changes or new information that becomes available after the initial reporting (Government Code § 12525.2; Government Code § 12525).

Firearms

303.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance, and firearms training.

Probation Officers permitted to carry firearms pursuant to this policy must meet the training requirements of Section 832 of the Penal Code.

The Inyo County Probation Department may authorize and equip certain members with firearms for specified duties. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

303.3 REVOCATION OF AUTHORITY TO CARRY FIREARMS

The Chief Probation Officer may, at any time and for any reason, revoke authority for any employee to carry and use a firearm.

- (a) For good cause, the Deputy Chief Probation Officer may make recommendations for revocation of firearm authorization to the Chief Probation Officer.
- (b) The Chief Probation Officer shall immediately inform the employee when the authorization to carry a firearm is revoked. The Chief's decision is final. There is no right to appeal. Revocation of firearm authorization is not a punitive or disciplinary measure.
- (c) If circumstances warrant, the Deputy Chief Probation Officer and above may order subordinates to cease carrying weapons. An employee so ordered shall immediately surrender his/her weapon (if County-owned), and immediately cease carrying any weapon authorized to be carried on duty.
- (d) The Deputy Chief Probation Officer having taken action as described above, through the chain of command, shall notify the Chief Probation Officer in writing regarding the action taken and the rationale for such action.
- (e) The Chief Probation Officer shall make the final decision to either approve the order to cease carrying weapons or revoke the order.

Any repairs or modifications to the member's personally owned firearm shall be done at the member's expense and must be approved by the Rangemaster.

303.5.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

303.5.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

303.5.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

303.6 LESS THAN LETHAL FORCE OPTION

Officers who are authorized to be armed on duty shall carry a minimum of one less than lethal force option, which may include:

- (a) OC pepper spray
- (b) RCB baton

303.7 SAFE HANDLING, INSPECTION, AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
- (c) Members shall not clean, repair, load, or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into a custodial facility when securing or processing an arrestee, but shall instead place all firearms in a secured location.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas, or other type of chemical weapon or firearm except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

303.7.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the department vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

303.7.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles, or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

303.7.3 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

303.7.4 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

303.8 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. All members will qualify at least quarterly with their duty firearms. Members will also qualify with off-duty and secondary firearms at least quarterly. Training and qualifications must be on an approved range course (Penal Code § 830.5).

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Firearms

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations, including low-light shooting.

303.8.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status, or scheduling conflict, that member shall submit a memorandum to the immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for:
 - 1. Unauthorized range make-up.
 - 2. Failure to meet minimum standards or qualify after remedial training.

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

303.9 FIREARMS DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to the member's supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with the Deputy Chief or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

303.9.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Firearms

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., presence of local law enforcement or animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

303.9.2 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

303.10 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Deputy Chief after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to the personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Deputy Chief documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided, and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Deputy Chief.

303.11 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Firearms

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Inyo County Probation Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature, and the signature of the Chief Probation Officer or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Inyo County Probation Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Inyo County Probation Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief Probation Officer authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail the itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of the officer's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on the officer's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft or within eight hours prior to boarding an aircraft.

Handcuffing and Restraints

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

This policy does not address the handcuffing and restraint of juveniles appearing in court or those already detained in, or committed to, a local secure juvenile facility, camp, ranch, or forestry camp.

304.2 POLICY

The Inyo County Probation Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

304.3 USE OF RESTRAINTS

Only members who have successfully completed Inyo County Probation Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime or violation leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing in the front to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

304.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion on the detainee.

304.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure herself or others, or damage property.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

304.3.3 NOTIFICATIONS

Whenever an officer transports a person in restraints other than handcuffs, the officer shall inform the detention facility staff upon arrival at the facility that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the detention facility.

304.4 RESTRAINTS AND JUVENILES

304.4.1 GENERAL REQUIREMENTS

The following applies to the use of restraints on juveniles:

- (a) Restraints used on juveniles should be only those approved by the Department and should not have been altered from their original design.
- (b) Restraints shall only be used on juveniles to prevent self-injury or injury to others, serious property damage, or escape.
 - 1. The danger to themselves or others should be immediate.
- (c) Use of restraints shall be documented and submitted to a supervisor for review as soon as is practical.
- (d) Restraints should generally be used as a last resort.
- (e) Use of restraints should be discontinued as soon as practicable when it is reasonably believed the need for them no longer exists.
- (f) Restraints shall never be used to inflict pain, punishment, discipline, retaliation, harassment, compliance, or intimidation for treatment.
- (g) Plastic cuffs should be used only in unusual situations where handcuffs are not available.
- (h) A supervisor should be notified of any restraints that are faulty or malfunctioning.
- (i) Members shall conduct constant visual supervision of a restrained minor. Members should also:
 - 1. Have the minor medically evaluated as soon as practicable, but within 2 hours of application of the restraints. The minor shall be medically cleared for continued restraint use every three hours.
 - 2. Have the minor evaluated by a mental professional as soon as practicable, but within four hours if the minor is still restrained.
- (j) Restrained minors shall be protected from other minors, held in area designated for restrained minors, and not left alone with other minors.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Handcuffing and Restraints

- (k) Detainees shall not be restrained to any fixed object, such as room furnishings or fixtures, nor shall their hands and feet be bound together behind the back (hogtying).
- (l) Restrained minors shall have access to water, meals, and toilet facilities when they can reasonably be accommodated.

304.4.2 TRANSPORTATION RESTRAINTS

The following applies to the use of restraints for the standard transportation or movement of minors (15 CCR 1358.5):

- (a) Restraints may be used when transporting a youth in a vehicle, but they should not be attached to anything in the vehicle or to another minor. Restraints shall only be used under the following circumstances (Welfare and Institutions Code Section 210.6):
 - 1. A Rehabilitation Specialist or Probation Officer has determined that restraints are necessary to prevent escape or an injury to the minor or another.
 - 2. The least restrictive form of restraint shall be used based on the facts.
 - 3. Rehabilitation Specialists and Probation Officers shall document the reason why a particular restraint device was selected and the circumstance leading to its application. Documentation shall be submitted to a supervisor for review upon conclusion of the transportation.

304.5 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department unless required by law, other policy, or facility regulations. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

304.6 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Handcuffing and Restraints

Spit hoods may be placed upon a person in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations when the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after use.

304.7 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, but while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

304.8 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from the person's own actions (e.g., hitting head against the interior of the agency vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at the windows of the vehicle).

304.8.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Handcuffing and Restraints

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be laid face-down for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain prone in a face-down position.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

304.9 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report. The officer should include, as appropriate:

- (a) How handcuffs were applied (e.g., double locked and gapped).
- (b) The amount of time the person was restrained.
- (c) How the person was transported and the position of the person during transport.
- (d) Observations of the person's behavior and any signs of physiological problems.
- (e) Any known or suspected drug use or other medical problems.
- (f) Any complaint regarding restraints being too tight and how the complaint was resolved.

304.10 TRAINING

Subject to available resources, the Deputy Chief should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Handcuffing and Restraints

- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Control Devices

305.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

This policy does not address the application of a control device on a juvenile who has already been detained.

305.2 POLICY

In order to control individuals who are violent or who demonstrate the intent to be violent, the Chief Probation Officer may authorize officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

305.3 ISSUING, CARRYING, AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief Probation Officer or the authorized designee.

Only those members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training on this policy and the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain, or arrest a person who is violent or who demonstrates the intent to be violent and using the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

305.4 RESPONSIBILITIES

305.4.1 RANGEMASTER RESPONSIBILITIES

The Rangemaster or authorized designee, shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated, or expended control devices are properly disposed of, repaired, or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

305.4.2 USER RESPONSIBILITIES

All normal maintenance, charging, or cleaning shall remain the responsibility of personnel using the devices.

Any damaged, inoperative, outdated, or expended control devices, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster or designated instructor for a particular control device, for disposition. Documentation shall also be forwarded through the chain of command, when appropriate, explaining the cause of damage.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Control Devices

305.5 BATON GUIDELINES

The need to immediately control a subject must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys, and groin should not be intentionally targeted except when the officer reasonably believes the subject poses an imminent threat of serious bodily injury or death to self or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Non-uniformed and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignments or at the direction of their supervisors.

305.6 OLEORESIN CAPSICUM GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual engaging in, or about to engage in, violent behavior. OC spray should not be used against individuals who do not reasonably appear to present a risk to the safety of department members or the public.

305.6.1 TREATMENT FOR EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those who complain of further severe effects shall be examined by appropriate medical personnel.

305.7 POST-APPLICATION NOTICE

Whenever OC has been introduced into a residence, building interior, vehicle, or other enclosed area, the owners or available occupants should be provided with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding how and when the notice was delivered and the individuals notified should be included in related reports.

305.8 TRAINING FOR CONTROL DEVICES

The Deputy Chief shall ensure that those members who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the member's training file.
- (c) Members who fail to demonstrate proficiency with the control device or knowledge of the Use of Force Policy will be provided remedial training. If a member cannot demonstrate proficiency with a control device or knowledge of the Use of Force Policy after remedial training, the member will be restricted from carrying the control device and may be subject to discipline.

Control Devices

305.9 REPORTING USE OF CONTROL DEVICES

Any application of a control device shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Search and Seizure

306.1 PURPOSE AND SCOPE

Both the federal and state constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Inyo County Probation Department personnel to consider when dealing with search and seizure issues.

306.2 POLICY

It is the policy of the Inyo County Probation Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards, and prosecutorial considerations regarding specific search and seizure situations.

306.3 SEARCHES GENERALLY

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions to the rule that permit a warrantless search.

Examples of probation supervision activities that are exceptions to the general warrant requirement include but are not limited to searches pursuant to:

- Authorization under the terms or conditions of a person's release or supervision.
- Valid consent.
- Incident to a lawful arrest.
- Vehicle searches under certain circumstances.
- Exigent circumstances.

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and the member's familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Search and Seizure

306.4 SEARCH PROTOCOL

Although conditions will vary, and officer safety and other exigencies must be considered in every search situation, these guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations, or access codes when a search of locked property is anticipated.
- (e) Whenever practicable, a search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.
- (f) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, these guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing, or clothing that could not reasonably conceal a weapon.

306.5 DOCUMENTATION

Officers are responsible for documenting any search and ensuring that any required reports are sufficient, including, at a minimum, documentation of:

- Reason for the search.
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys).
- What, if any, injuries or damage occurred.
- All steps taken to secure property.
- The results of the search, including a description of any property or contraband seized.
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer.

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented, and that current legal requirements and department policy have been met.

Mandatory Reporting

307.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for notification to the appropriate social services entities and local law enforcement in the case of encountered, reported, or suspected abuse.

This policy also addresses documentation specific to the discovery of abuse.

307.2 POLICY

Discriminatory Harassment

308.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law (Government Code § 12940(k); 2 CCR 11023).

308.2 POLICY

The Inyo County Probation Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline. Nothing in this policy is intended to supersede the County of Inyo Harassment Policy. A copy of that policy can be found at <https://www.inyocounty.us/sites/default/files/2019-12/Harassment%20Policy.pdf>

308.3 DEFINITIONS

Definitions related to this policy include:

308.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

308.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

308.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly as a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

308.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and California Civil Rights Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with County or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

308.4 RESPONSIBILITIES

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief Probation Officer, the Personnel Director, or the County Administrator.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

Inyo County Probation Department

retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

308.4.1 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief Probation Officer, the Personnel Director, the County Administrator, or the California Civil Rights Department for further information, direction, or clarification (Government Code § 12950).

308.4.2 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief Probation Officer or the Personnel Director in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

308.4.3 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

308.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

308.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

308.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief Probation Officer, the Personnel Director, or the County Administrator.

308.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

308.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief Probation Officer. The outcome of all reports shall be:

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The members shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Department.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

A copy of that policy can be found at https://www.inyocounty.us/Personnel%20Docs/Computer_Use_Policy.pdf

This includes records of all keystrokes or web-browsing history made at any department computer or over any department network. The fact that access to a

Inyo County Probation Department

Information Technology Use

database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department computers, electronic devices, or networks.

The Department shall not require a member to disclose a personal username or password for accessing a personal social media account or to open a personal social website; however, the department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

Any other introduction of software requires prior authorization from IT staff members and a full scan for malicious attachments.

Data stored on or available through department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or department-related purpose to access such data. All members have a duty to protect the computer system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care, and maintenance of the computer system.

Members shall ensure department computers and access terminals are not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off, and password protections enabled whenever the user is not present. Access passwords, login information, and other individual security data, protocols, and procedures are confidential information and are not to be shared. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the internet) to a supervisor.

310.6 INSPECTION AND REVIEW

A supervisor or the authorized designee has the express authority to inspect or review the computer system, all temporary or permanent files, related electronic systems or devices, and any contents thereof, whether such inspection or review is in the ordinary course of supervisory duties or based on cause.

313.2 POLICY

Information that has the potential to negatively affect inter- or intra-agency investigations will not be released.

313.3 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief Probation Officer. In situations not warranting immediate notice to the Chief Probation Officer and in situations where the Chief Probation Officer has given prior approval, Deputy Chief may prepare and release information to the media in accordance with this policy and applicable laws regarding confidentiality.

313.4 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of department members and other persons, advance information about planned actions by probation personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief Probation Officer.

Any exceptions to the above should only be considered for the furtherance of legitimate probation purposes. Prior to approving any exception, the Chief Probation Officer will consider, at a minimum, whether the release of information or the presence of the media would unreasonably endanger any individual or prejudice the rights of any person or is otherwise prohibited by law.

313.6.1 EMPLOYEE INFORMATION

The identities of officers involved in shootings or other critical incidents may only be released to the media upon the consent of the involved officer or upon a formal request filed.

Any requests for copies of related reports or additional information not contained in the information log (see the Information Log section in this policy), including the identity of officers involved in shootings or other critical incidents, shall be referred to the Chief Probation Officer.

- (a) Coordinating and implementing all aspects of the Inyo County Probation Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to all department personnel. The list should include information regarding:
 - 1. Languages spoken.
 - 2. Contact information.
 - 3. Availability.
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and data from community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by this department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing the department's efforts in providing meaningful access to LEP individuals, and, as appropriate, developing reports, developing new procedures, or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

317.4 FOUR-FACTOR ANALYSIS

Because there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of the following four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of this department or a particular geographic area.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Limited English Proficiency Services

- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs, or services.
- (c) The nature and importance of the contact, program, information, or service provided.
- (d) The cost of providing LEP assistance and the resources available.

317.5 TYPES OF LEP ASSISTANCE AVAILABLE

Inyo County Probation Department members should never refuse service to an LEP individual requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will use all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include but are not limited to the assistance methods described in this policy.

317.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

317.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals representative of the community being served.

317.8 QUALIFIED BILINGUAL MEMBERS

Consistent with Inyo County Policy, bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members who provide LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence, or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other County departments who have been identified by the Department as having the requisite skills and competence may be requested.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Limited English Proficiency Services

317.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the County of Inyo that demonstrates their skills and abilities in the following areas:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

317.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

317.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted above), and have been approved by the Department to communicate with LEP individuals.

When qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called on when

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Limited English Proficiency Services

appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

317.10 CONTACT AND REPORTING

Although all probation contacts, services, and individual rights are important, this department will use the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation that involves a situation in which interpretation services were provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services used and whether the individual elected to use services provided by the Department or some other identified source.

317.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Inyo County Probation Department will take reasonable steps and will work with the Personnel Department to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

317.12 FIELD SUPERVISION

Field supervision will generally include such contacts as home, school, or work visits and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and use the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

317.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for revocation of probation or supervised release, or arrest, or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Limited English Proficiency Services

individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses, and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

An LEP individual's bilingual friends, family members, children, neighbors, or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

317.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal case. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter. To ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

317.15 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during a complaint investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

317.16 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional probation duties. This department will continue to work

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Limited English Proficiency Services

with community groups, local businesses, and neighborhoods to provide equal access to such programs and services.

317.17 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Deputy Chief shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Deputy Chief shall maintain records of all LEP training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

317.17.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Deputy Chief shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Communications with Persons with Disabilities

318.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

318.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include but are not limited to using gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters, and intermediary interpreters.

318.2 POLICY

It is the policy of the Inyo County Probation Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects, and arrestees, have equal access to probation services, programs, and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights, or programs based upon disabilities.

318.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief Probation Officer shall delegate certain ADA Coordinator responsibilities to the Deputy Chief (28 CFR 35.107). The Deputy Chief shall be appointed by and directly responsible to the Chief Probation Officer or the authorized designee.

The responsibilities of the Deputy Chief include but are not limited to:

- (a) Working with the County ADA coordinator regarding the Inyo County Probation Department's efforts to ensure equal access to services, programs, and activities.
- (b) Developing reports or new procedures or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs, and activities.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Communications with Persons with Disabilities

- (d) Ensuring that a list of qualified interpreter services is maintained and available to each member of the department. The list should include information regarding:
 - 1. Contact information.
 - 2. Availability.
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas indicating that auxiliary aids are available free of charge to individuals with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

318.4 FACTORS TO CONSIDER

Because the nature of any probation contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs, and activities. These factors may include but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. That an individual appears to be nodding in agreement does not always mean the individual completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the probation contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

318.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various probation encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Communications with Persons with Disabilities

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length, and complexity of the involved communication.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, is hard of hearing, or has impaired speech must be handcuffed while in the custody of the Inyo County Probation Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

318.6 TYPES OF ASSISTANCE AVAILABLE

Inyo County Probation Department members shall never refuse an available service to an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall it require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to disabled individuals through a variety of services.

Disabled individuals may choose to accept department-provided auxiliary aids or services, or they may choose to provide their own.

Department-provided auxiliary aids or services may include but are not limited to the assistance methods described in this policy.

318.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form (e.g., a personnel complaint form) or provide forms with enlarged print.

318.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee) if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Communications with Persons with Disabilities

interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to probation matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide an interpreter (28 CFR 35.160).

318.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking, attorney contacts), members must also provide those who are deaf, are hard of hearing, or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

318.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Communications with Persons with Disabilities

318.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect/client/person on supervised release).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

318.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

318.13 FIELD SUPERVISION

Field supervision will generally include such contacts as home, work, or school visits, street contacts, community encounters, and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity, and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Communications with Persons with Disabilities

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

318.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, is hard of hearing, or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device, or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

318.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, are hard of hearing, or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that the individual understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided by a qualified interpreter or by providing a written *Miranda* warning card to suspects who are deaf or hard of hearing.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

318.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, are hard of hearing,

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Communications with Persons with Disabilities

have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information should be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

318.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this department.

318.17 TRAINING

To ensure that all members who may have contact with disabled individuals are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms, and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Deputy Chief shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including those who are deaf, are hard of hearing, have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Deputy Chief shall maintain records of all training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

318.17.1 TTY OR TDD TRAINING

Training should be mandatory for all members who have contact with probationers who are deaf, are hard of hearing, or have impaired speech. Refresher training should occur every six months. Such training and information should include:

- (a) ASL syntax and accepted abbreviations.
- (b) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls and using proper syntax, abbreviations, and protocol when responding to TTY or TDD calls.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Communications with Persons with Disabilities

- (c) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Child and Dependent Adult Safety

319.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult abuse investigation. These are covered in the Mandatory Reporting Policy.

319.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Inyo County Probation Department will endeavor to create a strong, cooperative relationship with local, state, and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

319.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases, this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the client has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider asking witnesses, neighbors, friends, and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should consider reasonable alternatives to arresting a parent, guardian, or caregiver in the presence of a child or dependent adult.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that appropriate care will be provided.

319.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Child and Dependent Adult Safety

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases, the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use the person's cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence that it would not be in the dependent person's best interest (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends who the person knows and trusts because familiarity with surroundings and consideration for comfort, emotional state, and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian, or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Adult Protective Services, if appropriate.
- (e) Notify the field supervisor or Deputy Chief of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

319.3.2 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs(e.g.,medical,mental health)
 - 5. How, where, and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers

7. Notifications made to other adults(e.g.,schools,relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:

 2. Sex
 3. Age
 4. Whether the person reasonably appears able to engage in self-care
 5. Disposition or placement information if the person is unable to engage in self-care

319.3.3 SUPPORT AND COUNSELING REFERRAL

If the handling officers believe the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate, or a crisis response telephone number, they should provide appropriate referral information.

319.3.4 SELF-SURRENDER

If an officer allows a client to self-surrender, the officer should, where practicable, allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate.

319.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the Probation facility, transported in a marked law enforcement vehicle, or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

319.5 TRAINING

The Deputy Chief is responsible for ensuring that all members of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian, or caregiver is arrested.

Service Animals

320.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

320.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks to benefit an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size, and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

320.2 POLICY

It is the policy of the Inyo County Probation Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

320.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness, or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms, or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.

Service Animals

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

320.4 MEMBER RESPONSIBILITIES

Service animals assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Inyo County Probation Department affords to all members of the public (28 CFR 35.136).

320.4.1 INQUIRY

If it is apparent or if a member knows that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about the disability nor should the person be asked to provide any license, certification, or identification card for the service animal.

320.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting, or otherwise initiating contact with a service animal.

320.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually, and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

Volunteers and student interns are required by this department to meet department-approved training requirements as applicable to their assignments.

321.7.2 VOLUNTEER/STUDENT INTERN SAFETY

At no time shall a volunteer or student intern be given an assignment that could potentially expose them to harm. Volunteers and student interns are not authorized to participate in law enforcement activities and every effort should be made to not expose a volunteer or student intern to arrest situations in Department offices.

Training should reinforce to volunteers and student interns that they shall not intentionally represent themselves as, or by omission give the impression that they are, officers or other full-time members of the Department. They shall always represent themselves as volunteers or student interns.

All volunteers and student interns shall comply with the standards of conduct and with all applicable orders and directives, whether oral or written, issued by the Department.

Volunteers and student interns shall become knowledgeable of the subject matter and proficient with the skills as set forth in the training materials.

321.9 SUPERVISION

Each volunteer or student intern must have a clearly identified supervisor who is responsible for the volunteer or student intern's direct management. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer or student intern and should be available for consultation and assistance.

Functional supervision of volunteers and student interns is the responsibility of the supervisor in charge of their assigned duties. The following are some considerations that supervisors should keep in mind while supervising volunteers and student interns:

- (a) Take the time to introduce volunteers and student interns to members on all levels.
- (b) Ensure volunteers and student interns have workspace and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give volunteers and student interns assignments or tasks that will utilize these valuable resources.

321.9.1 EVALUATIONS

While in training, volunteers and student interns should be continuously evaluated using standardized daily and weekly observation reports. A volunteer or student intern will be considered a trainee until satisfactorily completing training. Only that information specifically identified and approved by authorized members shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by department policy and supervisory personnel.

A volunteer or student intern whose assignment requires the use of, or access to, confidential information will be required to submit fingerprints to the Criminal Information Index (CII) to obtain clearance. Volunteers or student interns working this type of assignment will receive training in data practices and be required to sign a nondisclosure agreement before being given an assignment with the Department. If a student intern is the subject of or is involved in an internal investigation, the coordinator of the educational program that sponsors the intern should be notified.

Volunteers and student interns are considered at-will and may be removed from service at the discretion of the Chief Probation Officer, with or without cause. Volunteers and student interns shall have no property interest in their continued appointments. However, if volunteers or student interns are removed for alleged misconduct, they will be afforded an opportunity through a liberty interest hearing solely for name-clearing purposes, which shall be limited to a single appearance before the Chief Probation Officer or the authorized designee.

Volunteers and student interns may resign from service with the Department at any time. It is requested that a volunteer or student intern who intends to resign provide advance notice and a reason for the decision.

When appropriate, an exit interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

Off-Duty Law Enforcement Actions

322.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for officers of the Inyo County Probation Department with respect to taking law enforcement action while off-duty.

322.2 POLICY

It is the policy of the Inyo County Probation Department that officers generally should not exercise their authority while off-duty. Officers are not expected to place themselves in unreasonable peril and should first consider recording the activity for the purpose of completing a report to be forwarded at a later time. However, any officer with authority to arrest who becomes aware of an incident or circumstance that the officer reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage or loss, may take reasonable action to minimize or eliminate the threat.

322.3 DECISION TO INTERVENE

There is no legal requirement for off-duty probation officers to exercise their authority. Officers should wait for on-duty uniformed law enforcement personnel to arrive instead of immediately taking action and, while waiting, gather as much information as possible. However, if an officer does take action, the officer must evaluate whether the action is necessary or desirable, and should take into consideration:

- (a) The potential to be misidentified by other law enforcement personnel.
- (b) The potential to be misidentified by members of the public, who may be armed or who may take action.
- (c) The tactical disadvantage of being alone and the possibility of multiple or hidden suspects.
- (d) Limited off-duty firearms capabilities and ammunition.
- (e) The inability to communicate with responding law enforcement personnel.
- (f) The lack of equipment, such as body armor, handcuffs, or control devices.
- (g) Unfamiliarity with the surroundings, including escape routes.
- (h) The potential for increased risk to bystanders by confronting a suspect or taking action.

322.3.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance and give the dispatcher a description of the off-duty probation officer for broadcast to responding law enforcement personnel.

Whenever practicable, the officer should loudly and repeatedly identify as an officer with the Inyo County Probation Department until acknowledged. Official identification should also be displayed when possible.

Inyo County Probation Department

Off-Duty Law Enforcement Actions

322.4 NON-OFFICER RESPONSIBILITIES

Members who are not officers should not become involved in any law enforcement action while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

322.4.1 INCIDENTS OF PERSONAL INTEREST

Department members should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, members should call the responsible law enforcement agency to handle the matter.

322.5 REPORTING

If prior notification to the appropriate local law enforcement agency is not reasonably possible before taking action, the officer shall notify the agency as soon as reasonably practicable. Officers shall cooperate fully with the agency having jurisdiction by providing statements or reports as requested or as appropriate.

Officers shall notify a supervisor regarding any law enforcement action taken as a probation officer while off-duty. The supervisor may respond to the location.

The supervisor shall determine whether a crime report or an administrative report should be completed by the involved officer.

Community Relations

Officers should, as time and circumstances reasonably permit:

- (a) Make casual and consensual contacts with community members to promote positive community relationships.

- (c) Work with community members and the department community relations coordinator to identify issues and solve problems related to community relations and public safety.

Officers carrying out field contacts should notify an appropriate supervisor or authorized designee of their status (i.e., on field supervision) and location before beginning and upon completion of field supervision.

323.3 COMMUNITY AND YOUTH ACTIVITIES AND PROGRAMS

The Chief Probation Officer or designee should organize or assist with programs and activities that create opportunities for department members and community members, especially youth, to interact in a positive setting. Examples of such programs and events include:

- (a) Community meetings.
- (b) Social media (see the Department Use of Social Media Policy).
- (c) Department website postings.
- (d) Press releases about Department activities and accomplishments.

- (b) Department website postings.
- (c) Presentations to schools and community organizations.
- (d) Department ride-alongs (see the Ride-Alongs Policy).
- (e) Student internships at the Department.

Instructional information should include direction on how community members should interact with probation officers during enforcement or investigative contacts and how community members can make a complaint to the Department regarding alleged misconduct or inappropriate job performance by department members.

323.6 SAFETY AND OTHER CONSIDERATIONS

Department members responsible for community relations activities should consider the safety of the community participants and, as much as reasonably practicable, should not allow them to be present in any location or situation that would jeopardize their safety.

Department members in charge of community relations events should ensure that participating community members have completed waiver forms before participation, if appropriate. A parent or guardian must complete the waiver form if the participating community member is younger than 18.

Community members are subject to a criminal history check before approval for participation in certain activities, such as student internships.

Inyo County Probation Department

Community Relations

323.7 TRANSPARENCY

The Department should periodically publish statistical data and analysis regarding the department's operations. The reports should not contain the names of officers, clients, or case numbers. Subject to available resources, members should receive training related to this policy, including training on topics such as:

- (a) Effective social interaction and communication skills.

- (e) Officers may choose to handle a violation of conditions of supervision in an informal manner, in consideration of each client's individual needs, as long as the action complies with court mandates.

Drug and Alcohol Testing

If a client tests positive, admits use, or refuses to provide a sample and the officer reasonably suspects the client arrived at the testing location or intends to leave the testing location by operation of a motor vehicle while impaired, the officer should proceed according to the Violations Policy.

404.4.2 CONFIRMATION TESTS

Supervising officers should perform testing of a client despite an admission of use.

When a specimen tests positive or is adulterated or diluted, regardless of any admission of use, reasonable efforts should be made to confirm whether the result occurred during the use of an authorized or prescribed medication or is the result of the use of a prohibited substance. This may include:

- (a) Administration of additional on-site screening.
- (b) Verification of medical prescriptions or medical marijuana identification card if use is approved by the court or conditions of the client's supervision.
- (c) Submission of an appropriate specimen, following the established chain of custody, to an approved toxicology laboratory for confirmation testing.

404.5 TRAINING

Officers should receive training on this policy and related procedures.

Modification of Conditions of Supervision

405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide general guidance for the modification of conditions of supervision.

405.2 POLICY

It is the policy of this department that officers will communicate with the courts and the client to modify conditions of supervision.

405.3 APPROVALS

Officers should not modify conditions of supervision without court approval unless the court has expressly delegated the authority to do so to the officer or Inyo County Probation Department.

If court approval is not required and the modification would decrease the intensity of supervision, officers should obtain supervisor approval prior to the modification.

405.4 MODIFICATIONS

When an officer determines modification of a client's conditions of supervision may be appropriate, the officer should within a reasonable time:

- Identify the proposed modification and document the reason(s) for the proposed modification.
- Notify the client of the proposed modification and ask whether the client will agree to the modification.
- If the client is a minor, proceed with the Modification Hearing subsection (even if the client agrees to the modification).

An agreement by the client to the modification should be in writing and witnessed by a supervisor and a third-party officer or staff member.

405.4.1 MODIFICATION WITHOUT HEARING

If the client agrees to the modification and the court has expressly authorized modifications without a hearing, the officer should (Penal Code §1203.2; Penal Code § 3455):

- (a) Obtain a written waiver of the hearing from the client.
- (b) Submit to the court a copy of the modification along with the rationale for the modification and the client's agreement and waiver of hearing.

Prior to submission of court documents, the officer shall notify the client of the right to an attorney, and if indigent, the right to a court-appointed attorney (Penal Code § 1203.2). If a client waives the right to an attorney, the officer should obtain a signature from the individual on the written waiver. If the client consults with an attorney and thereafter agrees to the modification and waiver of personal appearance at the hearing, the officer should obtain a signature from the attorney as to the agreement (Penal Code § 1203.2; Penal Code § 3455).

Modification of Conditions of Supervision

405.4.2 MODIFICATION HEARING

If the client does not waive a court hearing or a hearing is required under the circumstances, the officer should:

- (a) Arrange to have a court date set.
- (b) Prepare or assist in preparing any documents required by the court (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 778).
- (c) Notify the client, the client's attorney and the District Attorney of the hearing date.
 - 1. Notice should be in writing signed by the client and the method of notice, or reason why notice was not given, should be documented.
 - 2. Officers filing a petition to juvenile court to modify or set aside a condition of probation should serve a copy of the petition on the District Attorney, the minor's attorney of record, or, if there is no counsel of record, to minor and the parents or guardians (Welfare and Institutions Code § 778; Welfare and Institutions Code § 776).

405.5 CASE MANAGEMENT PLAN

Officers should review any resulting modifications with the client.

The case management plan should be modified as appropriate. See the Supervision of Clients Policy.

405.6 DOCUMENTATION

Documents associated with modifications of conditions of supervision, including any waivers and approvals, should be filed in the client's case file and documented in the case management system and retained in accordance with the Records Maintenance and Release Policy.

Violations

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for responding to and reporting violations of conditions of supervision.

406.2 POLICY

It is the policy of this department to respond to potential violation behavior with due diligence.

406.3 INVESTIGATIONS

Officers should begin an investigation into reported or suspected violation behavior within a reasonable time. Investigations into possible violations involving behavior reasonably believed to implicate a specific threat to public safety or to the safety of the client or another person should be given priority.

Suspected violations that may constitute additional criminal behavior should be documented sufficiently for presentation to outside agencies, such as local law enforcement for follow-up or the District Attorney for filing of additional charges. See the Report Preparation Policy.

All investigations should be documented, including whether the case was submitted to the court and/or the District Attorney and any reasons it was not.

406.4 PROCESSING VIOLATIONS

If as a result of an investigation, the officer reasonably believes violation proceedings are appropriate, the officer should make reasonable efforts to bring the matter before the court as soon as reasonably practicable.

406.4.1 REQUIRED VIOLATION REPORTING

Officers shall report any violation or breach of conditions imposed by the court to both the court that appointed the officer and the court that released the client, if different (Penal Code § 1203.7; Penal Code § 1203.12).

Officers who receive written notification that a client has been imprisoned for another offense shall submit a report to the court that released the client not later than 30 days after receiving notification of the imprisonment. Officers who otherwise discover that a client is incarcerated on another offense should make reasonable efforts to notify the releasing court of the information discovered (Penal Code § 1203.2a).

406.4.2 DISCRETIONARY VIOLATION REPORTING

Officers are authorized to utilize alternative sanctions for violations consistent with this policy.

Officers who determine that intermediate sanctions are not appropriate for an individual who violated conditions of supervision on post-release community supervision (PRCS) pursuant to Penal Code § 3450 et seq. should submit a petition to the court to revoke or terminate PRCS, if

Inyo County Probation Department

Violations

appropriate, or proceed with the Modifications of Conditions of Supervision Policy (Penal Code § 3455).

406.4.3 FLASH INCARCERATION

Officers shall obtain supervisor approval prior to the imposition of flash incarceration. Officers shall notify the court, sheriff's office, District Attorney, and public defender as soon as practicable once a decision has been made to impose flash incarceration on a client (Penal Code § 1203.35). If a client does not agree to accept a recommended period of flash incarceration, the officer should report the violation to the court, if appropriate, or proceed with the Modification of Conditions of Supervision Policy, if applicable (Penal Code § 1203.35).

406.4.4 ADDITIONAL REQUIREMENTS FOR INDIVIDUALS ON POST-RELEASE COMMUNITY SUPERVISION

Officers should investigate suspected violation behavior of individuals on PRCS pursuant to Penal Code § 3450 et seq. and process violations per the Investigations and Processing Violations sections of this policy.

Officers who have a reasonable belief that an individual on PRCS has violated a condition of supervision should obtain supervisor approval prior to the implementation of flash incarceration (Penal Code § 3454).

If flash incarceration or another intermediate sanction is not appropriate, the officer should submit a petition to the court to revoke or terminate PRCS, if applicable, or proceed with the Modification of Conditions of Supervision Policy. The petition shall include a written report that contains the terms and conditions of PRCS, the circumstances of the violation, the history of the violator, and any recommendations (Penal Code § 3455). If a petition is submitted to the court, the officer should proceed with the Service of Documents, Notice to the District Attorney, Evidence Disclosure, and Notifications sections in this policy. If an arrest is appropriate, the officer should proceed with the Arrests section of this policy.

406.4.5 ALTERNATIVE SANCTIONS

Alternative sanctions are sanctions for violation behavior that do not include filing a Probation Violation Complaint with the court and are generally used for lower-level violations or "first-time" violations depending on the severity. Alternative sanctions, depending on the behavior, might include imposing community service hours, increasing check-ins, requiring participation in additional programming, verbal or written reprimands, or other alternatives.

Alternative sanctions should be based on the Probation Department Violation Response Matrix.

[See attachment: Risk-Based Progressive Sanctions Guidelines 8-6-18.pdf](#)

[See attachment: Violation Response TABLE.xlsx](#)

When an alternative sanction is imposed, it shall be documented in the case management system.

If the client successfully completes the alternative sanction, a Probation Violation Complaint should not be filed.

Violations

406.5 ARRESTS

Officers who reasonably believe that an arrest is appropriate based on violation behavior should take steps to initiate the arrest (i.e., by contacting local law enforcement, if appropriate under the circumstances; by obtaining an arrest warrant) within the scope of their authority and without unreasonable delay (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 625) (see the Probation Authority policy.)

If an officer has a reasonable belief that an immediate arrest is warranted (e.g., the violation behavior implicates a specific threat (such as an intoxicated client close to operating a vehicle), abscondence is likely, the arrest is required by state law), the officer should initiate a warrantless arrest if legally permitted under the circumstances.

If an arrest warrant is issued for the violation, the officers should request assistance from local law enforcement to serve the warrant, if appropriate.

406.6 SERVICE OF DOCUMENTS

Regardless of whether an arrest is made, the officer shall serve a copy of any Probation Violation Complaint filed with the court on the client, the attorney for the client, if known (Penal Code § 1203.2), and the District Attorney.

A copy of the Probation Violation Complaint should be served personally on the client if they are not in custody. If personal service cannot reasonably be made, service should be made by certified mail..

406.6.1 NOTICE TO THE DISTRICT ATTORNEY

Officers shall provide a copy of the petition to revoke probation to the District Attorney (Penal Code § 1203.2). The copy should be provided as soon as practicable after filing the petition. The method of notification (e.g., personally, by certified mail) and the date should be documented.

406.6.2 EVIDENCE DISCLOSURE

A copy of an arrest/incident report and any evidence that the officer intends to be used at a violation hearing should be disclosed prior to the hearing to the District Attorney. Information that is confidential or protected may have disclosure limitations and should be approved by a supervisor and/or the court prior to disclosure.

406.6.3 SUPPLEMENTAL PETITIONS IN JUVENILE COURT

Officers filing a supplemental petition to juvenile court shall serve notice of the date, time, and place of a Welfare and Institutions Code § 777 hearing to the minor's parents, foster parents, guardians, or the relatives providing care to the minor in the manner required by Welfare and Institutions Code § 658 or Welfare and Institutions Code § 660, as applicable (Welfare and Institutions Code § 777).

406.7 NOTIFICATIONS

Officers who initiate violation proceedings against clients should consider whether notification should be made to a third party or the victim of the offense for which the client is on supervision. See the Victim and Witness Assistance Policy.

Subpoenas and Court Appearances

407.1 PURPOSE AND SCOPE

This policy establishes the guidelines for department members who must appear in court. It will allow the Inyo County Probation Department to cover any related work absences and keep the Department informed about relevant legal matters.

407.2 POLICY

Inyo County Probation Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

407.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the officer or by delivery of two copies of the subpoena to the officer's supervisor or other authorized department agent (Government Code § 68097.1; Penal Code § 1328).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328):

- (a) The supervisor or authorized individual will be unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena.
- (b) It is less than five working days prior to the date listed for an appearance and the supervisor or authorized individual is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines it is not possible to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328).

407.3.1 SPECIAL NOTIFICATION REQUIREMENTS

Any member who is subpoenaed to testify, agrees to testify, or provides information on behalf or at the request of any party other than the County Counsel or the prosecutor shall notify the member's immediate supervisor without delay regarding:

- (a) Any civil case where the County or one of its members, as a result of their official capacity, is a party.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

407.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

407.4 FAILURE TO APPEAR

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

407.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes location during the day, the member shall notify the designated department member of how the member can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

407.6 COURTROOM PROTOCOL

When appearing in court, members shall:

407.6.1 TESTIMONY

Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court. The member should also contact the prosecuting attorney regarding testimony and evidence that might be needed in court.

407.6.2 EVIDENCE

When a member is directed by a subpoena to appear in court with evidence or the prosecuting attorney requests evidence that is available to the member, that member should:

- (a) Notify the Property Storage Room promptly after receiving the subpoena that the specified evidence is needed for court, and verify that the evidence is readily available.
- (b) Verify whether the evidence will be analyzed by the time of the court appearance, if applicable, and advise the prosecutor of any delay.
- (c) Check with the prosecuting attorney on a timely basis if in doubt about what items or materials to bring to court.
- (d) Notify the prosecuting attorney on a timely basis in the event that evidence has been lost, stolen, or misplaced, or if previously undisclosed information about the evidence has become available.
- (e) Comply with provisions of the Property Policy regarding checking out the evidence and transferring custody of the evidence to the prosecutor or the court, whichever is appropriate.

It is the policy of this department to provide probation services and to enforce the law and conditions set by the court equally, fairly, objectively, and without discrimination toward any individual or group.

412.3 BIAS-BASED SUPERVISION PROHIBITED

Bias-based supervision is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely, and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns, or specific schemes.

412.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform their duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based supervision to a supervisor. Members should, when reasonable to do so, intervene to prevent any bias-based actions by another member.

412.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report), the involved officer should include those facts giving rise to the contact.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Bias-Based Supervision

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

412.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.
 - 1. Supervisors should document these discussions in the prescribed manner.
- (b) Supervisors should periodically review Mobile Audio/Video (MAV) recordings, portable audio/video recordings, XXXMobileDigitalTerminalXXX (XXXMDT/MDTXXX) data and any other available resource used to document contact between officers and the public to ensure compliance with this policy.
 - 1. Supervisors should document these periodic reviews.
 - 2. Recordings or data that capture a potential instance of bias-based supervision should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based supervision.

412.6 STATE REPORTING

The Deputy Chief shall ensure that all data required by the California Department of Justice (DOJ) regarding complaints of racial bias against officers is collected and provided to the Administrative Analyst for required reporting to the DOJ (Penal Code § 13012; Penal Code § 13020).

412.7 ADMINISTRATION

The Chief Probation Officer or authorized designee should review the efforts of the Department to provide fair and objective supervision and submit an annual report, including public concerns and complaints, to the District Attorney. The annual report should not contain any identifying information about any specific complaint, member of the public, or officer. It should be reviewed by the Chief Probation Officer to identify any changes in training or operations that should be made to improve service.

412.8 TRAINING

Training on fair and objective supervision and review of this policy should be conducted as directed by the Deputy Chief.

Chapter 5 - Field and Special Operations

Crime Scene Integrity and Investigation

500.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding the discovery of a crime or crime scene by department members and any corresponding investigation of a crime.

This policy is intended to address criminal investigations of new crimes or crime scenes, not specific violations of an offender's terms of probation. See the Violations Policy.

500.2 POLICY

It is the policy of this department to secure the safety of the public and the preservation of crime scenes, when reasonably practicable, until relieved by local law enforcement, a supervisor, or other designated person. It is also the policy of this department to cooperate with local law enforcement in the investigation of newly discovered crimes as set forth in this policy.

500.3 INITIAL CONSIDERATIONS

Officers who become aware of a crime or crime scene, including one that may involve clients under the supervision of the Department, should contact the appropriate local law enforcement agency as soon as practicable.

If the crime involves a client under supervision by the Department, the officer should coordinate investigative responsibilities and share relevant information with the responding local law enforcement agency.

An officer who reasonably believes that an individual present during the commission of a crime or at a crime scene is under probation supervision by another officer or other department should take reasonable steps to notify the individual's supervising officer or the associated department to coordinate any necessary investigative responsibilities.

500.3.1 RESPONSE

Officers who encounter or who are first to arrive at a crime scene should:

- (a) Contact local law enforcement.
- (b) Contact other local agencies (e.g., emergency medical services, fire) and request additional assistance and resources, if appropriate.
- (c) Notify a supervisor.
- (d) When reasonably practicable, provide for the general safety of those within the immediate area by mitigating, reducing, or eliminating threats or dangers.
- (e) Evacuate the location safely as required or appropriate.
- (f) Identify potential witnesses.

500.4 ARRESTS

An officer at the location of a crime or crime scene should not initiate an arrest unless the officer has a reasonable belief that an immediate arrest is appropriate and warranted to prevent

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Crime Scene Integrity and Investigation

imminent harm to others and only if legally permitted under the circumstances. Additional guidance regarding officer arrest authority under California law is provided in the Probation Authority Policy.

Circumstances involving domestic violence or the crime of possession of medical marijuana may require exceptional handling under California law.

500.4.1 ARRESTS AND INVESTIGATIONS INVOLVING DOMESTIC VIOLENCE

Absent extenuating circumstances involving an imminent threat of death or bodily injury to the officer or another person, officers who have probable cause to believe that an offense involving domestic violence has occurred within their presence should request response by the appropriate local law enforcement agency.

This should be considered even if the officer has arrest authority under California law. However, if the officer is authorized or required to take enforcement action, the officer shall take steps to reasonably ensure that appropriate action is taken, including an arrest when there is probable cause to do so. In such case, any decision not to arrest shall be made by the officer's supervisor.

Officers shall also take steps to reasonably ensure any other mandatory action related to domestic violence is accomplished. This may include mandates related but not limited to the following:

- (a) Required victim notifications or assistance.
- (b) The service of court orders.
- (c) Seizure of firearms or other deadly weapons in accordance with Penal Code § 18250 if the incident involved threats of bodily harm or physical assault and the firearm or weapon is discovered in plain view or pursuant to consent or other lawful search.

500.4.2 ARRESTS AND INVESTIGATIONS INVOLVING THE USE OF MEDICAL MARIJUANA

Officers shall not arrest a cardholder or designated primary caregiver in possession of an identification card solely for the crime of possession, transportation, delivery, or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person possesses marijuana, but not for personal medical purposes.

Officers should refer to the Violations Policy when a client alleges possession or use of marijuana for medicinal purposes and the client's terms of supervision do not allow for medicinal use or possession.

500.5 EVIDENCE

Officers should not conduct searches beyond the scope of their authority. Evidence discovered at a crime scene and that pertains to an officer's investigation of a probation violation should be documented and preserved as soon as practicable in accordance with the Search and Seizure Policy.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Crime Scene Integrity and Investigation

Officers who discover evidence that does not relate to a probation violation should defer to local law enforcement personnel for collection.

500.6 REPORTS

Reports should include adequate investigative information and reference to all evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in a related criminal case, as well as information that may adversely affect the credibility of a witness. If an officer learns of potentially incriminating or exculpatory information any time after submission of a report, the officer should prepare and submit a supplemental report documenting such information as soon as practicable.

Officers should proceed with the Violations Policy when the investigation involves a violation of probation conditions.

500.6.1 DISCLOSURE OF REPORTS

Upon completion, reports, including any supplemental reports, should be transmitted to the prosecutor's office and to any other agency to whom the original report was sent (e.g., local law enforcement agency). If information is believed to be privileged or confidential (e.g., informant or protected information), release should be approved by a supervisor prior to disclosure.

Disclosure of protected information in this context may be subject to the Records Maintenance and Release and Protected Information policies. See the Violations Policy, regarding information disclosure as part of a probation violation hearing.

500.7 RECORDS

Reports created in relation to a crime or crime scene investigation should be retained in accordance with the Records Maintenance and Release Policy.

Ride-Alongs

501.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for a ride-along with members of the Inyo County Probation Department. This policy provides the requirements, approval process, hours of operation, and member responsibilities for ride-alongs.

501.2 POLICY

Ride-along opportunities may be provided to members of the public, Inyo County employees, and members of this department to observe and experience, firsthand, various functions of the Inyo County Probation Department. The term "ride-along" includes riding as a passenger with an officer performing field supervision or observing the work day of members engaging in other functions within the Department facility, such as office contacts with clients or supervised persons.

501.3 ELIGIBILITY

A ride-along is available to Inyo County residents and business owners, consultants, students currently attending class in Inyo County and individuals employed within the County and individuals employed within Inyo. Efforts will be made to accommodate all interested persons. However, any applicant may be disqualified from participating without cause.

Factors that may be considered in disqualifying an applicant include, but are not limited to:

- Being younger than 15 years of age.
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against this department or the County or any of its employees
- Denial by any supervisor.

501.4 AVAILABILITY

A ride-along or job observation is available most days of the week, from 8:00 a.m. to 5:00 p.m. Exceptions to this schedule may be made as approved by the supervisor.

501.5 REQUESTS TO PARTICIPATE

Generally, ride-along and job observation requests will be maintained and scheduled by the supervisor. The applicant will complete and sign a ride-along or job observation waiver form. If the applicant is younger than 18 years of age, a parent or guardian must be present to complete the waiver form. Information requested will include a valid state-issued identification card or driver's license number, birth date, address, and telephone number.

The supervisor will schedule a date, based on availability, generally one week after the date of application. If approved, a copy of the waiver form will be forwarded to Adult Division as soon as possible for scheduling considerations.

If the request is denied, a representative of this department will advise the applicant of the denial.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Ride-Alongs

501.6 PROCEDURES

Once approved, ride-along applicants will be allowed to participate no more than once every six months. An exception may apply to the following law enforcement-involved participants:

- Volunteers
- Chaplains
- Inyo County Probation Department applicants
- Any others with approval of the supervisor
- Student workers or interns

An effort will be made to ensure that no more than one member of the public will participate in a ride-along or job observation during any given time period. Normally, no more than one ride-along participant will be allowed in department vehicles at a given time.

501.6.1 OFF-DUTY PARTICIPATION

Off-duty members of this department or any other law enforcement agency, and employees of the County, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the supervisor.

In the event that such participation is permitted, the off-duty department member, other law enforcement agency personnel, or County employee shall not:

- (a) Be considered on-duty.
- (b) Represent themselves as members of this department or any other law enforcement agency.
- (c) Participate in any law enforcement activity except as emergency circumstances may require.

501.6.2 CRIMINAL HISTORY CHECK

All ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check prior to approval of the ride-along.

501.6.3 SUITABLE ATTIRE

Any person approved to participate in a ride-along is required to be suitably dressed in a collared shirt, blouse or jacket, slacks, and shoes. Sandals, T-shirts, tank tops, shorts, and ripped or torn pants are not permitted. Hats and ball caps will not be worn without the express consent of the supervisor. The supervisor, or a lead staff member in the absence of a supervisor, may refuse a ride-along to anyone who is not dressed appropriately.

501.7 MEMBER RESPONSIBILITIES

The assigned department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about conditions that necessarily limit participation. Instructions should include:

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Ride-Alongs

- (a) The participant will follow the directions of the department member.
- (b) The participant will not become involved in any investigation, handling of evidence, discussions with victims, clients, supervised persons or suspects, reading an individual's criminal history or other protected information, or handling any probation department equipment.
- (c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member's duties.
 - 1. If the ride-along is in progress, the member may return the participant to the point the ride originated.
- (d) Participants may be allowed to continue a ride-along during the transportation and booking process, provided it does not jeopardize their safety.
- (e) Members will not allow participants to be present in any location or situation that would jeopardize the participant's safety or cause undue stress or embarrassment to a victim or any other member of the public.
- (f) Participants who are not probation or law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the supervisor, or lead staff in the absence of a supervisor, that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant should use sound discretion when encountering a potentially dangerous situation and, if feasible, let the participant out of the vehicle in a well-lit public place. The supervisor, or lead staff in the absence of a supervisor, will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride, or is otherwise inappropriate, should be immediately reported to the supervisor. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the supervisor.

Hazardous Material Response

502.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the factors that members should consider when they encounter hazardous material, including the reporting of exposures and supervisor responsibilities.

502.1.1 DEFINITIONS

Definitions related to this policy include:

Hazardous material - A substance that by its nature, containment, or reactivity has the capability of inflicting harm during exposure; is characterized as being toxic, corrosive, flammable, reactive, an irritant, or a strong sensitizer; and thereby poses a threat to health when improperly managed.

502.2 POLICY

It is the policy of the Inyo County Probation Department to immediately contact the appropriate local emergency services to respond to hazardous material emergencies in order to protect the safety of clients, the public, and those members who may be exposed to such incidents.

502.3 HAZARDOUS MATERIAL EXPOSURE

Members may encounter situations involving suspected hazardous materials, such as a chemical spill in the workplace. When members come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond to and mitigate most incidents involving hazardous materials and biohazards.

Members should not perform tasks or use equipment without proper training. Officers present at a hazardous material incident may require decontamination before they are allowed to leave the scene and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

502.4 CONSIDERATIONS

These steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potentially hazardous material from a safe distance.
- (b) Notify appropriate supervisors, the appropriate fire department and hazardous response units, and local law enforcement.
 1. Provide weather conditions, wind direction, a suggested safe approach route, and any other information pertinent to responder safety.
- (c) Wear personal protective equipment (PPE), as available and as trained, being cognizant that some hazardous material can be inhaled.
- (d) Remain upwind, uphill, and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Hazardous Material Response

- (e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:
 - 1. Placards or use of an emergency response guidebook.
 - 2. Driver's statements or shipping documents from the person transporting the material.
 - 3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
 - (a) The type of material.
 - (b) How to secure and contain the material.
 - (c) Any other information to protect the safety of those present, the community, and the environment.
- (f) Provide first aid to injured parties if it can be done safely and without contamination.
- (g) Make reasonable efforts to secure the scene to prevent access from unauthorized individuals and to protect and identify any evidence.
- (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.
- (i) Establish a decontamination area when needed.

502.5 REPORTING EXPOSURE

Department members who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an incident report that shall be forwarded via chain of command to the Chief Probation Officer as soon as practicable. If the affected member is unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused by exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report as applicable.

502.5.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that a member has been exposed to a hazardous material, the supervisor shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.

To ensure the safety of members, PPE is available from supervisors. PPE not maintained by this department may be available through the appropriate fire department or emergency response team.

Hostage and Barricade Incidents

503.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain, or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

503.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:

- Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- Unlawfully held against the person's will under threat or actual use of force.

503.2 POLICY

It is the policy of the Inyo County Probation Department to address hostage and barricade situations by immediately contacting local law enforcement.

503.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. The focus of communication should be to stabilize the situation while awaiting local law enforcement.

503.4 CONSIDERATIONS

Officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

Officers should immediately contact local law enforcement when it is determined that a hostage or barricade situation exists.

The handling officer should brief the arriving local law enforcement officers of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Hostage and Barricade Incidents

503.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting local law enforcement, specialized personnel, and trained negotiators.

503.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of local law enforcement, specialized personnel, and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats.

503.5 RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, establish a proper chain of command, and assume the role of Incident Supervisor until properly relieved by local law enforcement.

503.6 REPORTING

Unless otherwise relieved by a supervisor, the handling officer at the scene is responsible for completion of an incident report.

Response to Bomb Threat Calls

504.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Inyo County Probation Department in their initial response to incidents involving explosives or explosive devices, explosion/bombing incidents, or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

504.2 POLICY

It is the policy of the Inyo County Probation Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

504.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement, and alleged detonation time of the device and should immediately contact the appropriate local law enforcement agency to convey the information.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

504.4 INYO COUNTY PROBATION DEPARTMENT FACILITY

If the bomb threat is against the department facility, the member who received the threat should immediately contact the appropriate local law enforcement agency and notify the supervisor as soon as practicable. The supervisor, in coordination with local law enforcement, will direct and assign officers as required for coordinating a general building search or evacuation of the department, as deemed appropriate.

504.5 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the County that is not the property of this department, assistance to the other entity may be provided as the supervisor deems appropriate once the appropriate local law enforcement agency has been notified of the threat.

504.6 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, local law enforcement and the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Response to Bomb Threat Calls

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to local law enforcement and the military police or other military security responsible for the installation.

504.7 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at any location in the County, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting law enforcement assistance at the facility.
- (f) Whether any internal facility procedures exist regarding bomb threats, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that local law enforcement is notified. Also notify the department supervisor immediately so that the supervisor can communicate with the person in charge of the threatened facility as necessary.

504.8 ASSISTANCE

The Chief Probation Officer or the authorized designee should be notified when department assistance is requested. The Chief Probation Officer or authorized designee will make the decision whether the Department will render assistance to responding law enforcement and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including evacuation and giving officers control over the facility.

Should the Chief Probation Officer or authorized designee determine that the department will assist law enforcement with such an incident, the Chief Probation Officer or authorized designee will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance in consultation with responding local law enforcement.
- (c) Whether to evacuate and/or search the facility.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Response to Bomb Threat Calls

- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request local law enforcement's assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

504.9 SUSPECTED DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all-inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes:
 - 1. Two-way radios.
 - 2. Cell phones.
 - 3. Other personal communication devices.
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (h) Promptly relay available information to local law enforcement and the Chief Probation Officer or authorized designee including:
 - 1. The time of discovery.
 - 2. The exact location of the device.
 - 3. A full description of the device (e.g., size, shape, markings, construction).
 - 4. The anticipated danger zone and perimeter.
 - 5. The areas to be evacuated or cleared.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Response to Bomb Threat Calls

504.10 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, the supervisor may be confronted with a multitude of considerations. As in other catastrophic events, a rapid evacuation may help to minimize injury to victims, contamination of the scene, or any additional damage from fires or unstable structures.

504.10.1 CONSIDERATIONS

Officers present at the scene of an explosion, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries, where safe and practicable.
- (b) Request through 9-1-1 additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens, and hazardous materials, where safe and practicable.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices only if trained to do so or where necessary to establish an evacuation route for self and others.
- (g) Preserve evidence, where safe and practicable.
- (h) Establish an outer perimeter and evacuate, if necessary.
- (i) Identify witnesses.

504.10.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified, as appropriate:

- Local law enforcement
- Supervisor
- Fire department
- Bomb squad
- Additional department personnel, as necessary
- Other government agencies, as appropriate

504.11 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene and only at the direction of local law enforcement. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Response to Bomb Threat Calls

504.11 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. Pending the arrival of local law enforcement, the supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact evidence may be embedded in nearby structures or hanging in trees and bushes.

Crisis Intervention Incidents

505.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

505.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage their behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; noncompliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive, or dangerous behavior that may be accompanied by impaired judgment.

505.2 POLICY

The Inyo County Probation Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

505.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation, or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality, or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness, or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, or lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility, or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these signs should not be treated as proof of the presence or absence of a mental health issue or crisis.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Crisis Intervention Incidents

505.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief Probation Officer should designate an appropriate Deputy Chief to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with those who may be in crisis and may also be used to develop case management plans for clients and other individuals under the supervision of the Department who may be suffering from mental illness.

505.5 CRISIS INTERVENTION RESPONSE

Safety is a priority during any crisis intervention incident. It is important to recognize that individuals under the influence of alcohol, drugs, or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises, and unusual behavior are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer interacting with a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request local law enforcement and/or available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights, or sirens.
- (d) Attempt to determine if weapons are present or available.
 - 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of their action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime and report the same to local law enforcement, if applicable.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.

Crisis Intervention Incidents

- (k) If circumstances reasonably permit, consider and employ alternatives to force.

505.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous, and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (i.e., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent, or suicidal.
- Argue, speak with a raised voice, or use threats to obtain compliance.

505.7 INCIDENT ORIENTATION

When encountering an incident that may involve mental illness or a mental health crisis, the officer should request critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication or may have failed to take their medication.
- (b) Whether there have been prior incidents or suicide threats/attempts, and whether there has been previous probation or other law enforcement response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

505.8 SUPERVISOR RESPONSIBILITIES

If possible, a supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Crisis Intervention Incidents

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Absent an imminent threat to the public, consider strategic disengagement. This may include removing or reducing department resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing and prepare an incident report to be forwarded to the supervisor.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

505.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

505.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS

Members, including but not limited to clerical staff, may interact with persons in crisis in an administrative capacity, such as during records requests or phone calls, or when reporting to the Department.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If during an interaction, a member believes a person is in crisis, the member should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may self-harm or be harmful to others, an officer should be promptly summoned to provide assistance.

505.11 EVALUATION

The Deputy Chief designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Crisis Intervention Incidents

individuals, officers, or incidents and will be submitted to the Chief Probation Officer through the chain of command.

505.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide Standards and Training for Corrections (STC)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks, and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Rapid Response and Deployment

506.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces, and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement and probation. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

506.2 POLICY

The Inyo County Probation Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those who are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

506.3 CONSIDERATIONS

When dealing with a crisis situation, members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore, and analyze sources of intelligence and known information regarding the circumstances, location, and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing, or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

506.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent, or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat, or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to incidents at other locations.

When deciding on a course of action, officers should consider:

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Rapid Response and Deployment

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advancement or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of defensive weapons, control devices, and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In the case of a barricaded or trapped suspect, with no hostages and no immediate threat to others, officers should consider covering escape routes and evacuating persons as appropriate while summoning and waiting for additional assistance (e.g., special tactics and/or hostage negotiation team response).

506.5 PLANNING

The Chief Probation Officer or authorized designee should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites at the Inyo County Probation Department, such as buildings, including detention facilities, and parking areas.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Field supervision first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.

506.6 TRAINING

The Deputy Chief should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites at the Inyo County Probation Department, such as buildings, including detention facilities, and parking areas.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Rapid Response and Deployment

- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Field supervision first-response training, including patrol rifle and shotgun familiarization, and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

507.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Inyo County Probation Department relating to immigration and interacting with federal immigration officials.

507.1.1 DEFINITIONS

The following definition applies to this policy (Government Code § 7284.4):

Immigration enforcement – Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

507.2 POLICY

It is the policy of the Inyo County Probation Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

507.3 VICTIMS AND WITNESSES

To encourage cooperation, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of the Inyo County Probation Department will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

507.4 IMMIGRATION STATUS AND DETENTIONS

Immigration status may be reported to the court as required. Any reasonably discovered change in the immigration status of any client or any discrepancy in the record about the person's immigration status should be documented and reported to the court.

No individual should be detained solely for the purpose of waiting for information from immigration officials (Government Code § 7284.6).

507.4.1 IMMIGRATION INQUIRIES PROHIBITED

Officers shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Immigration Violations

507.4.2 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)

Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Additionally, members shall not use the system to investigate immigration violations of 8 USC § 1325 (improper entry) if that violation is the only criminal history in an individual's record (Government Code § 15160).

507.4.3 CALIFORNIA DEPARTMENT OF MOTOR VEHICLES

Members shall not obtain, access, use, or disclose noncriminal history information maintained by the Department of Motor Vehicles for immigration enforcement (Vehicle Code § 1808.48).

507.5 FEDERAL REQUEST FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

507.6 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

- (a) Sending information to or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

507.7 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the appropriate prosecutor or the appropriate law enforcement agency.

507.8 TRAINING

The Deputy Chief should ensure officers receive immigration training on this policy. Training should include prohibitions contained in the California Values Act (Government Code § 7284 et seq.).

Field Training

508.1 PURPOSE AND SCOPE

This policy provides guidelines for field training that ensure standardized training and evaluation; facilitate the transition from the training setting to the actual performance of general duties; and introduce the policies, procedures, and operations of the Inyo County Probation Department. The policy addresses the administration of field training and the selection, supervision, training, and responsibilities of the Field Training Officer (FTO).

508.2 POLICY

It is the policy of the Inyo County Probation Department that all newly hired or appointed officer trainees will participate in field training that is staffed and supervised by trained and qualified FTOs.

508.3 FIELD TRAINING

The Department should establish minimum standards for field training, which should be of sufficient duration to prepare officer trainees for probation duties. The field training is designed to prepare trainees for a probation supervision assignment and ensure they acquire the skills needed to operate in a safe, productive, and professional manner, in accordance with the general duties of this department.

To the extent practicable, field training should include procedures for:

- (a) Issuing training materials to each trainee at the beginning of each trainee's field training.
- (b) Daily, weekly, and monthly evaluation and documentation of the trainee's performance.
- (c) A multiphase structure that includes:
 - 1. A formal evaluation progress report completed by the FTOs involved with the trainee and submitted to the Deputy Chief and FTO coordinator.
 - 2. Assignment of the trainee to a variety of shifts and supervision tasks.
 - 3. Assignment of the trainee to a rotation of FTOs to provide for an objective evaluation of the trainee's performance.
- (d) The trainee's confidential evaluation of the assigned FTOs and the field training process.
- (e) Retention of all field training documentation in the officer trainee's training file, including:
 - 1. All performance evaluations.
 - 2. A certificate of completion certifying that the trainee has successfully completed the required number of field training hours.

508.4 FTO COORDINATOR

The Chief Probation Officer shall delegate certain responsibilities to the FTO coordinator.

Inyo County Probation Department

Field Training

The FTO coordinator may appoint a senior FTO or other designee to assist in the coordination of FTOs and their activities.

The responsibilities of the coordinator include but are not limited to:

- (a) Assigning trainees to FTOs.
- (b) Conducting FTO meetings.
- (c) Maintaining and ensuring FTO and trainee performance evaluations are completed.
- (d) Maintaining, updating, and issuing department training materials to each FTO and trainee.
- (e) Developing ongoing training for FTOs.

- (j) Maintaining a liaison with probation academy staff on recruit officer performance during academy attendance.
- (k) Performing other activities as may be directed by the Chief Probation Officer.

Within one year of appointment to this position, the FTO coordinator will be required to successfully complete a training course approved by this department that is applicable to supervision of field training.

508.5 FTO SELECTION, TRAINING, AND RESPONSIBILITIES

508.5.1 SELECTION PROCESS

The selection of an FTO will be at the discretion of the Chief Probation Officer or the authorized designee. Selection should be based on the officer's:

- (a) Desire to be an FTO.
- (b) Experience, which should include a minimum of four years of field supervision, two of which shall be with this department.
- (c) Demonstrated ability as a positive role model.
- (d) Successful completion of an internal oral interview process.
- (e) Evaluation by supervisors and current FTOs.
- (f) Possession of, or ability to obtain, approved certification.

An FTO must remain in good standing and may be relieved from FTO duties due to discipline, inappropriate conduct, or poor performance.

Field Training

508.5.2 RESPONSIBILITIES

The responsibilities of the FTO include but are not limited to:

- (a) Issuing trainee field training materials to the assigned trainee in accordance with the Training Policy.
 - 1. The FTO should ensure that the trainee has the opportunity to become knowledgeable of the subject matter and proficient with the skills as set forth in the training materials.
 - 2. The FTO shall sign off on all completed topics contained in the training materials, noting the methods of learning and evaluating the performance of the assigned trainee.
- (b) Completing and reviewing daily performance evaluations with the trainee.
- (c) Completing and submitting a written evaluation on the performance of the assigned trainee to the FTO coordinator on a daily basis.

- (f) Providing the shift supervisor with a verbal synopsis of the trainee's activities at the end of each day or during any unusual occurrence needing guidance or clarification.

Portable Audio/Video Recorders

509.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand-held, or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Inyo County Probation Department facility, authorized undercover operations, wiretaps, or eavesdropping (concealed listening devices).

509.2 POLICY

The Inyo County Probation Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

509.3 COORDINATOR

The Chief Probation Officer or the authorized designee should designate a coordinator responsible for (Penal Code § 832.18):

- (a) Establishing a system for downloading, storing, and security of recordings.
- (b) Designating persons responsible for downloading recorded data.
- (c) Establishing a maintenance system to ensure availability of operable portable audio/video recording devices.
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured.
- (e) Establishing a system to prevent tampering, deleting, and copying of recordings, and ensure chain of custody integrity.
- (f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
- (g) Maintaining logs of access and deletions of recordings.

509.4 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

509.5 MEMBER RESPONSIBILITIES

If equipped and approved for the use of recording devices, prior to going into service, each uniformed member will be responsible for making sure the member is equipped with a portable

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Portable Audio/Video Recorders

recorder issued by the Department and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to a supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a recorder, the assigned member shall record the member's name, Inyo County Probation Department identification number, and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

509.5.1 SUPERVISOR RESPONSIBILITIES

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death, or other serious incident and ensure the data is downloaded (Penal Code § 832.18).

509.6 ACTIVATION OF THE AUDIO/VIDEO RECORDER

This policy is not intended to describe every possible situation in which the recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The recorder should be activated in any of the following situations:

- (a) All field supervision and investigative contacts, including stops and field interview situations
- (b) Self-initiated activity in which an officer would normally notify a dispatcher
- (c) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Portable Audio/Video Recorders

criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize the member's safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

509.6.1 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes the member's direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity, such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious adviser, or physician unless there is explicit consent from all parties to the conversation (Penal Code § 636).

509.6.2 SURREPTITIOUS USE OF THE AUDIO/VIDEO RECORDER

California law prohibits any individual from surreptitiously recording any conversation in which any party to the conversation has a reasonable belief that the conversation is private or confidential. However, California law exempts officers from this prohibition during the course of a criminal investigation under the direction of the prosecuting attorney or investigating member of the local law enforcement agency as set forth in Penal Code § 633. Nothing in this section is intended to interfere with an officer's right to openly record any interrogation.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief Probation Officer or the authorized designee.

509.6.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

509.7 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in an official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Chief Probation Officer. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including

Inyo County Probation Department

Inyo County Probation Department Policy Manual

retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment, or ridicule.

509.8 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag, or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag, or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil, or administrative matters.
- (b) A complainant, victim, or witness has requested nondisclosure.
- (c) A complainant, victim, or witness has not requested nondisclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

509.9 RETENTION OF RECORDINGS

Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):

- (a) Incidents involving use of force by an officer
- (b) Officer-involved shootings
- (c) Incidents that lead to the detention or arrest of an individual
- (d) Recordings relevant to a formal or informal complaint against an officer or the Inyo County Probation Department

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

Portable Audio/Video Recorders

509.9.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

509.10 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource. (See the Officer-Involved Shootings and Deaths Policy for guidance in those cases.) However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing a member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation, or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief Probation Officer or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Administrative Analyst prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

Public Recording of Probation Officer Activity

510.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record probation officer actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

510.2 POLICY

The Inyo County Probation Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully by local law enforcement having jurisdiction.

Officers should exercise restraint and should not resort to seeking highly discretionary arrests for offenses such as interference, failure to comply, or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

510.3 RECORDING PROBATION OFFICER ACTIVITY

Members of the public who wish to record probation officer activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with probation officer activity. Examples of interference include but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the officers.
 - 4. Being so close to the activity as to interfere with an officer's effective communication with a client or other individual.
- (c) The individual may not present an undue safety risk to self, to the officer, or to others.

510.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing individuals to clear the area, an officer could advise individuals they may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with probation officer activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

510.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practicable, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure, or other actions are constitutional and consistent with this policy and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

510.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

Medical Aid and Response

511.1 PURPOSE AND SCOPE

This policy recognizes that members may encounter persons in need of medical aid and establishes an appropriate response to such situations.

511.2 POLICY

It is the policy of the Inyo County Probation Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

511.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the [Inyo County Blood Borne Pathogen Exposure Control Plan](#). Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Medical Aid and Response

511.4 TRANSPORTING ILL AND INJURED PERSONS

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes, or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

511.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive medical care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, the officer should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

511.5.1 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Inyo County Probation Department

Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

511.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies.

511.7 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100026.01; 22 CCR 100027.01; 22 CCR 100027.02).

511.7.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Deputy Chief who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should, as soon as possible, request response by EMS.

511.7.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

511.7.3 AED TRAINING AND MAINTENANCE

The Deputy Chief should ensure appropriate training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency or EMS authority upon request (22 CCR 100027.05; 22 CCR 100027.06; 22 CCR 100028.07).

The Deputy Chief is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100027.05).

511.8 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Members may administer opioid overdose medication in accordance with protocol specified by the licensed health care provider who prescribed the overdose medication for use by the member and (Civil Code § 1714.22; 22 CCR 100027.03):

- (a) When trained and tested to demonstrate competence following initial instruction.
- (b) When authorized by the medical director of the Local Emergency Management Service Agency.

Training should be coordinated with the local health department and comply with applicable standards.

511.8.4 STORAGE OF OPIOID OVERDOSE MEDICATION

Members who are issued opioid overdose medication are authorized to store the medication in a desk drawer when not in use.

511.9 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Chief Probation Officer may authorize the acquisition of epinephrine auto-injectors for use by members as provided by Health and Safety Code § 1797.197a. The Deputy Chief shall create and maintain an operations plan for the storage, maintenance, use, and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100027.03).

511.9.1 EPINEPHRINE USER RESPONSIBILITIES

Members should handle, store, and administer epinephrine auto-injectors consistent with their training and the department operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the Department Operations Plan.

Any member who administers an epinephrine auto-injector medication should request response by EMS as soon as possible (Health and Safety Code § 1797.197a(b)).

Suspicious Activity Reporting

512.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

512.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

512.2 POLICY

The Inyo County Probation Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain, and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

512.3 RESPONSIBILITIES

The Chief Probation Officer should appoint authorized designees to manage SAR activities. Authorized designees should include supervisors responsible for department participation in criminal intelligence systems as outlined in the Protected Information Policy.

The responsibilities of the Department include but are not limited to:

- (a) Remaining familiar with those databases available to the department that would facilitate the purpose of this policy.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative, or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with local law enforcement, any other appropriate agency, or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage community members to report suspicious activity and outlines what they should look for and how they should report it (e.g., website, public service announcements).

512.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about the involved parties and the circumstances of the incident. If during any investigation an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross-reference. A SAR should be processed as any other incident report.

512.5 HANDLING INFORMATION

The Administrative Analyst will forward copies of SARs, in a timely manner, to:

- The Chief Probation Officer or authorized designee.
- Any supervising officer.
- Local law enforcement.
- Other authorized designees.

Task Force

513.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when participating in task force (TF) operations.

513.2 POLICY

It is the policy of the Inyo County Probation Department to improve public safety and reduce violent crime through proactive collaboration with law enforcement task forces.

513.3 AGENCY INVOLVEMENT

Participation in TF operations provides access to multi-jurisdictional resources for apprehending clients who have absconded from supervision or who have otherwise violated the law and/or supervision conditions.

Department participation in TF operations is subject to the approval of the Chief Probation Officer or the authorized designee.

513.3.1 REQUESTS FOR AGENCY INVOLVEMENT

Initial requests for participation in a TF or TF operation should be routed to the Chief Probation Officer for approval. In some instances, a memorandum of understanding (MOU) or other established protocol may exist that eliminates the need for approval of individual requests.

513.3.2 OFFICER OPERATIONAL ACTIVITY

Officers involved in TF operations should confirm the existence of, time period of coverage, and prior Chief Probation Officer approval for any MOU or established protocol prior to engaging in TF operational activity.

When engaged in TF operational activity or when rendering assistance pursuant to a TF agreement, officers must conform to applicable laws and the policies of this department unless previously approved by the Chief Probation Officer.

Requests for emergency assistance unrelated to TF operations and enforcement action taken outside the jurisdiction of the department unrelated to TF operations are governed by the Outside Agency Assistance and Probation Authority policies.

513.4 TEMPORARY DETENTION AND TRANSPORT

TF operation arrestees should only be temporarily detained and/or transported by this department pursuant to the Transporting Persons in Custody Policy unless previously approved by the Chief Probation Officer.

513.5 REPORTING REQUIREMENTS

Original reports of investigations, evidence seized, and other materials generated or collected by the TF operation should be retained by the agency responsible for the case. However, evidence may be turned over to other law enforcement agencies as appropriate pursuant to the Property

Task Force

Policy. Copies of investigative reports and other materials may be provided to other agencies in accordance with applicable laws, TF rules, and Records Maintenance and Release Policy.

513.6 MANDATORY SHARING AND TRAINING

When equipment and/or supplies maintained by the department have been purchased with federal funds or grants and are subject to agency sharing requirements, the Chief Probation Officer or authorized designee should regularly document:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
 - 1. The use of the equipment and supplies.
 - 2. The members trained in the use of the equipment and supplies.
- (c) Any other requirements in the use of the equipment and supplies.

Copies of this documentation should be maintained by the Chief Probation Officer or authorized designee.

The Deputy Chief should maintain documentation that the appropriate members have received the required training.

513.7 NEWS MEDIA

Media inquiries should be referred to the Task Force Coordinator of the agency responsible for coordinating the activities of the TF.

Operations Planning and Deconfliction

514.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction, and execution of high-risk operations.

514.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

514.2 POLICY

It is the policy of the Inyo County Probation Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations, and prevent duplicating efforts.

514.3 OPERATIONS DIRECTOR

The Chief Probation Officer will designate a member of this department to be the Operations Director.

The Operations Director will develop and maintain a risk assessment form to assess, plan, and coordinate operations. This form should provide a process to identify high-risk operations.

The Operations Director will review risk assessment forms with involved supervisors to determine whether an incident qualifies as a high-risk operation. The Operations Director will also have the responsibility for coordinating operations that are categorized as high risk.

514.4 RISK ASSESSMENT

514.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject or others who may be present at the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases, and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes but is not limited to:

- (a) Photographs, including aerial photographs, of the involved location, neighboring yards, and obstacles.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Operations Planning and Deconfliction

- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against law enforcement, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals, or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest).

514.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants, affidavits and arrest warrants) to their supervisor and the Operations Director.

The Deputy Chief or supervisor shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

514.4.3 HIGH-RISK OPERATIONS

The Deputy Chief, after consultation with the involved supervisor, determines that the operation is high risk, the Operations Director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
 - 1. Special Enforcement Detail (SED)
 - 2. Additional personnel
 - 3. Outside agency assistance, including local law enforcement
 - 4. Special equipment
 - 5. Medical personnel
 - 6. Persons trained in negotiation
 - 7. Additional surveillance
 - 8. Canines
 - 9. Specialized mapping for larger or complex locations

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Operations Planning and Deconfliction

- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
- (c) Ensure that all legal documents such as search warrants or supervision conditions are complete and have any modifications reasonably necessary to support the operation.
- (d) Coordinate the actual operation.

514.5 OPERATIONS PLAN

The Deputy Chief should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives, and strategies.
- (b) Operation location and people:
 - 1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history).
 - 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals, or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams, and other visual aids.
 - 3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
 - 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties, and children.
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
 - 1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
 - 1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate probation operation.
 - 2. How all participants will be identified as probation.
- (e) Identification of all communications channels and call-signs.
- (f) Use of force issues.

Inyo County Probation Department

Operations Planning and Deconfliction

- (g) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (h) Plans for detaining people who are not under arrest.
- (i) Contingencies for handling children, dependent adults, animals, and other people who might be at the location in accordance with the Mandatory Reporting and Child and Dependent Adult Safety policies.
- (j) Communications plan.
- (k) Responsibilities for writing, collecting, reviewing, and approving reports.

514.5.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

514.6 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities, and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The Operations Director shall ensure that all participants are visually identifiable as probation officers.
 - 1. Exceptions may be made by the Operations Director for officers who are conducting surveillance or working undercover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the Operations Director to ensure that ICSO Dispatch is notified of the time and location of the operation, and to provide a copy of the operations plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by ICSO Dispatch, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operations plan.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Operations Planning and Deconfliction

3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

514.7 SED PARTICIPATION

If the Operations Director determines that SED participation is appropriate, the director and the SED supervisor shall work together to develop a written plan. The SED supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the SED supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

514.8 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief Probation Officer. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

514.9 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any SED debriefing.

514.10 TRAINING

The Deputy Chief should ensure officers and SED team members who participate in operations subject to this policy receive periodic training, including but not limited to topics such as legal issues, deconfliction practices, operations planning concepts, and reporting requirements.

515.3 CHIEF PROBATION OFFICER RESPONSIBILITIES

The Chief Probation Officer or authorized designee is responsible for reviewing the safety and restraint systems for all vehicles used to transport persons in custody. The review shall ensure the restraint systems comply with the law and shall determine whether they reasonably meet the needs of the Department. Safety systems should allow for transporting members to be in constant and reasonably clear audio contact with each person being transported.

The Chief Probation Officer or authorized designee should establish related procedures for safely transporting persons in custody who have their legs restrained in some manner other than leg shackles.

515.4 TRANSPORTING MEMBER RESPONSIBILITIES

- (e) A verbal welfare check is made with a person in custody every 10 minutes or less.
- (f) Transport is accomplished in a direct and timely manner.
- (g) The same consideration is shown to a person in custody as would be reasonably shown to any other passenger during transport (e.g., avoiding loud or objectionable music, rough rides, excessive heat or cold).
- (h) Persons suspected of having a communicable disease are transported in compliance with the exposure control plan.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

 - 3. Persons who are a suspected suicide risk.
 - 4. Persons who are ill or injured.

515.5 PROHIBITIONS

Chapter 6 - Equipment

Department-Owned and Personal Property

600.1 PURPOSE AND SCOPE

This policy addresses the care of department-owned property and the role of the Department when personal property, the property of another person or entity, or department-owned property is damaged or lost.

600.2 POLICY

The Inyo County Probation Department will ensure that members are issued appropriate property and equipment necessary for the member's job function. The Department will take steps to minimize the cost associated with maintaining department property, including personal property authorized for use in the member's duties.

600.3 DEPARTMENT-ISSUED PROPERTY

The Chief Probation Officer or the designee should document all property and equipment issued by the Department in the appropriate file at the time of issuance. Receipt of issued items shall be acknowledged by the receiving member's signature. Upon separation from the Department, all issued property and equipment shall be returned. Documentation of the return shall be acknowledged by the signature of a supervisor.

600.3.1 MEMBER RESPONSIBILITIES

Members shall be responsible for the safekeeping, serviceable condition, proper care, proper use, and replacement of department property that has been assigned or entrusted to them.

- (a) Members shall promptly report, through their chain of command, any loss, damage to, or unserviceable condition of any department-issued property or equipment.
- (b) The use of damaged or unserviceable property should be discontinued as soon as practicable, and the item replaced with a comparable item as soon as available.
- (c) Except when otherwise directed by a supervisor or when exigent circumstances exist, department-issued property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Department-issued property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without prior approval.
- (e) Members should obtain a supervisor's approval before any attempt to repair damaged or unserviceable property, unless the repair is of a minor or temporary nature.

600.4 PERSONAL PROPERTY

Carrying and/or using personal property or equipment on-duty requires prior written approval by the Chief Probation Officer or appropriate Deputy Chief. The member should submit a request that includes a description of the property and the reason and length of time it will be used. Personal property of the type routinely carried by persons who are not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Department-Owned and Personal Property

The Department will not replace or repair items (e.g., jewelry, expensive watches) that are not reasonably required as part of work.

600.4.1 FILING CLAIMS FOR PERSONAL PROPERTY

A member requesting reimbursement for damage to, or loss of, personal property must submit the request in writing to the member's immediate supervisor. The supervisor may require a separate written report.

Upon review by the Deputy Chief and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief Probation Officer, who will then forward the claim to the County department responsible for issuing payments.

600.5 SUPERVISOR RESPONSIBILITIES

The supervisor receiving a report that property, including personal property authorized for use, has been damaged should conduct an investigation and direct a memo to the appropriate Deputy Chief. The memo should include the result of the investigation and whether reasonable care was taken to prevent the loss, damage, or unserviceable condition.

Cases where the supervisor has reason to believe that misconduct or negligence was involved in the loss, damage, or unserviceable condition of property should be handled in accordance with the Standards of Conduct and Personnel Complaints policies.

600.6 DAMAGE TO PROPERTY OF ANOTHER PERSON OR ENTITY

A member who intentionally or unintentionally damages or causes to be damaged the real or personal property of another person or entity while performing any probation function shall promptly report the damage through the chain of command.

600.6.1 DAMAGE BY PERSONNEL OF ANOTHER AGENCY

Personnel from another agency may intentionally or unintentionally cause damage to the real or personal property of the Inyo County Probation Department or of another person while performing their duties within the jurisdiction of this department. The department member present or the member responsible for the property is responsible to report the damage as follows:

- (a) A verbal report shall be made to the member's immediate supervisor as soon as circumstances permit.
- (b) A written report shall be submitted before the member goes off-duty or as otherwise directed by the supervisor.

Personal Communication Devices

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

601.2 POLICY

The Inyo County Probation Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under the California Public Records Act (CPRA) (Government Code § 7920.000 et seq.).

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

601.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for department-related business or when the use reasonably implicates work-related misconduct.

601.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed, or used by any member as directed by a

Inyo County Probation Department

Personal Communication Devices

supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with the California Electronic Communications Privacy Act (Penal Code § 1546; Penal Code § 1546.1).

601.4 DEPARTMENT/AGENCY-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief Probation Officer or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief Probation Officer or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

601.5 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recorded media unless it is directly related to official department business. Disclosure of any such information to any third party through any means requires the express authorization of the Chief Probation Officer or the authorized designee.
- (f) Members will not access social networking sites for any purpose that is not official department business. This restriction does not apply to a personally owned PCD used during authorized break times.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Personal Communication Devices

- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

601.6 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief Probation Officer or the authorized designee.

601.7 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while using PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

601.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. Hands-free use should be restricted to business-related calls or calls of an urgent nature (Vehicle Code § 23123; Vehicle Code § 23123.5).

Vehicle Use, Safety, and Maintenance

602.1 PURPOSE AND SCOPE

The Department uses department-owned motor vehicles for a variety of applications. To maintain a system of accountability and ensure that department-owned vehicles are used and maintained appropriately, regulations relating to the use and maintenance of these vehicles have been established. The term department-owned as used in this section also refers to any vehicle leased or rented by the Department.

602.2 POLICY

It is the policy of this department to maintain and operate the vehicles assigned to this facility in a lawful and safe manner. The Inyo County Probation Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments, and other considerations. The department will provide service for department vehicles to ensure they remain operational and maintain their appearance, as resources allow.

602.3 USE OF DEPARTMENT VEHICLES

Only authorized members should operate department-owned vehicles. Members who operate department-owned vehicles must comply with all applicable state laws and must possess a valid driver's license endorsed for the type of vehicle operated.

Additionally, members are responsible for helping maintain department vehicles so they are properly equipped, maintained, refueled, and cleaned.

A list of members authorized to drive department-owned vehicles shall be maintained by the department supervisor in charge of vehicle maintenance. The list shall be updated monthly to ensure that only qualified personnel with a current and appropriately endorsed driver's license are on the list.

602.3.1 VEHICLE LOCATION SYSTEM

At the discretion of the Chief Probation Officer, vehicles may be equipped with a system to track the vehicle's location. While the system may provide vehicle location and other information, staff members are not relieved of their responsibility to use required communication practices to report their location and status.

Staff members shall not make any unauthorized modifications to the vehicle location system. When staff members check out a vehicle, they shall verify that the system is on and report any malfunctions to their supervisor. If the staff member finds that the system is not functioning properly at any time during a shift, the staff member should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors. However, access to historical data by individuals other than supervisors will require supervisor approval.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Vehicle Use, Safety, and Maintenance

All data captured by the system shall be retained in accordance with the established records retention schedule.

602.3.2 KEYS

Members approved to operate a marked vehicle should be issued a copy of the keys as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of keys shall be promptly reported in writing through the member's chain of command.

Under no circumstances will clients be allowed to operate a vehicle or possess any vehicle keys.

602.3.3 AUTHORIZED PASSENGERS

Members operating department vehicles shall not permit persons other than County personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Alongs Policy.

602.3.4 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

602.3.5 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle. Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

602.3.6 ACCESSORIES AND/OR MODIFICATIONS

There shall be no modifications, additions, or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

602.3.7 MEMBER USE

Members using department-owned vehicles shall ensure that all weapons have been removed from a vehicle before going into service.

602.3.8 VEHICLE CLEANLINESS

Members who utilize vehicles are responsible for removing all personal items and trash at the conclusion of use. The Department is not responsible for damaged or missing personal items that arises out of a members failure to remove that item from the vehicle at the conclusion of use.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Vehicle Use, Safety, and Maintenance

602.3.9 FUELING

Members are responsible for refueling vehicles at the conclusion of use if the vehicle is at less than half of its fuel capacity. Marked and caged vehicles should always be refueled at the conclusion of use.

602.3.10 MILEAGE LOGS

Members shall complete vehicle mileage logs at the beginning and conclusion of vehicle use.

602.4 VEHICLE SECURITY

Department vehicles will be locked, and the keys will be secured when not in use. No keys should be left in the vehicle except when it is necessary to keep the vehicle running (e.g., equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members will make every effort to ensure that department vehicles are parked in a secure location. Members shall ensure all weapons and control devices are secured while a vehicle is unattended.

602.4.1 REMOVAL OF WEAPONS

All firearms, weapons, and control devices shall be removed from a vehicle and properly secured in the department armory or designated storage area before releasing the vehicle for maintenance, service, or repair.

602.5 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department-owned vehicles may be assigned to individual members at the discretion of the Chief Probation Officer or the authorized designee. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform the member's regular assignment.

602.5.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description, essential functions, and employment or appointment status. Vehicles may be reassigned or used by other department members at the discretion of the Chief Probation Officer or the authorized designee.

602.5.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where members must use department-owned vehicles to commute to and from a work assignment. Members may take home department-owned vehicles only with prior approval of a supervisor and shall meet the following criteria:

- (a) The circumstances are unplanned and were created by the needs of the Department.
- (b) Other reasonable transportation options are not available.

Inyo County Probation Department

- (d) Off-street parking will be available at the member's residence.
- (e) The vehicle will be locked when not attended.
- (f) All firearms, weapons, and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

602.5.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence; the nature of the member's duties, job description, and essential functions; and the member's employment or appointment status. Residence in County is a prime consideration for assignment of a take-home vehicle. Members who reside outside the County may be required to secure the vehicle at a designated location or at the Department at the discretion of the Chief Probation Officer or the authorized designee.

Department members shall sign a take-home vehicle agreement that outlines certain standards, including but not limited to how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities, and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a County vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or personal transportation, unless special circumstances exist and the Chief Probation Officer or the authorized designee gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.
- (c) Vehicles will not be used when off-duty except:
 - 1. In circumstances when a member has been placed on-call by the Chief Probation Officer or the authorized designee and there is a high probability that the member will be called back to duty.
 - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.
 - 3. When the member has received permission from the Chief Probation Officer or the authorized designee.
 - 4. When the vehicle is being used by the Chief Probation Officer or the authorized designee or members who are in on-call administrative positions.

- (f) Unattended vehicles are to be locked and secured at all times.
 - 1. All department identification, portable radios, and equipment should be secured.
- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Chief Probation Officer or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and control devices shall be removed and properly secured in the member's residence (see the Firearms Policy regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the Department, when a member will be away (e.g., on vacation) for periods exceeding one week.
 - 1. If the vehicle remains at the member's residence, the Department shall have access to the vehicle.
 - 2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.
- (i) The member is responsible for the care and maintenance of the vehicle.

602.6 USE OF PERSONAL VEHICLES

The Chief Probation Officer or the authorized designee must approve use of personal vehicles for official business.

The Chief Probation Officer or the authorized designee shall verify that the personal vehicle meets the state's insurance requirements. A copy of the insurance card shall be retained in the vehicle and in a department file. All policies and procedures applicable to department vehicles shall apply to the personal vehicle while it is being used for official business.

602.7 VEHICLE MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall inspect their assigned vehicles daily for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure the assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department member in charge of vehicle maintenance.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Vehicle Use, Safety, and Maintenance

- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.
- (e) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card, explaining the service or repair, and leave it on the seat or dash.

602.7.1 VEHICLE INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any client, the transporting member shall search all areas of the vehicle that are accessible by the client before and after that person is transported.

All department-owned vehicles are subject to inspection and/or search at any time by a supervisor. No member assigned to or operating such vehicle may have any expectation of privacy regarding the vehicle or any of its contents, regardless of who owns the contents. At a minimum, supervisors shall make monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

602.7.2 VEHICLE SAFETY REPAIRS

Anyone authorized to drive department vehicles is responsible for inspecting the interior and exterior of any assigned vehicle before placing the vehicle into service and again at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented.

Vehicles that are deemed unsafe shall not be used until necessary repairs are made. The written request for repairs shall be submitted before the operator checks out a replacement vehicle. The supervisor or the authorized designee shall monitor the maintenance requests and ensure that the necessary repairs are made before the vehicle is placed back into service.

All vehicles owned, leased, or used by this department shall be inspected annually by a qualified individual. Inspection reports will be forwarded to and maintained by the supervisor or the authorized designee.

602.8 TOLL ROAD USAGE

Probation vehicles are not routinely exempt from incurring toll road charges. Members responding to or returning from an emergency call on toll roads while on-duty are exempt from paying the toll if driving an authorized emergency vehicle as provided in Vehicle Code § 23301.5.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Vehicle Use, Safety, and Maintenance

Commuting or returning to the Department after an emergency does not qualify for this exemption; members using department-owned vehicles are subject to the toll charge.

To avoid unnecessary toll road violation charges, members shall adhere to the following:

- (a) Members operating department-owned vehicles on toll roads for any reason other than responding to an emergency or urgent call shall pay the appropriate toll charge or use the appropriate tollway transponder. Members may seek reimbursement from the County for any toll fees incurred in the course of official business.
- (b) Members driving department-owned vehicles through a toll plaza while responding to an emergency or urgent call shall notify, in writing, the appropriate Deputy Chief within five working days explaining the circumstances.

602.9 ATTIRE AND APPEARANCE

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever a member is in public view or has contact with the public, the member's attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

602.10 COLLISION, DAMAGE, ABUSE, AND MISUSE

When any department-owned vehicle is involved in a traffic collision, the involved member shall promptly notify a supervisor. A traffic collision report shall be filed with the agency having jurisdiction. The member shall complete the department's vehicle collision form.

When a collision involves an department-owned vehicle or when a member of this department is an involved driver in a collision that occurs in this jurisdiction, and the collision results in serious injury or death or potentially involves any criminal charge, an outside agency should be summoned to handle the investigation. If the member is incapable of completing this department's vehicle collision form, a supervisor shall complete the form.

Any damage to a vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered. It shall be documented in memorandum format and forwarded to the appropriate Deputy Chief. An administrative investigation should be conducted to determine if there is any vehicle abuse or misuse. If it is determined that misuse or abuse was a result of negligent conduct or operation, appropriate disciplinary action may result.

Personal Protective Equipment

603.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well as the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable disease, as those issues are addressed in the Body Armor and Communicable Diseases policies.

603.1.1 DEFINITIONS

Definitions related to this policy include:

Disposable particulate mask - A class of disposable respirators approved by the Food and Drug Administration (FDA) and the National Institute for Occupational Safety and Health (NIOSH) as suitable for use where fluid or particulate resistance is a priority. Examples are N95 and N100 masks.

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical, or other workplace hazards.

Respiratory PPE - Any device worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

603.2 POLICY

The Inyo County Probation Department endeavors to protect members by supplying certain PPE as provided in this policy.

603.3 OFFICER/AGENT RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to use the procedures in the Illness and Injury Prevention Policy to recommend new or improved PPE or additional needs for PPE.

603.4 HEARING PROTECTION

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 8 CCR 5098.

Inyo County Probation Department

Personal Protective Equipment

603.5 EYE PROTECTION

Approved eye protection, including side protection, shall be used by members during firearms training, or during situations in which eye protection may be warranted (e.g., cleaning areas where bloodborne pathogens were spilled, urine sample collections with clients). Eye protection for members who wear prescription lenses shall incorporate the prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

The Rangemaster shall ensure eye protection meets or exceeds the requirements provided in 8 CCR 3382.

603.6 RESPIRATORY PROTECTION

The Chief Probation Officer or the authorized designee is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (8 CCR 5144):

- (a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
- (b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
- (c) Medical evaluations.
- (d) PPE inventory control.
- (e) PPE issuance and replacement.
- (f) Cleaning, disinfecting, storing, inspecting, repairing, discarding, and otherwise maintaining respiratory PPE, including schedules for these activities.
- (g) Regularly reviewing the PPE plan.
- (h) Remaining current with NIOSH, American National Standards Institute (ANSI), Occupational Safety and Health Administration (OSHA), Environmental Protective Agency (EPA), and state PPE standards and guidelines.

603.6.1 RESPIRATORY PROTECTION USE

Disposable particulate masks should only be used to protect the member from particulate contaminants and are not suitable in an oxygen-deficient atmosphere or where an unsafe level of gases or fumes exists. See also the Communicable Diseases Policy.

Designated members may be issued respiratory PPE based on the member's assignment (e.g., narcotics task force).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Personal Protective Equipment

degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

- (a) The member's face and respirator facepiece need to be washed to prevent eye or skin irritation associated with respirator use.
- (b) The member detects vapor or gas breakthrough, a change in breathing resistance, or leakage of the facepiece.
- (c) The member needs to replace the respirator, filter, cartridge, or canister.

603.6.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators, or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke, or vapors shall use respiratory PPE.

Members using respiratory PPE shall (8 CCR 5144):

- (a) Ensure that they have no facial hair between the sealing surface of the facepiece and the face that could interfere with the seal or the valve function. Members also shall ensure that they have no other condition that will interfere with the face-to-facepiece seal or the valve function.
- (b) Not wear corrective glasses, goggles, or other PPE that interferes with the seal of the facepiece to the face, or that has not been tested for use with that respiratory equipment.
- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance, or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

603.6.3 SELF-CONTAINED BREATHING APPARATUS

Scene commanders may direct members to use SCBA when entering an atmosphere that may pose an immediate threat to life, would cause irreversible adverse health effects, or would impair an individual's ability to escape from a dangerous atmosphere. These situations may include but are not limited to:

- (a) Entering the hot zone of a hazardous materials (HAZMAT) incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
- (c) Entering a smoke- or chemical-filled area.

The use of SCBA should not cease until approved by a scene commander.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Personal Protective Equipment

603.6.4 RESPIRATOR FIT TESTING

No member shall be issued respiratory PPE until a proper fit testing has been completed by a designated member or contractor (8 CCR 5144).

After initial testing, fit testing for respiratory PPE shall be repeated (8 CCR 5144):

- (a) At least once every 12 months.
- (b) Whenever there are changes in the type of SCBA or facepiece used.
- (c) Whenever there are significant physical changes in the user (e.g., obvious change in body weight, scarring of the face seal area, dental changes, cosmetic surgery, or any other condition that may affect the fit of the facepiece seal).

All respirator fit testing shall be conducted in negative-pressure mode.

603.6.5 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE

No member shall be issued respiratory protection that forms a complete seal around the face until (8 CCR 5144):

- (a) The member has completed a medical evaluation that includes a medical evaluation questionnaire.
- (b) A physician or other licensed health care professional has reviewed the questionnaire.
- (c) The member has completed any physical examination recommended by the reviewing physician or health care professional.

603.7 RECORDS

The Deputy Chief is responsible for maintaining records of all:

- (a) PPE training.
- (b) Initial fit testing for respiratory protection equipment.
- (c) Annual fit testing.
- (d) Respiratory medical evaluation questionnaires and any subsequent physical examination.

1. These records shall be maintained in a separate confidential medical file.

The records shall be maintained in accordance with the Department records retention schedule and 8 CCR 5144.

603.8 TRAINING

Members should be trained in the respiratory and other hazards to which they may be potentially exposed during routine and emergency situations.

All members shall be trained in the proper use and maintenance of PPE issued to them, including when the use is appropriate; how to put on, remove and adjust PPE; how to care for the PPE; and the limitations (8 CCR 3380).

Members issued respiratory PPE shall attend annual training on the proper use of respiratory protection devices (8 CCR 5144).

Body Armor

604.1 PURPOSE AND SCOPE

The purpose of this policy is to provide officers with guidelines for the proper use of body armor.

604.2 POLICY

It is the policy of the Inyo County Probation Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for observing officer safety procedures.

604.3 ISSUANCE

The Deputy Chief shall ensure that body armor is issued to all officers assigned to positions requiring them to carry firearms and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

Body armor shall be issued when an officer begins service at the Inyo County Probation Department and shall be replaced when the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

The Chief Probation Officer may authorize issuing body armor to uniformed, non-sworn members whose jobs may make wearing of body armor advisable.

604.3.1 USE

Generally, the required use of body armor is subject to the following:

- (a) Members shall only wear department-approved body armor.
- (b) Members shall wear body armor any time they are in a situation where they could reasonably be expected to take enforcement action, including but not limited to when they are participating in field supervision activities.
- (c) Members shall wear body armor while taking part in department range training.
- (d) Members are not required to wear body armor when they are functioning primarily in an administrative or support capacity and would not reasonably be expected to take enforcement action.
- (e) Officers may be excused from wearing body armor when they are involved in undercover or plainclothes work that their supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.
 1. In those instances when body armor is not worn, officers should have reasonable access to their body armor.

604.3.2 INSPECTION

Supervisors should ensure through routine observation and periodic documented inspections that body armor is worn and maintained in accordance with this policy.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Body Armor

Annual inspections of body armor should be conducted by a person trained to perform the inspection for fit, cleanliness, and signs of damage, abuse, and wear.

604.3.3 CARE AND MAINTENANCE

The required care and maintenance of body armor is subject to the following criteria:

- (a) Members are responsible for inspecting their body armor for signs of damage, wear, and cleanliness at the start of each shift.
 - 1. Unserviceable body armor shall be reported to the supervisor.
- (b) Members are responsible for properly storing their body armor.
 - 1. Body armor should not be stored for an extended period in an area where environmental conditions (e.g., temperature, light, humidity) could potentially degrade its effectiveness.
- (c) Members are responsible for the care and cleaning of their body armor pursuant to the manufacturer's care instructions.
 - 1. Body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer.
 - 2. Failure to follow manufacturer's care instructions may damage the ballistic performance capabilities of the body armor. If care instructions for the body armor cannot be located, the manufacturer should be contacted to request the instructions.
- (d) Body armor should be replaced in accordance with the manufacturer's recommended replacement schedule, or when its effectiveness or functionality has been compromised.

604.4 DEPUTY CHIEF RESPONSIBILITIES

The responsibilities of the Deputy Chief include but are not limited to:

- (a) Monitoring technological advances in the body armor industry for any appropriate changes to department-approved body armor.
- (b) Assessing the level of weapons and ammunition currently utilized by the public and the suitability of approved body armor to protect against those threats.
- (c) Educating officers about the safety benefits of wearing body armor.

The member who first comes into possession of property is generally responsible for the collection, care, custody, and control of the property until it is securely stored.

Receipts should be provided to individuals when property is received or removed from them.

A supervisor should be notified when a submitting member did not follow appropriate procedures.

Members should securely store property prior to going off-duty.

700.5 SPECIAL CONSIDERATIONS

The following items require special handling and should be processed according to department procedures and as follows:

700.5.1 CONTROLLED SUBSTANCES

- (a) Controlled dangerous substances should only be handled using the appropriate type and level of personal protective equipment.
- (b) Controlled dangerous substances should only be tested, opened, or repackaged in authorized areas and only by trained members.

700.5.2 MISCELLANEOUS

The following items require special consideration and should be handled in line with current department procedures, to include the following:

- (a) Cash should be counted in the presence of another member. The cash shall be placed in a property envelope and initialed by both members. A supervisor should be contacted for cash in excess of \$1,000. The supervisor shall witness the count, initial and date the envelope. After initial submission, cash should be stored in a controlled-access safe. Cash that is not evidence or contaminated should be periodically deposited into a department bank account.

Digital evidence should be stored in a manner to prevent it from becoming demagnetized.

Explosives, fireworks, ammunition, and hazardous and flammable substances should be secured either off-site or on-site in containers appropriate for the contents. These items should be removed or destroyed as soon as it is practical and legal to do so.

Firearms shall be unloaded and packaged separately from ammunition. Members submitting firearms should package them in such a way as to provide visual confirmation that the firearm is unloaded. Knife boxes should be used to package knives.

Syringe tubes or other sharps containers should be used to package syringes, needles and other sharps.

700.6 RECORDING OF PROPERTY

Members should ensure that all documentation and tagging is completed when entering property and evidence. Property should also be recorded in the arrest/incident report and entered into the case management system. The officer receiving custody of property shall ensure a property control record for each item or group of items has been created.

The officer shall ensure that a unique property number is obtained for each item or group of items.

700.7 INSPECTION OF THE PROPERTY STORAGE AREA

The Deputy Chief shall ensure that periodic, unannounced inspections of the storage facilities are conducted to ensure adherence to appropriate policies and procedures. The Deputy Chief also shall ensure that an audit is conducted annually, or as directed by the Chief Probation Officer. Inspections and audits shall be conducted by a member of this department who is not routinely or directly connected with the property operations.

Whenever there is a change of assignment for any member with authorized access to the stored property, an inventory of all property shall be conducted by a person who is not associated with the stored property, or its function. This is to ensure that all property is accounted for and the records are correct.

Records Maintenance and Release

701.1 PURPOSE AND SCOPE

This policy establishes guidelines for the maintenance, release, and disposition of records maintained by the Department. The policy addresses responsibilities of the Administrative Analyst for the management of file access, and requests for release of information and records.

701.4 PROCESSING REQUESTS FOR RECORDS

Any department member who receives a request for any records shall route the request to the Administrative Analyst or authorized designee.

701.4.1 REQUESTS FOR PUBLIC RECORDS

The processing of requests for public records is subject to the following (Government Code § 7922.530):

- (a) The Department is not required to create records that do not exist.
- (b) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.
 - 1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions.
 - 2. If the record is an audio or video recording, a copy of the redacted audio/video recording release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.
- (c) Either the requested record or the reason for nondisclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Administrative Analyst or the authorized designee. If an extension is authorized, the Department shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.
 - 1. When the request does not reasonably describe the records sought, the Administrative Analyst shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request, including providing assistance for overcoming any practical basis for denying access to the records or information. The Administrative Analyst shall also assist in describing the information and technology and physical location in which the record exists (Government Code § 7922.600).
 - 2. If the record requested is available on the department website, the requester may be directed to the location on the website where the record is posted. If the requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Records Maintenance and Release

- (d) Upon request, a record shall be provided in an electronic format utilized by the Department. Records shall not be provided only in electronic format unless specifically requested (Government Code § 7922.570; Government Code § 7922.580).

701.4.2 DENIALS

The denial of a request for public records is subject to the following:

- (a) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure (Government Code § 7922.000; Government Code § 7922.540).
- (b) The written response to the denial shall include the names, titles, or positions of each person responsible for the denial (Government Code § 7922.540).

701.4.3 RELEASE RESTRICTIONS

Examples of release restrictions include (except where allowed by law or court order):

- (a) Client records, including client classification, disciplinary records, pre-sentence or disposition reports, supervision reports, and progress reports.
- (b) Probation reports filed with a court (Penal Code § 1203.03; Penal Code § 1203.05).

701.5 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Administrative Analyst for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Records Maintenance and Release

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the appropriate prosecutor or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

701.6 RELEASED RECORDS TO BE MARKED

Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the department name and to whom the record was released.

Each audio/video recording released should include the department name and to whom the record was released.

701.7 SECURITY BREACHES

Members who become aware that any Inyo County Probation Department system containing personal information may have been breached should notify the Administrative Analyst as soon as practicable.

The Administrative Analyst shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any department information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the Department determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system (Civil Code § 1798.29).

If a single breach requires the Department to notify more than 500 California residents, the Department shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the California Attorney General (Civil Code § 1798.29).

For the purposes of the notice requirement, personal information includes (Civil Code § 1798.29):

- (a) An individual's first name or first initial and last name in combination with any one or more of the following data elements, when either the name or the data elements are not encrypted:
 - 1. Social Security number
 - 2. Driver's license number, California identification card number, tax identification number, passport number, military identification number, or other unique identification number issued on a government document commonly used to verify the identity of a specific individual

Inyo County Probation Department

Records Maintenance and Release

3. Full account number, credit or debit card number, or any required security code, access code, or password that would permit access to an individual's financial account
 4. Medical information
 5. Health insurance information
 6. Unique biometric data
 7. Genetic data
- (b) A username or email address, in combination with a password or security question and answer that would permit access to an online account.

If the breach reasonably appears to have been made to protected information covered in the Protected Information Policy, the Administrative Analyst should promptly notify the appropriate member designated to oversee the security of protected information (see the Protected Information Policy).

701.8 SEALED RECORD ORDERS

Sealed record orders received by the Department shall be reviewed for appropriate action by the Administrative Analyst and, if appropriate, the member assigned to supervision of the client.

The Administrative Analyst shall seal such records as ordered by the court. Once a record is sealed, members shall respond to any inquiry as though the record did not exist (Penal Code § 851.8; Welfare and Institutions Code § 781; Welfare and Institutions Code § 786; Welfare and Institutions Code § 786.5).

701.8.1 SEALED JUVENILE RECORDS

The Administrative Analyst shall seal the citation, arrest records, and other records in department custody relating to a juvenile's arrest and referral and participation in a diversion or supervision program as provided by Welfare and Institutions Code § 786.5.

The Administrative Analyst should ensure that the citing or arresting law enforcement agency and the California Department of Justice (DOJ) are notified to seal any citation, arrest records, and other records required by Welfare and Institutions Code § 786.5. Within 30 days of receipt of notification from the arresting law enforcement agency that the records have been sealed, the Administrative Analyst should ensure that the involved minor receives written notification that their records have been sealed. If the records are not sealed, written notice shall inform the minor of their ability to petition the court directly to seal their arrest, citation, and other related records (Welfare and Institutions Code § 786.5).

Upon receiving a list of juvenile arrest records from the DOJ that are eligible to be sealed, the Administrative Analyst or the authorized designee shall review the records identified in the list and determine if the records are eligible to be sealed in accordance with Welfare and Institutions Code § 781.2. Within six months of receiving the list, the Administrative Analyst or the authorized

Inyo County Probation Department

Records Maintenance and Release

designee shall electronically report to the DOJ which records were sealed (Welfare and Institutions Code § 781.2).

701.9 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released pursuant to a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 7923.625).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by any officer, or depicts an incident in which the use of force by any officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 7923.625).

The Administrative Analyst should work as appropriate with the Chief Probation Officer or the Deputy Chief supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

701.9.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source. Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident. After the initial 45 days and up to one year, delayed disclosure may continue if the Department demonstrates substantial interference with the investigation. Any delayed disclosure longer than one year must be supported by clear and convincing evidence (Government Code § 7923.625).

701.9.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Administrative Analyst shall provide written notice to the requester as follows (Government Code § 7923.625):

- (a) During the initial 45 days, the Administrative Analyst shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (b) When delay is continued after the initial 45 days, the Administrative Analyst shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Administrative Analyst should work with the Chief Probation Officer in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Records Maintenance and Release

701.9.3 REDACTION

If the Administrative Analyst, in consultation with the Chief Probation Officer or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 7923.625).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Administrative Analyst shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 7923.625).

701.9.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 7923.625):

- (a) The person in the recording whose privacy is to be protected, or the authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Administrative Analyst shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 7923.625).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 7923.625).

Protected Information

702.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release, and security of protected information by members of the Inyo County Probation Department. This policy addresses the protected information used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

702.1.1 DEFINITIONS

Definitions related to this policy include:

Protected information - Any information or data collected, stored, or accessed by members of the Inyo County Probation Department and that is subject to any access or release restrictions imposed by law, regulation, order, or use agreement. This includes all information in federal, state, or local law enforcement databases that is not accessible to the public.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Administrative Analyst for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from law enforcement agencies who are assisting in an investigation or conducting a related investigation. Standards of Conduct

801.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Inyo County Probation Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions, but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

801.2 POLICY

The continued employment or appointment of every member of this department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action, consistent with the Inyo County Personnel Rules, which can be viewed at www.inyocounty.us/sites/default/files/2019-12/Personnel_Rules_2019.pdf.

801.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

801.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law, or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that conflicts with a previous lawful order, department policy, or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict will not be held accountable for disobedience of the lawful order or directive that was initially issued.

- (b) Failing to promptly and fully report any known misconduct of a member to the immediate supervisor or to document such misconduct appropriately or as required by policy.
- (c) Directing a subordinate to violate a policy or directive, acquiescing to such a violation, or exhibiting indifference to such a violation.
- (d) Exercising unequal or disparate authority toward any member for malicious or other improper purpose.

801.4 GENERAL STANDARDS

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty (see the Policy Manual Policy).

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

801.5 CAUSES FOR DISCIPLINE

The following are illustrative of causes for disciplinary action. This list is not intended to cover every possible type of misconduct and does not preclude the recommendation of disciplinary action for violation of other rules, standards, ethics, and specific action or inaction that is detrimental to efficient department service. Performance Evaluations

802.1 PURPOSE AND SCOPE

This policy provides guidelines for the Inyo County Probation Department performance evaluation system.

802.2 POLICY

The Inyo County Probation Department shall use a performance evaluation system to measure, document, and recognize work performance. The performance evaluation will serve as an objective guide for the recognition of good work and the development of a process for improvement.

The Department evaluates employees in a nondiscriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

802.3 EVALUATION PROCESS

Supervisors should meet with the employees they supervise at the beginning of the evaluation period to discuss expectations and establish performance standards. Each supervisor should discuss the tasks of the position, standards of expected performance, and the evaluation criteria with each employee.

Performance evaluations cover a specific period and should be based on documented performance dimensions that are applicable to the duties and authorities granted to the employee during that period. Evaluations should be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period may be consulted by the evaluating supervisor for input.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise and to acknowledge good work. Periodic discussions with the employee during the course of the evaluation period are encouraged. Supervisors should document all discussions in the prescribed manner.

Non-probationary employees demonstrating substandard performance shall be notified in writing as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days' written notice prior to the end of the evaluation period.

802.4 EVALUATION FREQUENCY

Supervisors shall ensure that all employees they supervise are evaluated at least once every year on the anniversary of the employee's date of appointment or hire.

Inyo County Probation Department

Performance Evaluations

Those employees who are required to successfully complete a probationary period may be evaluated monthly.

802.5 EVALUATION INTERVIEW

When the supervisor has completed the employee's evaluation, a private discussion of the evaluation should be scheduled with the employee. The supervisor should discuss the evaluation ratings and respond to any questions the employee may have. The supervisor should provide relevant counseling regarding advancement, specialty positions, and training opportunities. Any performance areas in need of improvement and goals for reaching the expected level of performance should be identified and discussed. If the employee has reasonable objections to any of the ratings, the supervisor may make appropriate adjustments to the evaluation. The reason for such adjustments shall be documented.

802.6 CHAIN OF REVIEW

The signed performance evaluation and any employee attachment should be forwarded to the Chief Probation Officer. The Chief Probation Officer shall review the evaluation for fairness, impartiality, uniformity, and consistency, and shall consider any written response or appeal made by the employee.

802.7 RETENTION AND DISTRIBUTION

The original performance evaluation and any original correspondence related to an appeal shall be maintained by the Department in accordance with the Inyo County Personnel Rules.

A copy of the evaluation and any documentation of a related appeal shall be provided to the employee and also forwarded to Inyo County Personnel.

804.2 POLICY

It is the policy of the Inyo County Probation Department that the filing of grievances shall be consistent with the Inyo County Personnel Rules, Article XIII, and any provision of an MOU with the Inyo County Employees Association and the Inyo County Probation Peace Officers Association.

Anti-Retaliation

805.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement, or any inappropriate conduct or practices, including violations that may threaten the health, safety, or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines should supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member under any federal law, provision of the U.S. Constitution, state and local law, ordinance, or collective bargaining agreement or memorandum of understanding.

805.2 POLICY

The Inyo County Probation Department has zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in reporting or investigating workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

805.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory, or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- (a) Refusing to hire or denying a promotion.
- (b) Extending the probationary period.
- (c) Unjustified reassignment of duties or change of work schedule.
- (d) Real or implied threats or other forms of intimidation to dissuade reporting wrongdoing or filing a complaint, or as a consequence of having reported or participated in protected activity.
- (e) Taking unwarranted disciplinary action.
- (f) Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- (g) Shunning or unreasonably avoiding a person because the person has engaged in protected activity.

Anti-Retaliation

805.3.1 RETALIATION PROHIBITED FOR REPORTING VIOLATIONS

An officer shall not be retaliated against for reporting a suspected violation of a law or regulation of another officer to a supervisor or other person in the Inyo County Probation Department who has the authority to investigate the violation (Government Code § 7286(b)).

805.4 COMPLAINTS OF RETALIATION

Any member who feels the member has been retaliated against in violation of this policy should promptly report the matter to any supervisor, any command staff member, the Chief Probation Officer or the County Personnel Department.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false or with willful or reckless disregard for the truth or falsity of the information, or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member are part of the investigative process.

805.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include but are not limited to:

- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.

- (e) Taking appropriate and reasonable steps to mitigate any further violations of this policy.
- (f) Monitoring the work environment to ensure that any member making a complaint is not subjected to further retaliation.
- (g) Following up with the complainant periodically to ensure that retaliation is not continuing.

Inyo County Probation Department

Anti-Retaliation

- (h) Not interfering with or denying the right of a member to make any complaint.
- (i) Taking reasonable steps to accommodate requests for assignment or schedule changes made by a member who may be the target of retaliation if it would likely mitigate the potential for further violations of this policy.

805.6 COMMAND STAFF RESPONSIBILITIES

The Chief Probation Officer should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.
- (d) The timely communication of the outcome to the complainant.

805.7 WHISTLEBLOWING

California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

- (a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member's supervisor or any other member with the authority to investigate the reported violation.
- (b) Provide information or testify before a public body if the member has reasonable cause to believe a violation of law has occurred.
- (c) Refuse to participate in an activity that would result in a violation of a state or federal statute or regulation.
- (d) File a complaint with a local agency about gross mismanagement or a significant waste of funds, abuse of authority, or a substantial and specific danger to public health or safety. Members shall exhaust all available administrative remedies before filing a formal complaint.
- (e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Deputy Chief for investigation pursuant to the Personnel Complaints Policy.

805.7.1 DISPLAY OF WHISTLEBLOWER LAWS

The Inyo County Probation Department shall display a notice to members regarding their rights and responsibilities under the whistleblower laws, including the whistleblower hotline maintained by the Office of the Attorney General (Labor Code § 1102.8).

805.8 RECORDS RETENTION AND RELEASE

The Administrative Analyst shall ensure that documentation of investigations is maintained in accordance with the established records retention schedules.

805.9 TRAINING

This policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Arrests, Convictions, and Court Orders

806.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that employees must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Inyo County Probation Department.

This policy will also describe the notification requirements and procedures that certain retired officers must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

806.2 POLICY

The Inyo County Probation Department requires disclosure of employee arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Inyo County Probation Department.

806.3 DOMESTIC VIOLENCE CONVICTIONS AND COURT ORDERS

California and federal law prohibits individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing firearms. Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All employees and retired officers with identification cards issued by the department are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

806.4 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Any person convicted of a felony is prohibited from being a peace officer. The prohibition applies whether guilt was established by way of a verdict, or a guilty or nolo contendere plea (Government Code § 1029).

Convictions of certain violations of the Vehicle Code and other provisions of law (e.g., driver's license suspension or revocation) may also place restrictions on an employee's ability to fully perform the duties of the job.

Outstanding warrants also place restrictions on the ability of an officer to possess a firearm or remain a peace officer (Government Code § 1029; Penal Code § 29805).

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by employees inherently conflicts with their duties and the public trust.

Reporting of Arrests, Convictions, and Court Orders

806.5 REPORTING PROCEDURE

All employees and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief Probation Officer in the case of retired officers) in writing of any past or current criminal detention, arrest, charge, outstanding warrant, or conviction, regardless of whether the matter was dropped or rejected, is pending, or is on appeal, and regardless of the penalty or sentence, if any.

All employees and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief Probation Officer in the case of retired officers) in writing if they become the subject of a domestic violence-related order or similar court order or become the subject of an outstanding warrant.

Any employee whose criminal arrest, conviction, or court order restricts or prohibits that employee from fully and properly performing duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the employee, on the employee's own time and expense.

Any employee failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

Retired officers may have their identification cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

Drug- and Alcohol-Free Workplace

807.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

807.2 POLICY

It is the policy of the Inyo County Probation Department to provide a drug- and alcohol-free workplace for all members.

807.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Deputy Chief or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

807.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor before beginning any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair the member's abilities, without a written release from the member's physician.

807.3.2 MEDICAL CANNABIS

Possession, use, or being under the influence of medical cannabis on-duty is prohibited and may lead to disciplinary action.

807.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing, or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

807.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Personnel Department, their insurance providers, or the employee assistance program for more information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

807.6 WORK RESTRICTIONS

If a member informs a supervisor that the member has consumed any alcohol, drug, or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from the member's physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that the member is safely transported away from the Department.

807.7 SCREENING TESTS

A supervisor may require an employee to submit to a screening test under any of the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing the employee's ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm in the performance of duties (excluding training or authorized euthanasia of an animal).
- (c) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.
- (d) The employee drives a motor vehicle in the performance of duties and becomes involved in an incident that results in bodily injury, death, or substantial damage to property.

807.7.1 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing that:

- (a) The test will be given to detect either alcohol or drugs, or both.

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Drug- and Alcohol-Free Workplace

- (b) The result of the test is not admissible in any criminal proceeding against the employee.
- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

807.7.2 DISCIPLINE

An employee may be subject to disciplinary action if the employee:

- (a) Fails or refuses to submit to a screening test.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof within 72 hours after being requested that the employee took the controlled substance as directed, pursuant to a current and lawful prescription issued in the employee's name.

807.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

807.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave

808.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the County personnel manual or applicable collective bargaining agreement or memorandum of understanding.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (Government Code § 12945.2; Government Code § 12945.8; Labor Code § 1510).

808.2 POLICY

It is the policy of the Inyo County Probation Department to provide eligible employees with a sick-leave benefit consistent with the Inyo County Personnel Rules and any applicable MOU with the Inyo County Probation Peace Officers Association and Inyo County Employees Association.

808.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick-leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity, or other activity that may impede recovery from the injury or illness (see the Outside Employment and Outside Overtime Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

808.4 NOTIFICATION

All members should notify the Deputy Chief or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If a member is unable to contact the supervisor due to an emergency, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever practicable, provide the Department with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

808.5 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

 - 2. Negatively affected department operations.

- (e) Referring eligible members to an available employee assistance program when appropriate.

- (b) Date and time of the incident
- (c) Location of the incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident

Inyo County Probation Department

Communicable Diseases

- (h) Actions taken post-event (e.g., cleanup, notifications)

The supervisor or designated administrator shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor or designated administrator should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting and Illness and Injury Prevention policies).

809.5.3 MEDICAL CONSULTATION, EVALUATION, AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating health care professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials that require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

809.5.4 COUNSELING

The Department shall provide the member, and the member's family if necessary, the opportunity for counseling and consultation regarding the exposure.

809.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

Inyo County Probation Department
Inyo County Probation Department Policy Manual

Communicable Diseases

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if the individual refuses.

809.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

809.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193; 8 CCR 5199):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting the member's potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure, and what steps should be taken if a suspected exposure occurs.

Smoking and Tobacco Use

810.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Inyo County Probation Department facilities or vehicles.

For the purpose of this policy, smoking and tobacco use includes but is not limited to any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches, and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

810.2 POLICY

The Inyo County Probation Department recognizes that tobacco use is a health risk and that smoking and tobacco use can be offensive to others. Smoking and tobacco use also present an unprofessional image for the Department and its members. Therefore, smoking and tobacco use are prohibited in all department facilities, buildings, and vehicles, as further outlined in this policy. This prohibition applies to members and visitors.

810.3 SMOKING AND TOBACCO USE

Members should make every effort not use tobacco products while on duty and in view of the public.

It shall be the responsibility of each member to ensure that no person under the member's supervision smokes or uses any tobacco product inside County facilities and vehicles.

810.4 ADDITIONAL PROHIBITIONS

Smoking and use of other tobacco products is not permitted inside department buildings or any department vehicle, or any other county building (Labor Code § 6404.5).

No person shall smoke or use tobacco products within 20 feet of a main entrance, exit, or operable window of any public building, including any department buildings or a building on the campuses of the University of California, California State University, and California community colleges, whether present for training, enforcement, or any other purpose (Government Code § 7596 et seq.).

Personnel Complaints

811.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation, and disposition of complaints regarding the conduct of members of the Inyo County Probation Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment, or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

811.2 POLICY

The Inyo County Probation Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state, and local law, municipal and county rules, and the requirements of any collective bargaining agreements or memorandums of understanding.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

811.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or federal, state, or local law, policy, or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state, or local law, policy, or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures, or the response to specific incidents by the Department.

811.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Deputy Chief is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Deputy Chief, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Deputy Chief, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

811.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person, or by telephone.
- (b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

811.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

811.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the department facility and be accessible through the department website. Forms may also be available at other County facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

811.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs, or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of the statement at the time it is filed with the Department (Penal Code § 832.7).

811.4.3 AVAILABILITY OF WRITTEN PROCEDURES

The Department shall make available to the public a written description of the investigation procedures for complaints (Penal Code § 832.5).

811.4.4 HATE COMPLAINTS AGAINST PEACE OFFICERS

The Department shall accept and investigate internal complaints or complaints from the public that allege an officer has, in the previous seven years and since age 18, was a member of a hate

group, participated in a hate group activity, or advocated any public expression of hate (Penal Code § 13682).

811.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief Probation Officer or the authorized designee.

811.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

811.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief Probation Officer or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - 1. The original complaint form will be directed to the Deputy Chief of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Deputy Chief or the Chief Probation Officer, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
 - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Chief Probation Officer.

Inyo County Probation Department

Personnel Complaints

- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Deputy Chief and the Chief Probation Officer are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Personnel Department and the Deputy Chief for direction regarding the supervisor's role in addressing a complaint that relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Deputy Chief, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.
- (h) Investigating a complaint as follows:
 - 1. Making reasonable efforts to obtain names, addresses, and telephone numbers of witnesses.
 - 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

811.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Deputy Chief, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights (POBR) (Government Code § 3303):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If off-duty, the member shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the Inyo County Probation Department or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused member.
- (d) Prior to any interview, a member should be informed of the nature of the investigation, the name, rank, and command of the officer in charge of the investigation, the interviewing officers, and all other persons to be present during the interview.
- (e) All interviews shall be for a reasonable period, and the member's personal needs should be accommodated.
- (f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers.
- (g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Personnel Complaints

1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
 2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor's *Brady* list or because the name of the officer may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

811.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete, and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Personnel Complaints

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

811.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.8).

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful, and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - A final determination by an investigating agency, commission, board, hearing officer, or arbitrator, as applicable, following an investigation and opportunity for an administrative appeal pursuant to Government Code § 3304 and Government Code § 3304.5 that the actions of an officer were found to violate law or department policy (Penal Code § 832.8).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

811.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

811.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

811.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces, and other areas, including desks, offices, and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Personnel Complaints

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio, or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence; with the member's consent; with a valid search warrant; or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

811.7.1 DISCLOSURE OF FINANCIAL INFORMATION

An officer may be compelled to disclose personal financial information under the following circumstances (Government Code § 3308):

- (a) Pursuant to a state law or proper legal process
- (b) Information exists that tends to indicate a conflict of interest with official duties
- (c) If the officer is assigned to or being considered for a special assignment with a potential for bribes or other improper inducements

811.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief Probation Officer or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons, and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

811.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief Probation Officer shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief Probation Officer may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of the member's constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Inyo County Probation Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

Inyo County Probation Department

811.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief Probation Officer through the chain of command. Each level of command should review the report and include comments in writing before forwarding the report. The Chief Probation Officer may accept or modify any classification or recommendation for disciplinary action.

811.10.1 DEPUTY CHIEF RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Deputy Chief of the involved member shall review the entire investigative file, the member's personnel file, and any other relevant materials.

The Deputy Chief may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief Probation Officer, the Deputy Chief may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief Probation Officer, the Deputy Chief shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

811.10.2 CHIEF PROBATION OFFICER RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief Probation Officer shall review the recommendation and all accompanying materials. The Chief Probation Officer may modify any recommendation and/or may return the file to the Deputy Chief for further investigation or action.

Once the Chief Probation Officer is satisfied that no further investigation or action is required by staff, the Chief Probation Officer shall determine the amount of discipline, if any, that should be imposed. If disciplinary action is proposed, the Chief Probation Officer shall provide the member with a pre-disciplinary procedural due process hearing (*Skelly*) by providing written notices of the charges, proposed action, and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)).

The Chief Probation Officer shall also provide the member with:

- (a) Access to all the materials considered by the Chief Probation Officer in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief Probation Officer within five days of receiving the notice.
 - 1. Upon a showing of good cause by the member, the Chief Probation Officer may grant a reasonable extension of time for the member to respond.
 - 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Personnel Complaints

Once the member has completed a response, or if the member has elected to waive any such response, the Chief Probation Officer shall consider all information received regarding the recommended discipline. The Chief Probation Officer shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief Probation Officer has issued a written decision, the discipline shall become effective.

811.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief Probation Officer or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

811.10.4 NOTICE REQUIREMENTS

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

811.11 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement before the discipline is imposed, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

811.12 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, memorandum of understanding, and/or personnel rules.

In the event of punitive action against an officer covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

811.13 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Personnel Complaints

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief Probation Officer or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief Probation Officer shall be final.

811.14 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

Seat Belts

812.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

812.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and regulations set forth in 49 CFR 571.213 and Vehicle Code § 27360.

812.2 POLICY

It is the policy of the Inyo County Probation Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle accident.

812.3 WEARING SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased, or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall confirm that all other occupants, including those who are not members of the Department, are properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

812.4 TRANSPORTING CHILDREN

Child passengers younger than 8 years old shall be transported using an approved child restraint system in compliance with Vehicle Code § 27360.

Rear-seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

812.5 TRANSPORTING PERSONS IN CUSTODY

Persons in custody should be in a seated position and secured in the rear seat of any department vehicle with a transport restraint system or, when a transport restraint system is not available, by seat belts provided by the vehicle manufacturer. The transport restraint system is not intended

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Seat Belts

to be a substitute for handcuffs or other appendage restraints. See the Transporting Persons in Custody Policy.

Persons in custody in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

812.6 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated, or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief Probation Officer.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

812.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

812.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag systems, the system will not be tampered with or deactivated. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Personnel Records

813.1 PURPOSE AND SCOPE

This policy governs maintenance of and access to personnel records. Personnel records include any file maintained under an individual member's name.

813.2 POLICY

813.3 DEPARTMENT AGENCY FILE

The department file shall be maintained as a record of a person's employment/appointment with this department. The department file should contain, at a minimum:

 - 2. Disciplinary action resulting from a sustained civilian's complaint involving misconduct shall be maintained pursuant to the established records retention schedule and at least 15 years (Penal Code § 832.5).
 - 3. A civilian's complaint involving misconduct that was not sustained shall be maintained pursuant to the established records retention schedule and at least five years (Penal Code § 832.5).
- (f) Adverse comments such as supervisor notes or memos may be retained in the department file after the member has had the opportunity to read and initial the comment (Government Code § 3305).
 - 1. Once a member has had an opportunity to read and initial any adverse comment, the member shall be given the opportunity to respond in writing to the adverse comment within 30 days (Government Code § 3306).
 - 2. Any member response shall be attached to and retained with the original adverse comment (Government Code § 3306).

Inyo County Probation Department

Personnel Records

3. If a member refuses to initial or sign an adverse comment, at least one supervisor should note the date and time of such refusal on the original comment, and the member should sign or initial the noted refusal. Such a refusal, however, shall not be deemed insubordination nor shall it prohibit the entry of the adverse comment into the member's file (Government Code § 3305).
- (g) Commendations and awards.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3)):

- All investigation reports.
- Photographic, audio, and video evidence.

- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter referred to as "qualifying records") shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

4. An officer made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the officer resigns before the department or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple officers, the department shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). The Administrative Analyst, in consultation with the Chief Probation Officer or the authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of officers
- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses

- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

813.10.2 DELAY OF RELEASE

Unless otherwise directed by the Chief Probation Officer, the Administrative Analyst should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

- (a) Active criminal investigations
 - 1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
 - 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who engaged in misconduct or used the force.
- (b) Filed criminal charges
 - 1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
 - 1. Disclosure may be delayed until there is a determination from the investigation whether misconduct or the use of force violated law or department policy, but no longer than 180 days after the date of the department's discovery of the misconduct or use of force or allegation of misconduct or use of force.

813.10.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Administrative Analyst shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
 - 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
 - (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Department must show by clear and convincing evidence that the interest in preventing

Inyo County Probation Department

Personnel Records

prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 7923.000, the Department may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

813.11 REQUESTS FOR DISCLOSURE

Any member receiving a request for a personnel record shall promptly notify the Administrative Analyst or other person charged with the maintenance of such records.

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

813.11.1 REQUESTS FOR DISCLOSURE OF FORMER EMPLOYEE FILES

Members receiving requests for information from another agency regarding allegations of sexual abuse or sexual harassment involving a former employee should work with counsel to ensure compliance with Prison Rape Elimination Act (PREA) requirements (28 CFR 115.317).

813.11.2 RELEASE OF PERSONNEL INFORMATION

Personnel records shall not be disclosed except as allowed by law (see the Records Maintenance and Release Policy) (Penal Code § 832.7; Evidence Code § 1043).

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

The Department may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

The Department may, without a request, disclose to the public the cause of termination for a disclosable incident involving a former officer, as permitted by law (Penal Code § 832.7(b)(13)).

- (b) To preserve the anonymity of complainants and witnesses.

Officers

Members shall request clearance from the supervisor before taking a meal period. The time spent for the meal period shall not exceed the authorized time allowed.

817.4 BREAKS

Each member is entitled to a 15-minute break near the midpoint for each four-hour work period. Only one break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of a member's shift unless approved by a supervisor.

Lactation Breaks

818.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding reasonable accommodations for lactating members (Labor Code § 1034).

818.2 POLICY

It is the policy of the Inyo County Probation Department to provide, in compliance with federal and state law, reasonable accommodations for lactating members. 818.3 LACTATION BREAK TIME

A rest period should be permitted each time the member requires a lactation break (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Members desiring to take a lactation break shall notify a supervisor before taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

818.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view, free from intrusion from coworkers and the public, and otherwise satisfy the requirements of federal and state law (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1031).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

818.5 STORAGE OF EXPRESSED MILK

Any member storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the member's shift ends.

818.6 STATE REQUIREMENTS

Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

820.1 PURPOSE AND SCOPE

This policy establishes guidelines and procedures regarding overtime for employees, in conformance with the Fair Labor Standards Act (FLSA) (29 USC § 201 et seq.).

820.2 POLICY

This policy shall be consistent with Article 5 of the Inyo County Personnel Rules and any Memorandum of Understanding with the Inyo County Probation Peace Officers Association and Inyo County Employees Association. The Inyo County Probation Department will compensate nonexempt employees who work authorized overtime either by payment of wages or by the accrual of compensatory time (29 CFR 553.22). Employees who are salary exempt from FLSA are not compensated for overtime worked.

820.3 COMPENSATION

Payment of wages to nonexempt employees for overtime, or accrual of compensatory time in lieu of compensation for overtime worked, shall be at the rate of not less than one and one-half hours for each hour of employment for which overtime compensation is required (29 USC § 207(k)(2); 29 USC § 207(o)(1)).

Short periods of overtime worked at the end of the normal duty day (e.g., less than one hour in duration) may be handled informally by an agreement between the supervisor and the employee. In such cases, the supervisor shall document the overtime worked and schedule a subsequent shift adjustment within the same work period that the overtime was worked, rather than submit a request for overtime compensation (29 USC § 207(k)).

Salary exempt employees may be eligible for administrative leave, which may be granted at the discretion of the exempt employee's immediate supervisor.

820.4 REQUESTS FOR OVERTIME COMPENSATION

820.4.1 EMPLOYEE RESPONSIBILITIES

Generally, no employee is authorized to work overtime without the prior approval of a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of the shift in which the overtime is worked.

Nonexempt employees shall:

- (a) Obtain supervisory approval, verbal or written.
- (b) Not work in excess of 16 hours, including regularly scheduled work time, overtime, and extra-duty time, in any consecutive 24-hour period without supervisory approval.
- (c) Record the actual time worked in an overtime status using the department-approved form or method. Informal notations on reports, logs, or other forms not approved for overtime recording are not acceptable.

Overtime Compensation

- (d) Submit the request for overtime compensation to their supervisors by the end of shift or no later than the next calendar day.

820.4.2 SUPERVISOR RESPONSIBILITIES

Supervisors shall:

- (a) Prior to authorizing an employee to work overtime, evaluate the need for the overtime.
 - 1. Supervisors should not authorize any request to work overtime if the overtime would not be an appropriate use of department resources.
- (b) Upon receipt of a request for overtime compensation, confirm that the overtime was authorized and then verify the actual time worked.
 - 1. Supervisors identifying any unauthorized overtime or discrepancy shall initiate an investigation consistent with the Personnel Complaints Policy.
- (c) After verifying and approving the overtime amount, promptly forward the request for compensation to the employee's Deputy Chief for final approval.
 - 1. After the Deputy Chief has authorized compensation, the request shall be submitted to Administrative Division as soon as practicable.

Supervisors may not authorize or approve their own overtime.

820.5 REQUESTING USE OF COMPENSATORY TIME

Employees who have accrued compensatory time shall be allowed to use that time for time off within a reasonable period after making a request if the request does not unduly disrupt department operations. Requests to use compensatory time will be submitted to the employee's supervisor at least 24 hours in advance of its intended use. Supervisors may make exceptions in unusual or extraordinary circumstances.

Compensatory time may not be used for time off for a date and time when the employee is required to appear in court on department-related matters. Supervisors shall not unreasonably deny employee requests to use compensatory time (29 CFR 553.25).

Outside Employment and Outside Overtime

821.1 PURPOSE AND SCOPE

This policy provides guidelines for department members who seek to engage in authorized outside employment or outside overtime. This policy shall be consistent with the Inyo County Personnel Rules, Article 3.

821.1.1 DEFINITIONS

Definitions related to this policy include:

Outside employment - Duties or services performed by members of this department for another employer, organization, or individual not affiliated directly with this department when wages, compensation, or other consideration for such duties or services is received. Outside employment also includes duties or services performed by those members who are self-employed and receive compensation or other consideration for services, products, or benefits rendered.

Outside overtime - Duties or services performed by members of this department for a private organization, entity, or individual that are requested and scheduled directly through the Department. Member compensation, benefits, and costs for such outside services are reimbursed to the Department.

821.2 POLICY

Members of the Inyo County Probation Department shall obtain written approval from the Chief Probation Officer or the authorized designee before engaging in any outside employment or outside overtime. Approval of outside employment or overtime shall be at the discretion of the Chief Probation Officer or the authorized designee in accordance with the provisions of this policy. Failure to obtain prior written approval for outside employment or overtime, or engaging in outside employment or overtime that is prohibited by this policy, may lead to disciplinary action.

821.3 OUTSIDE EMPLOYMENT

821.3.1 REQUEST AND APPROVAL

Members must submit the designated outside employment request form to their immediate supervisors. The request form will then be forwarded through the chain of command to the Chief Probation Officer or the authorized designee for consideration.

If approved, the member will be provided with a copy of the approved request form. Unless otherwise indicated in writing on the request form, approval for outside employment will be valid through the end of the calendar year in which the request is approved. Members seeking to continue outside employment must submit a new request form at the start of each calendar year.

821.3.2 DENIAL

Any member whose request for outside employment has been denied shall be provided with a written notification of the reason at the time of the denial (Penal Code § 70(e)(3)).

Inyo County Probation Department

Outside Employment and Outside Overtime

821.3.3 REVOCATION OR SUSPENSION

Any member whose approval for outside employment is revoked or suspended shall be provided with a written notification of the reason for revocation or suspension (Penal Code § 70(e)(3)).

Approval for outside employment may be revoked or suspended:

- (a) When a supervisor determines the member's performance is failing to meet standards and the outside employment may be related to the deficient performance.
 - 1. Approval for the outside employment may be reestablished with the authorization of the member's supervisor once the member's performance has reached a satisfactory level.
- (b) When a member's conduct or outside employment conflicts with department policy or any law.
- (c) When the outside employment creates an actual or apparent conflict of interest with the Department or County.

821.3.4 APPEAL

If a member's request for outside employment is denied or if previous approval is revoked or suspended, the member may file a written notice of appeal with the Chief Probation Officer or the authorized designee within 10 days of receiving notice of the denial, revocation, or suspension.

A revocation or suspension will only be implemented after the member has completed the appeal process.

If the member's appeal is denied, the member may file a grievance as provided in the Grievances Policy.

821.4 REQUIREMENTS

821.4.1 PROHIBITED OUTSIDE EMPLOYMENT

The Department reserves the right to deny any request for outside employment that involves (Government Code § 1126):

- (a) The use of department time, facilities, equipment, or supplies.
- (b) The use of the Inyo County Probation Department badge, uniform, or influence for private gain or advantage.
- (c) The member's receipt or acceptance of any money or other consideration for performing duties or services that the member would be required or expected to render in the course or hours of the member's employment or appointment, or as a part of the member's regular duties.
- (d) The performance of duties or services that may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement of any other member of this department.
- (e) Demands upon the member's time that would render the performance of the member's duties for this department deficient or substandard.

Inyo County Probation Department

Outside Employment and Outside Overtime

- (f) Activities that may conflict with any other policy or rule of the Department.

821.4.2 DEPARTMENT RESOURCES

Members are prohibited from using any department equipment or resources in the course of, or for the benefit of, any outside employment. This shall include the prohibition against any member using a position with this department to gain access to official records or databases of this department or other agencies.

821.4.3 REVIEW OF FINANCIAL RECORDS

Members approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflicts of interest (Government Code § 3308; Government Code § 1126).

Before approving outside employment, the Department may request that a member provide personal financial records for review if the Chief Probation Officer determines that a conflict of interest may exist. Failure or refusal by the member to provide such records may result in denial of the outside employment.

If, after approving a request for outside employment, the Department obtains information that a financial conflict of interest exists, the Department may request that the member provide personal financial records for review. Failure or refusal by the member to provide such records may result in revocation or suspension of approval of the outside employment pursuant to this policy.

821.4.4 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If a member terminates outside employment, the member shall promptly submit written notification of such termination to the Chief Probation Officer or the authorized designee through the chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through the procedures set forth in this policy.

Members shall also promptly submit in writing to the Chief Probation Officer or the authorized designee any material changes in outside employment, including any change in the number of hours, type of duties, or the demands of any approved outside employment. Members who are uncertain whether a change in outside employment is material are advised to report the change.

821.4.5 LEAVE OR RESTRICTED DUTY STATUS

Members who are placed on leave or other restricted duty status shall inform their immediate supervisors in writing within five days as to whether they intend to continue their outside employment while on such leave or restricted status. The immediate supervisor shall review the duties of the outside employment, along with any related orders (e.g., administrative, medical), and make a recommendation to the Chief Probation Officer or the authorized designee regarding whether such employment should continue.

In the event that the Chief Probation Officer or the authorized designee determines that the outside employment should be discontinued, or if the member fails to promptly notify the immediate supervisor of the member's intention regarding outside employment, a notice revoking approval

Inyo County Probation Department

Inyo County Probation Department Policy Manual

- (b) The outside employment requires performance of the same or similar physical ability as required of an on-duty member.
- (c) The member's failure to make timely notice of the member's intention to the supervisor.

When the member returns to full duty with the Inyo County Probation Department, a written request may be submitted to the Chief Probation Officer or the authorized designee to approve the outside employment request.

821.5 OUTSIDE OVERTIME

821.5.1 REQUESTS FOR SPECIAL SERVICES

Any private organization, entity, or individual seeking special services (e.g., security, traffic control) from members of this department must submit a written request to the Chief Probation Officer or the authorized designee before the desired service. Such services will be assigned, monitored, and compensated through the Department as outside overtime assignments.

- (a) A request for special services during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute will not be approved.
- (b) The requester will be required to enter into an agreement that includes indemnification with the Department prior to approval.

Inyo County Probation Department

Occupational Disease and Work-Related Injury Reporting

822.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding timely reporting of occupational diseases, mental health issues, and work-related injuries.

822.1.1 DEFINITIONS

Definitions related to this policy include:

Occupational disease or work-related injury - Any injury, disease, or mental health issue arising out of the member's employment (Labor Code § 3208; Labor Code § 3208.3; Labor Code § 3212 et seq.).

822.2 POLICY

The Inyo County Probation Department will address work-related injuries and occupational disease appropriately and will comply with applicable state workers' compensation requirements (Labor Code § 3200 et seq.).

822.3 RESPONSIBILITIES

822.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational disease or work-related injury shall report such event as soon as practicable, but within 24 hours to a supervisor, and shall seek medical care when appropriate (8 CCR 14300.35).

822.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any work-related injury or occupational disease should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related County-wide injury- or disease-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

822.3.3 DEPUTY CHIEF RESPONSIBILITIES

The Deputy Chief who receives a report of an occupational disease or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief Probation Officer or authorized designee, the County's risk management entity, and the Administrative Division Deputy Chief to ensure any required Division of Occupational Safety and Health (Cal/OSHA) reporting is made as required in the disease and injury prevention plan identified in the Illness and Injury Prevention Policy.

822.4 OTHER DISEASE OR INJURY

Diseases and injuries caused or occurring on-duty that do not qualify for workers' compensation reporting shall be documented on the designated report of injury form, which shall be signed by a supervisor. A copy of the completed form shall be forwarded to the appropriate Deputy Chief through the chain of command and a copy sent to the Chief Probation Officer or the authorized designee.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that the member desired no medical attention at the time of the report. Signing the report does not preclude the member's ability to later seek medical attention.

822.5 SETTLEMENT OFFERS

When a member sustains an occupational disease or work-related injury caused by another person and is subsequently contacted by that person or that person's agent, insurance company, or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to the member's supervisor as soon as possible.

823.3.1 PERSONAL HYGIENE

All members must maintain proper personal hygiene. Examples of improper personal hygiene include but are not limited to dirty fingernails, bad breath, body odor, and dirty or unkempt hair. 823.5 RELIGIOUS ACCOMMODATION

The religious beliefs and needs of department members should be reasonably accommodated. 825.1.1 DEFINITIONS

Definitions related to this policy include:

Conflict of interest - Any actual, perceived, or potential conflict in which it reasonably appears that a member's action, inaction, or decisions are or may be influenced by a personal or business relationship.

825.2 POLICY

Members of the Inyo County Probation Department are expected to conduct themselves with the utmost professional integrity and objectivity. Members shall avoid situations that create a conflict of interest. Members should take reasonable steps to address a perception of a conflict of interest when such a perception is reasonably foreseeable and avoidable (e.g., deferring a decision to an uninvolved member).

Whenever any member is placed in circumstances that would require the member to take enforcement action or provide official information or services to any relative or individual with whom the member is involved in a personal or business relationship, that member shall promptly notify an uninvolved, immediate supervisor.

Members should provide a business card to any member of the public who requests one.

Temporary Modified-Duty Assignments

827.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, County rules, or current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability or limitation that is protected under federal or state law.

827.2 POLICY

Subject to operational considerations, the Inyo County Probation Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work while providing the Department with a productive employee during the temporary period.

827.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act shall be treated equally, without regard to any preference, for a work-related injury (Government Code § 12940 et seq.).

No position in the Inyo County Probation Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief Probation Officer or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

827.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Temporary Modified-Duty Assignments

Employees seeking a temporary modified-duty assignment should submit a written request to their Deputy Chiefs or the authorized designees. The request should, as applicable, include a certification from the treating medical professional containing:

- (a) An assessment of the nature and probable duration of the illness or injury.
- (b) The prognosis for recovery.
- (c) The nature and scope of limitations and/or work restrictions.
- (d) A statement regarding any required workplace accommodations, mobility aids, or medical devices.
- (e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

The Deputy Chief will make a recommendation through the chain of command to the Chief Probation Officer regarding temporary modified-duty assignments that may be available based on the needs of the Department and the limitations of the employee. The Chief Probation Officer or the authorized designee shall confer with the Personnel Department or the County Counsel as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Deputy Chief or Deputy Chief, with notice to the Chief Probation Officer or authorized designee.

827.5 ACCOUNTABILITY

Written notification of assignments, work schedules, and any restrictions should be provided to employees assigned to temporary modified-duty assignments and their supervisors. Those assignments and schedules may be adjusted to accommodate department operations and the employee's medical appointments, as mutually agreed upon with the Deputy Chief.

827.5.1 EMPLOYEE RESPONSIBILITIES

The responsibilities of employees assigned to temporary modified duty shall include but are not limited to:

- (a) Communicating and coordinating any required medical and physical therapy appointments in advance with their supervisors.
- (b) Promptly notifying their supervisors of any change in restrictions or limitations after each appointment with their treating medical professionals.
- (c) Communicating a status update to their supervisors no less than once every 30 days while assigned to temporary modified duty.
- (d) Submitting a written status report to the Deputy Chief that contains a status update and anticipated date of return to full duty when a temporary modified-duty assignment extends beyond 60 days.

Inyo County Probation Department

Temporary Modified-Duty Assignments

827.5.2 SUPERVISOR RESPONSIBILITIES

The employee's immediate supervisor shall monitor and manage the work schedule of those assigned to temporary modified duty.

The responsibilities of supervisors shall include but are not limited to:

- (a) Periodically apprising the Deputy Chief of the status and performance of employees assigned to temporary modified duty.
- (b) Notifying the Deputy Chief and ensuring that the required documentation facilitating a return to full duty is received from the employee.
- (c) Ensuring that employees returning to full duty have completed any required training and certification.

827.6 MEDICAL EXAMINATIONS

Prior to returning to full-duty status, employees shall be required to provide certification from their treating medical professionals stating that they are medically cleared to perform the essential functions of their jobs without restrictions or limitations.

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

827.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other employee with a temporary disability (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment. Nothing in this policy limits a pregnant employee's right to a temporary modified-duty assignment if required under Government Code § 12945.

If notified by an employee or the employee's representative regarding a limitation related to pregnancy, childbirth, or related medical conditions, the Department should make reasonable efforts to provide an accommodation for the employee in accordance with federal and state law. The accommodation should be provided without unnecessary delay, as appropriate (42 USC § 2000gg-1; 29 CFR 1636.3; 29 CFR 1636.4; Government Code § 12945).

827.7.1 NOTIFICATION

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the County's personnel rules and regulations regarding family and medical care leave.

827.8 PROBATIONARY EMPLOYEES

Probationary employees who are assigned to a temporary modified-duty assignment may have their probation extended by a period of time equal to their assignment to temporary modified duty.

827.9 MAINTENANCE OF CERTIFICATION AND TRAINING

Employees assigned to temporary modified duty shall maintain all certification, training, and qualifications appropriate to both their regular and temporary duties, provided that the certification, training, or qualifications are not in conflict with any medical limitations or restrictions. Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training, or qualifications.

Speech, Expression, and Social Networking

828.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with the use of social networking sites and provide guidelines for regulating and balancing member speech and expression with the legitimate needs of the Inyo County Probation Department.

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, and use of all internet services, including the World Wide Web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, and video-sharing and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

828.2 POLICY

Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this Inyo County Probation Department. Due to the nature of the work and influence associated with the probation profession, it is necessary that members of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Department will carefully balance the individual member's rights against the needs and interests of the Department when exercising a reasonable degree of control over its members' speech and expression.

828.3 SAFETY

Members should carefully consider the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of Inyo County Probation Department members, such as posting personal information in a public forum or posting a photograph taken with a GPS-enabled camera, can result in compromising a member's home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member or a member's family or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- (a) Disclosing a photograph and name or address of an officer who is working in a specialized assignment or interagency task force.

Inyo County Probation Department

Speech, Expression, and Social Networking

- (b) Disclosing the address of a fellow officer.
- (c) Disclosing where another officer can be located off-duty.

828.4 PROHIBITED SPEECH, EXPRESSION, AND CONDUCT

To meet the department's safety, performance, and public-trust needs the following are prohibited unless the speech is otherwise protected (for example, a member speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that compromises or damages the mission, function, reputation, or professionalism of the Department or its members.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Department and could compromise or damage the mission, function, reputation, or professionalism of the Department or its members. Examples may include:
 - 1. Statements that indicate disregard for the law or the state or U.S. constitutions.
 - 2. Expression that demonstrates support for criminal activity.
 - 3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the member as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination, or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of Department members. For example, a statement on a blog that provides specific details on how and when custody transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression contrary to the Ethics section in Standards of Conduct Policy as adopted by the Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, or video or other recording obtained or accessible because of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief Probation Officer or the authorized designee.
- (g) Posting, transmitting, or disseminating any photographs, video or audio recordings, likenesses, or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment, or other material that specifically identifies the Inyo County Probation Department on any personal or social networking or other website or web page, without the express authorization of the Chief Probation Officer.

Members must take reasonable and prompt action to remove any content, including content posted by others, that violates this policy from any web page or website maintained by the employee (e.g., social or personal website).

Speech, Expression, and Social Networking

828.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While members are not restricted from engaging in the following activities as private citizens or as authorized members of recognized bargaining units or employee groups, members may not represent the Inyo County Probation Department or identify themselves in any way that could be reasonably perceived as representing the Department in order to do any of the following, unless specifically authorized by the Chief Probation Officer (Government Code § 3206; Government Code § 3302):

- (a) Endorse, support, oppose, or contradict any political campaign or initiative
- (b) Endorse, support, oppose, or contradict any social issue, cause, or religion
- (c) Endorse, support, or oppose any product, service, company, or other commercial entity
- (d) Appear in any commercial, social, or nonprofit publication, or motion picture, film, video, or public broadcast, or on any website

Additionally, when it can reasonably be construed that a member, acting in the individual's own capacity or through an outside group or organization, including as an authorized member of a recognized bargaining unit or an employee group, is affiliated with this department, the member shall give a specific disclaiming statement that any such speech or expression is not representative of the Inyo County Probation Department.

Members retain their right to vote as they choose, to support candidates of their choice, and to express their opinions as private citizens, including as authorized members of recognized bargaining units or employee groups, on political subjects and candidates at all times while off-duty. However, members may not use their official authority or influence to interfere with or affect the result of elections or nominations for office. Members are also prohibited from directly or indirectly using their official authority to coerce, command, or advise another employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes (5 USC § 1502).

828.5 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts, or anything published or maintained through file-sharing software or any internet site that is accessed, transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

The Department shall not require an employee to disclose a personal username or password for accessing personal social media or to open a personal social website; however, the Department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

828.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct prohibited under this policy, the factors that the Chief Probation Officer or the authorized designee should consider include:

Inyo County Probation Department

Speech, Expression, and Social Networking

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in performance of duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

828.7 TRAINING

Subject to available resources, the Department should provide periodic training regarding the limitations on speech, expression, and use of social networking to all members of the Department.

These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

829.7 INSPECTIONS

Safety inspections are crucial to a safe work environment. These inspections identify and evaluate workplace hazards and permit mitigation of those hazards. A hazard assessment checklist should be used for documentation and to ensure a thorough assessment of the work environment.

The Deputy Chief shall ensure that the appropriate documentation is completed for each inspection.

829.7.1 EQUIPMENT

Members are charged with daily vehicle inspections of their assigned vehicles and of their PPE prior to working in the field. Members shall complete the appropriate form if an unsafe condition cannot be immediately corrected. Members should forward this form to their supervisors.

829.8 INVESTIGATIONS

Any member suffering from any work-related illness or injury, as well as any member who is involved in any accident or hazardous substance exposure while on-duty, shall report such event as soon as practicable to a supervisor. Members observing or learning of a potentially hazardous condition are to promptly report the condition to their immediate supervisors.

A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

- (a) A visit to the accident scene as soon as possible.
- (b) An interview of the injured member and witnesses.
- (c) An examination of the workplace for factors associated with the accident/exposure.
- (d) Determination of the cause of the accident/exposure.

- (f) Documentation of the findings and corrective actions taken.

Additionally, the supervisor should proceed with the steps to report an on-duty injury, as required under the Work-Related Illness and Injury Reporting Policy, in conjunction with this investigation to avoid duplication and ensure timely reporting.

829.9 TRAINING

The Deputy Chief should work with the Deputy Chief to provide all members, including Managers, with training on general and job-specific workplace safety and health practices. Training shall be provided:

- (a) To managers to familiarize them with the safety and health hazards to which members under their immediate direction and control may be exposed.

Line-of-Duty Deaths

830.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Inyo County Probation Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief Probation Officer may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

830.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of a sworn member during the course of performing probation-related functions while on- or off-duty, or a non-sworn member during the course of performing their assigned duties.

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

830.2 POLICY

It is the policy of the Inyo County Probation Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

830.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Department.
 - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Chief Probation Officer section of this policy).
- (b) The Deputy Chief should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Deputy Chief or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Line-of-Duty Deaths

- (d) The Chief Probation Officer or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

830.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief Probation Officer or the authorized designee should review the deceased member's emergency contact information and emergency notification form, if one exists, and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief Probation Officer, Deputy Chief, or the authorized designee should select at least two members, or one member and a member of the clergy, to conduct notification of survivors.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles when possible. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.

Inyo County Probation Department

Inyo County Probation Department Policy Manual

Line-of-Duty Deaths

- (h) Assist the survivors with meeting childcare or other immediate needs.
- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief Probation Officer or the authorized designee once survivor notifications have been made so that other Inyo County Probation Department members may be apprised that survivor notifications are complete.

830.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief Probation Officer.

830.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief Probation Officer are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., chaplain, counselor, peer support group, Employee Assistance Program, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

The Survivor Support Liaison should work with the Department Liaison to fulfill the immediate needs and requests of the survivors of any member who has died in the line of duty, and serve as the long-term department contact for survivors.

The Survivor Support Liaison should be selected by the deceased member's Deputy Chief. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working. If the member has completed an emergency notification form, it should be used for this purpose.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes, and other locations as appropriate.

Survivor Support Liaisons providing services after an incident resulting in multiple members being killed should coordinate with and support each other through conference calls or meetings as necessary.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.

final rev. 2-25-2019.pdf**

 ALTERNATIVE SENTENCING POLICY MANUAL	SECTION: 4 SUBJECT: Remote Alcohol Monitoring Page 1 of 2

A. Definition

1. Remote Alcohol Monitoring is a supervision tool only. As such, if a client is subject to testing for the use of alcohol and is prohibited from consuming alcohol, remote alcohol monitoring is an option that may be utilized by both the Court and the supervising Deputy Probation Officer. Remote Alcohol Monitoring is not a form of custody and as such, defendants assigned to Remote Alcohol Monitoring are not eligible for any type of time served credits towards a sentence.

B. Court Referrals for Remote Alcohol Monitoring

1. When the Court orders a defendant be subject to remote alcohol monitoring, the Deputy Probation Officer assigned to EMP shall provide the defendant with the standard EMP application packet. It is the responsibility of the defendant to schedule an intake interview with the Deputy Probation Officer.
2. At the intake interview, the Deputy Probation Officer assigned to EMP will proceed according to policy and procedure contained in the EMP Manual and EMP Operations Policy.
3. Upon the Defendant being determined to be appropriate and amenable to remote alcohol monitoring, the Deputy Probation Officer shall, in summary probation cases and Pre-Trial Supervision cases, notify the Court in writing of the defendant's acceptance into the program and the date they were placed on remote alcohol monitoring. In formal probation cases, the Deputy Probation Officer shall notify the Deputy Probation Officer who is responsible for the supervision of the defendant.

C. Deputy Probation Officer Referrals for Remote Alcohol Monitoring

1. The Deputy Probation Officer has the ability to refer a client for remote alcohol monitoring when the client is prohibited from alcohol consumption and subject to testing for alcohol use. Remote Alcohol Monitoring may be utilized as an alternative sanction for a violation of supervision conditions, or as a tool to enhance the officer's ability to supervise a client's alcohol consumption.
2. When a Deputy Probation Officer desires to place a client on Remote Alcohol Monitoring, they should immediately advise the Deputy Probation Officer

4. The DPO assigned to EMP shall only be responsible for the electronic monitoring of the client's alcohol use. All other case management activities will remain the responsibility of the DPO who is charge of the supervision of the client.

D. Violations of Remote Alcohol Monitoring

STATIC RISK ASSESSMENT/OFFENDER NEEDS ASSESSMENT BUSINESS RULES AND PROCEDURE

BACKGROUND

The STRONG (Static Risk Assessment/Offender Needs Assessment) is an evidence based, validated risk/needs assessment and case planning system utilized by the Inyo County Probation Department to assist Deputy Probation Officers and other case managing personnel to accomplish four basic objectives:

1. Determine an offender's level of risk to reoffend as a way to target resources to higher risk offenders, and to better assess an offender's risk to the community.
2. Identify the risk and protective factors linked to criminal behavior so that rehabilitative efforts can be tailored to address the offender's unique assessment profile.
3. Develop a case plan focused on reducing risk factors and increasing protective factors.
4. Allow the Probation Department to determine if targeted factors change as a result of interventions.

PHILOSOPHY

The Inyo County Probation Department, consistent with best practices and statute (Penal Code Section 17.5 et al) is an agency whose mission, guiding principles, policies and procedures are fundamentally derived from the use of evidence based practices in the supervision and case management of criminal offenders. The underlying philosophy in the use of risk and needs assessments is that use of a validated risk assessment enables the Probation Department to reduce recidivism by helping offenders under their supervision increase personal accountability, and make positive changes in attitudes and behavior by targeting interventions to an offenders criminogenic needs. Through this process, offender accountability is increased, recidivism is reduced and community protection is enhanced.

Definitions

Target Interventions:

1. Risk Principle: Prioritize supervision and treatment resources for higher risk offenders.
2. Need Principle: Target interventions to criminogenic needs.
3. Responsivity Principle: Be responsive to temperament, learning style, motivation, gender, and culture when assigning to programs.
4. Dosage: Structure 40-70% of high risk offenders' time for initial 3-9 months.

5. Treatment Principle: Integrate treatment into the full sentence, sanctions requirements.

Criminogenic Need Principle: Address offenders' greatest criminogenic needs. Offenders have a variety of needs, some of which are directly linked to criminal behavior. These criminogenic needs are dynamic risk factors that, when addressed or changed, affect the offender's risk for recidivism. Examples of criminogenic needs are: criminal personality; antisocial attitudes, values and beliefs; low self-control; criminal peers; substance abuse; and dysfunctional family. Based on the assessment of the offender, these criminogenic needs can be prioritized so that services are focused on the greatest criminogenic needs. (Andrews & Bonta, 1998; Lipton, et. al, 2000; Elliot, 2001; Harland, 1996)

ROLE OF PROBATION DEPARTMENT PERSONNEL

The use of the STRONG reinforces the role and responsibilities of the Deputy Probation Officer and other case managing personnel to be agents of change, who model pro-social behavior and who work with offenders to reduce risk to reoffend, while monitoring for violation behavior in the interests of public safety.

PROTOCOLS FOR TRAINING

All Deputy Probation Officers and case managing personnel involved in the use of the STRONG are required to participate in the following training:

1. Training in the use of STRONG by either Department personnel competent in the administration of the assessments, or training conducted or sponsored by a vendor who supplies the assessment.
2. Training in Motivational Interviewing when available.

RISK BASED SUPERVISION DESIGNATION

Definitions:

Administrative Supervision: A caseload of offenders who, as a result of a static risk assessment or re-assessment, are determined to be either moderate or low risk and who are monitored for compliance with supervision conditions only, such as fine and restitution payments, completion of court ordered counseling programs (example: DUI classes), or monitored for additional law violations.

Banked Supervision: A caseload of offenders who, as a result of a Static Risk Assessment or reassessment, are determined to be at low risk to reoffend or have satisfied all of the supervision conditions. Banked cases are monitored for new violations only.

Active Supervision: A caseload of offenders who, as a result of a Static Risk Assessment, are determined to be either moderate or high risk and are actively supervised with regular, one-on-one interaction in both the office and the field. Clients on active supervision have case plans developed as a result of identifying criminogenic needs as determined by completion of an Offender Needs Assessment.

Pretrial Supervision: A caseload of offenders who have been released from the court at the pretrial phase of the criminal justice process. Pretrial clients are released to the supervision of the Probation Department with specified supervision conditions. Their level of direct supervision is, in part, determined by their risk to reoffend as indicated by the results of a Static Risk Assessment.

PROCEDURE FOR ADMINISTRATION OF THE STATIC RISK ASSESSMENT (SRA)

Probation, Post Release Community Supervision and Mandatory Supervision:

1. The Static Risk Assessment (SRA) will be completed on every offender referred to the Probation Department for presentence investigation, ordered to supervision without a presentence investigation, released from State Prison on Post Release Community Supervision, transferred to Inyo County pursuant to Penal Code Section 1203.9, or by operation of an Interstate Compact. Exceptions to completing an SRA requires supervisor approval.
2. All offenders referred to the Probation Department require a Static Risk Assessment, regardless of how recently an SRA was completed, to ensure that any changes in criminal history are noted.
3. The SRA should be completed as part of the officer's presentence investigation. Results of the SRA will be included in the officer's presentence report to the Court pursuant to a preapproved format.
4. New convicted offenses and sustained violations of probation resulting in confinement time require a new SRA. If this information raises the risk level of the offender to the "high" category, the offender should be reassigned to active supervision status.
5. Use of the SRA score to assign level of supervision:
 - a. All cases of offenders living within Inyo County, with the exception of those on the Collaborative Court Caseload (Drug Court, PRCS, Mandatory Supervision), will initially be assigned based upon their level of risk as determined by an SRA. Cases determined to be high risk will be assigned to active supervision. Cases scored as low risk will be assigned to administrative or banked supervision. Cases scored as moderate risk will be assigned using the following criteria:
 - i. If the offender is between the ages of 18-29, Active Supervision.
 - ii. If the offender is between the ages of 30-39, optional active supervision or administrative supervision. The officer has discretion.
 - iii. If the offender was convicted of a new felony crime of violence, felony weapons offense, or a misdemeanor crime of violence or sex crime carrying 12 months of confinement time (i.e. misdemeanor PC 273.5), Active Supervision.
 - b. Multiple Offense DUI: The SRA *is not* considered a validated risk assessment to predict risk to commit new DUI offenses. For this reason, multiple offense DUI clients are assigned to active supervision, at minimum for the first 12 months of the case and/or until such time as all required programming is completed.
 - c. Felony Sex Crimes: The SRA *is not* considered a validated risk assessment to predict risk to commit new sex crimes. All clients convicted of felony sex crimes who are required to register pursuant to Penal Code Section 290 are assigned to active supervision for the duration of the case.

- d. Collaborative Court Caseload: All offenders assigned to the Collaborative Court Caseload, including PRCS, Mandatory Supervision and Drug Court, are considered active supervision no matter the SRA risk designation.
 - e. Other Exceptions: The Probation Department recognizes that from time to time, an offender may, due to their unique needs (mentally ill offenders, homeless clients, severe addicts) be appropriate for more intensive supervision despite scoring in the “low risk” category. For those cases, the Deputy Probation Officer shall seek supervisor approval prior to assigning a low risk offender to active supervision. When those offenders no longer present as having unique needs or they have otherwise been stabilized, they should be reassigned to administrative or banked supervision. Every effort should be made not to expose those clients to higher risk populations of offenders.
6. Upon completion of a static risk assessment, the Deputy Officer Probation Officer shall make an entry into the case management system indicating “assessment completed,” with the date completed, the offender’s risk level, and the level of supervision they have been assigned to.
 7. Any other override of the Static Risk Assessment shall not occur without supervisor approval.

Pretrial Supervision:

1. An SRA will be completed on all offenders in custody for new criminal offenses. The SRA will be utilized to assist the Deputy Probation Officer in assessing community risk. It will inform the Deputy Probation Officer’s recommendation in a pretrial report for pretrial release with or without supervision, or if a defendant should be held in custody with bail. A copy of the SRA shall be attached to all Pretrial Reports and submitted to the Court. Subsequently, if the offender is ordered under the pretrial supervision of the Probation Department, the SRA result will direct the Probation Officer to assign the offender to an appropriate level of supervision.

PROCEDURE FOR ADMINISTRATION OF THE OFFENDER NEEDS ASSESSMENT (ONA)

1. An Offender Needs Assessment (ONA) will be completed on all offenders who are assigned to an active supervision caseload. The results of the ONA may be used for the purpose of determining appropriate case management of the offender and to direct the client to appropriate rehabilitative services.
2. Prior to administering the ONA, staff will explain to the offender the purpose of the assessment, which is to:
 - a. Identify factors that place the offender at risk to reoffend.
 - b. Identify areas of strength specific to an offender.
 - c. Develop a case plan targeting areas of need.
 - d. Make targeted, cost effective service referrals that minimize the offender’s exposure to new or existing risk factors and,
 - e. Monitor an offender’s success.
3. Collateral information should also be gathered when practicable. Sources of information may include, but is not limited to: Schools, family members, other agencies that have interacted

with the offender, Probation Department personnel that may know the offender, and other community social service agencies.

4. When the ONA is completed, verbal feedback must be given to the offender regarding the results of the assessment, including a verbal summary of the major need and protective factors as indicated in the Offender Needs Assessment Report.

PROCEDURE FOR THE USE OF CASE PLANS

1. The Case Plan allows staff to identify specific goals and action steps incorporating criminogenic needs as identified by the ONA and combine them with Court ordered supervision conditions, producing an individualized case plan.
2. The Case Plan is designed to be a collaborative process, with the offender and Deputy Probation Officer reviewing the risk and needs identified through the ONA, and working together with the offender, to develop agreed upon goals. The Case Plan will be goal oriented, address identified criminogenic needs, and have time specific objectives.
3. Staff are required to complete a case plan for all high risk offenders. A case plan will be discretionary on the part of the Deputy Probation Officer for all other offenders assigned to active supervision.
4. Time Lines for Completion of Case Plans:
 - a. **Probation Cases:** Case Plans with ONA goals will be completed on all newly assigned active supervision cases within two weeks of sentencing or within two weeks of the offender's release from a jail sentence.
 - b. **Mandatory Supervision Cases:** Case Plans with ONA goals will be completed no more than 30 days prior to the offender's release from custody and will be utilized to formulate a reentry plan.
 - c. **Post Release Community Supervision Cases:** Case Plans with ONA goals will be completed on all PRCS cases within two weeks of the offenders release from State Prison.
5. Results of Offender Needs Assessments shall not be included in Presentence Reports.
6. Upon completion of a Case Plan, the Deputy Probation Officer shall make entry into the case management system that the case plan was completed.

PROTOCOLS FOR REASSESSMENTS

1. All offenders on active supervision will have an ONA reassessment completed every six (6) months for the purpose of possible supervision reclassification and modification of case management. An ONA reassessment may also be completed when a significant change has occurred in the offender's life, such as divorce, death, new arrest, substance abuse, disruption in living arrangements, employment, or another major change in the offender's life. Staff should consider collateral information in completing the reassessment.
2. ONA reassessments shall be scheduled as an appointment in the case management system. This will alert the Deputy Probation Officer that the upcoming reassessment is due. It is

therefore best practice to schedule the reassessment upon completion of the initial assessment, and upon completion of each subsequent assessment.

3. Upon reassessment, if needs factors reflect a significant reduction in risk based on criminogenic factors, the case may be evaluated for reassignment to an administrative caseload, or Deputy Probation Officers may modify case management of the offender. Completion of Court ordered treatment programs shall be given primary consideration. Additionally, moderate risk offenders on active supervision may be reassigned to administrative or banked supervision regardless of ONA results due to caseload size and constraints.
4. Within one month of termination of a case, or upon transfer to an administrative or banked caseload, an ONA final assessment shall be completed to assess the offender's progress from initial assessment to final assessment. Important factors to analyze include any changes to risk to reoffend (based on new criminal convictions while on supervision), or changes in areas of highest criminogenic need. For example, progress in reducing risk factors or increasing protective factors.

PROCEDURE FOR RECORD KEEPING/REPORTS

1. A full history of all assessments is maintained with Noble Software and is available for aggregate and individual review. A history of assessments completed and risk levels is also available in the Department case management system.
2. A copy of the most recent ONA Summary Risk Report should be maintained in the case file for reference.
3. The SRA classification will be used to document initial level of supervision. Reclassifications require prior completion of a new SRA. If a supervisor does not approve reclassification, the supervisor will notify the Deputy Probation Officer as to the reasons for disapproval and the reasons will be documented in the case management system.

PROTOCOLS FOR CONFIDENTIALITY

1. The results of the SRA and ONA are subject to the confidentiality requirements attached to any other Probation Department records, and as mandated by Federal and State law.

PROCEDURE FOR QUALITY ASSURANCE, PROGRAM FIDELITY AND SUSTAINABILITY

To ensure continuous quality improvement (CQI), integrity and sustainability of the assessment process, the following steps will be taken:

1. It shall be the duty of management to participate in any and all assessment training. Management will continually provide monitoring of proficiency and accuracy among all personnel in the use of the assessments. Management will help ensure that all assessment users are administering the SRA and ONA correctly and with fidelity by providing one-on-one support when needed and with individual evaluation of skills. This may include:
 - a. Providing ongoing training and coaching.
 - b. Direct observation of personnel performing assessment interviews.

- c. Providing updated information on the assessments as needed.
2. The SRA/ONA procedures will be formally reviewed and revised as necessary, at minimum on an annual basis.
3. Management will review with personnel for assessment compliance every six (6) months to ensure that:
 - a. All required reassessments are being completed.
 - b. Assessment information is being used to guide level of supervision and minimum client interaction standards are being met.
 - c. Assessment information is being used in the preparation of presentence reports and recommendations, and is being used to guide pretrial supervision decisions.
 - d. Ensure that personnel are consistently focusing their case management of the offender based on the highest areas of criminogenic need as determined by the ONA assessment.
 - e. IRR (Inter-Rater Reliability): Management may assign all officers or individual officers, at any time, but not less than once every six (6) months, to participate in IRR. This will consist of the officer viewing a video with a mock interviewer and offender and then scoring an assessment to determine proficiency and fidelity. The goal is for all officers to score 70% or higher on the IRR, with an average Departmental score of 70% or greater. Individual officers who do not consistently meet scores of 70% or higher may be referred for additional formal training. Officers may further be required to review IRR scores with a trainer or an officer proficient in the ONA to further assist with proficiency in scoring the assessment.
4. The Probation Department will conduct a formal research review at least every six (6) months to determine the effectiveness of existing services. The review will measure changes, if any, in ONA scores for offenders participating in each program, from inception to completion. The ONA researcher will review aggregate data from initial assessments relating to changes in risk to reoffend and changes in reducing dynamic risk and increasing protective factors.
5. The Department will also conduct a formal research review periodically to identify gaps in existing services, based upon an analysis of aggregate criminogenic needs identified in ONA assessments for which no, or inadequate services exist. The analysis should emphasize evidence based services, particularly cognitive-behavioral programs, social learning forms of services, community support and relapse prevention programs.

MISCELLANEOUS

The Chief Probation Officer and his designee have sole authority to modify these procedures.

EMP Manual rev. 2-25-19.pdf

 ALTERNATIVE SENTENCING POLICY MANUAL	SECTION: 1 Page 1 of 5 SUBJECT: EMP MANUAL-Program Authority/ Rules and Regulations/Eligibility/Rejection/Termination

A. Program Authority

1. Penal Code Section 1203.016 authorizes the Board of Supervisors to authorize the county Correctional Administrator to establish alternative sentencing programs in which inmates committed to a county jail or correctional facility or granted probation, or inmates participating in a work furlough program, may voluntarily or involuntarily be placed in a home detention program during their sentence in lieu of confinement in a county jail or other county correctional facility or program under the auspices of the Probation Officer.
2. The County Correctional Administrator is appointed by the Board of Supervisors on an annual basis. In Inyo County, the Chief Probation Officer and Sheriff are Co-County Correctional Administrators.
3. Pursuant to Penal Code Section 1203.016(b), the Board of Supervisors, in consultation with the Correctional Administrator, may prescribe reasonable Rules and Regulations under which a home detention program may operate. The Rules and Regulations of the home detention program shall be written and reviewed on an annual basis by the Board of Supervisors and shall be given to or made available to any participant upon request.
4. Pursuant to Penal Code Section 1203.016(d), the Correctional Administrator has specific authority to allow a person to participate in the program or to determine if a person is eligible and amenable to participation in the program.

B. Program Amenability

1. Defendant amenability for Electronic Monitoring shall be determined by a combination of factors, including:
 - a. The Defendant's risk to reoffend, as indicated by a validated risk assessment.
 - b. The Defendant's criminal record, including any history of serious or violent felonies.
 - c. Any rules violations the Defendant committed while in custody.
 - d. The Defendant's history of failure to appear at court.
 - e. The Defendant's history of compliance with any supervision conditions.
 - f. Any prior history of non-compliance with Electronic Monitoring.
 - g. The Defendant's current willingness to comply with the rules and regulations of Electronic Monitoring.

SUBJECT: EMP MANUAL	SECTION: 1	Page 2 of 5

- h. The Defendant's current living arrangements, including whether or not Electronic Monitoring equipment will function at his or her home; presence of family members or others living with the Defendant who are unwilling to cooperate with EMP or otherwise present as an officer safety risk.
- i. Any other factor that would, in the supervising officer's opinion, objectively disqualify the Defendant from program participation.

C. Program Exclusion

1. The following defendants shall be excluded from Electronic Monitoring, unless otherwise approved by Probation Department Administration.
 - a. Any person convicted of an offense listed in Appendix A to this policy, "Excluded List of Crimes."
 - b. Any person with an active arrest warrant.
 - c. Any person who does not have a verifiable, legal address within Inyo County.
 - d. Any person who fails to appear for their scheduled EMP interview without good cause.
2. Defendants who live outside the county and are found unsuitable for EMP due to residency restrictions may request a transfer to an EMP program in their home county. Those defendants will be responsible for the cost of any out-of-county program.
3. In the event the supervising officer determines a defendant is excluded from participation in EMP but is otherwise amenable, or the safety of the public and victim would otherwise be enhanced by the use of EMP, the supervising officer may obtain an Administrative Override from Department Administration and admit the defendant to EMP.

D. Minimum/Maximum Sentence

1. A minimum sentence of 30 days (15 actual days) in jail is required for admittance into the Electronic Monitoring Program. The maximum sentence for admittance into the program is 365 days (180 days actual).

E. Credit for Time Served

1. Where EMP is being utilized as an alternative sentence, for every four (4) days on EM, two (2) days will be deducted from his/her sentence, pursuant to PC 4019(a)(7).

F. Court Referrals

1. Pursuant to Penal Code Section 1203.016(e), the Court may recommend or refer a Defendant to the Correctional Administrator or his or her designee for admission into the program. The recommendation or referral shall be given **great weight** in the determination for acceptance or denial into the program.

SUBJECT: EMP MANUAL	SECTION: 1	Page 3 of 5

G. Processing Time

1. Courts generally grant non-custodial applicants two (2) to three (3) weeks to apply for an alternative sentencing program. Lacking good cause, applicants who fail to apply for EMP within fifteen (15) days of their custodial date, forfeit their eligibility for EMP and must report to jail to serve their sentence.
2. Defendants who are released on their own recognizance or released on bail with EMP must generally apply for and either be admitted to or denied EMP by no later than their next court date. Such defendants are solely responsible for completing the EMP application packet at the jail, in a timely manner. Upon receipt of the application packet from Pre-Trial defendants, every effort should be made to conduct the interview process, accept or deny the defendant, and to release the defendant on EMP. Upon acceptance or denial of a Pre-Trial defendant, the Court, District Attorney and attorney for the defendant should be notified as soon as is reasonably possible.

H. Program Rules

1. Defendants must agree to, and abide by, the following program rules and regulations while participating in the program.
 - a. Not violate any laws. If I receive a traffic citation or have any contact with any police agency, I will report such contact as soon as possible to the Probation Officer.
 - b. Comply with any and all terms and conditions of my supervision, and any issued by my Probation Officer. Failure to abide by any of these orders may result in my immediate removal from the program and will result in a return to custody. It may also jeopardize further eligibility for other alternative programs.
 - c. Not possess, or have in his/her residence/vehicle, any gun, explosive, or other deadly weapon.
 - d. Not possess or use any narcotic or controlled substance without a valid medical prescription.
 - e. Submit to chemical, blood, breath, saliva, or urine testing deemed necessary by the Probation Officer.
 - f. Not have any form of contact or communication with any other inmates, either in this program, or in any jail, correctional facility, or state prison. (Exceptions to be approved by the Probation Officer.)

- k. Report to the Probation Officer at such times and places as directed.
- l. Notify the Probation Officer in advance of any change of address and or phone number.
- m. Pay all fees and costs of alternative sentencing or release programs.

I. Program Removal

- 1. A participant can be removed from the program for any violation of the program rules.
- 2. A participant who is removed from the program for a violation of the program rules that does not involve incarceration has the right to an administrative appeal of the removal decision.
- 3. Incarceration will result in your removal from the EM program. If removed due to incarceration, reapplication to the program is allowable upon the conclusion of any and all criminal matters before court. **An application fee may be required.**

J. Appeals Rights and Process

- 1. Pursuant to Penal Code Section 1203.016(d)(2), any person who is denied entry into Electronic Monitoring shall be so advised in writing, including their right to an administrative appeal of the denial, and the process for filing an appeal with the Department.

 - e. Office visit schedule.
 - f. Fee payment schedule.
 - g. Law Enforcement contacts.
 - h. Drug testing requirements.
 - i. Log out equipment/sign checkout form.
- The Probation Officer will then enter booking information into JALAN.
- 3. Intake from Inyo County Jail: If the defendant is in custody at ICJ, the assigned Probation Officer must advise the Jail Sergeant of the Probation Department's intent

to transfer the defendant to EMP. The assigned Probation Officer must prepare a CUSTODY TRANSFER form (Attachment 3).

- a. The assigned Probation Officer will conduct a home visit prior to the defendant's release to insure the home meets the EMP equipment requirements.
 - b. Upon release, the Probation Officer will conduct a home visit to insure the EMP equipment is functioning properly and go over EMP rules.
 - c. Upon release from custody, the Probation Officer will advise local law enforcement of individuals serving on EMP in their jurisdictions.
- C. Equipment Overview: The Probation Officer will size and attach the ankle strap and transmitter to the defendant. The Officer will also review equipment operations, limitations, and possible transmission issues that may arise.
- D. Case Supervision: The assigned Officer will have, at minimum, one (1) face-to-face contact with the defendant per week. Contacts should alternate between the office and the field. The frequency of contacts may be modified as circumstances dictate.
1. Field contacts: Field contacts should vary in time and date so the defendant cannot anticipate pending visits. Random drug testing may occur during office or home visits. Field contacts may include home visits, job-site checks, and visits to verify treatment and/or schedule changes, if required. The Probation Officer may flex their schedule to permit field contacts in the evening and on weekends.
 - a. Officer Safety: A "routine field visit" can suddenly turn dangerous. Officers in the field must carry safety equipment that includes; Department issued firearm, at least one less than lethal force option, handcuffs, a flashlight (even during daylight hours), and a hand-held radio or cell phone or both. Officers are required to wear body armor. Officers must notify Dispatch of the law enforcement agency of jurisdiction when arriving at a location and must "clear" with the agency when departing the residence. Officers should make every effort to have another officer or law enforcement present when entering a residence.
 - b. Planned Field Operations: To enhance officer safety, officers should complete a field operations plan detailing the nature and circumstance of the home visit and submit the plan to the Deputy Chief Probation Officer. Officers should maintain contact with the Legal Secretaries or other Department personnel while out in the field.
 - c. Drug Testing: Whether completed in the field or in the office, drug testing will be witnessed by a Probation Officer or other Peace Officer of the same sex. In cases when a same sex officer is unavailable, the test will be unwitnessed.

- d. Locked Gates: Defendants on EMP must provide the Probation Officer with the access code, combination, key, or electronic opening device to any driveway or exterior gate.
 - e. Dangerous Animals: Any threatening or dangerous animal at the defendant's residence must be restrained or removed.
2. Office Contacts: During office visits, program fees should be paid, leaves verified, and schedule changes addressed. Use office visits to review case plans, address any problems or discuss program/schedule changes.
 3. Case Management System: Each Probation Officer assigned to monitor defendants with EMP must maintain a detailed record of client and collateral contacts, including continuance review of the terms and conditions of the Court order by entering the information into the case management system.

E. EMP Violations:

1. A protocol for EMP violations is established with the monitoring company and in collaboration with the Inyo County Sheriff's Department.
2. EMP violations are categorized as either low risk or high risk, based upon the risk level of the offender and the type of violation.
3. EMP violation matrix:

High Risk Violation	Low Risk Violation
1. Strap Tamper 2. Low battery-High Risk Offender 3. Exclusion alarms 4. Master Tamper alarms	1. Low battery-low risk offender 2. Inclusion alarms

4. Response to Violations

- a. High Risk: High Risk EMP violations shall be treated as zero tolerance. Upon notification by the monitoring company that a high risk violation has occurred, Dispatch shall immediately dispatch a sheriff's unit to the last known location of the offender to investigate the violation. Offenders who have committed a high risk violation shall be immediately arrested and returned to the jail. The Deputy Probation Officer assigned to EMP, upon notification of a high risk violation, may in his or her discretion, respond to the scene with Sheriff's Department assistance, or otherwise provide the Sheriff's Department with whatever information is necessary to apprehend the offender. If an EMP offender cannot be located, the Deputy Probation Officer shall, no later than the next business day, seek an arrest warrant for the offender, charging him or her with felony

escape. If the violation was a master strap tamper, every effort shall be made to locate the lost device and the Deputy Probation Officer shall request the offender be ordered to pay restitution for the loss of or damage to the device.

b. Low Risk: When the Deputy Probation Officer assigned to EMP is notified of a low risk violation, they shall immediately take all necessary steps to investigate the nature and circumstances of the violation to determine if the arrest and remand of the offender is appropriate or if the violation can be remedied and the offender can remain on EMP.

c. Incident Reports: Incident Reports are to be used to document unusual field or office incidents and all EMP violations. Incident Reports are forwarded through the chain of command to the Chief Probation Officer. Incident Reports are required in the following circumstances:

- Incidents involving use of force.
- Incidents resulting in injury to an Officer, defendant, or others.
- Threats to Officers or others.
- Incidents resulting in lost or damaged department equipment.
- Incidents resulting in damage or destruction of private property.
- Any arrest of an EMP offender.
- Any termination of EMP.
- Any other EMP violation.

F. Arrest Procedures: At any time, if a defendant is in violation of the Terms and Conditions of EMP, formal supervision conditions, or if a law violation is discovered during the course of an officer's duty, the Officer may arrest the defendant and book him/her into the jail. The following guidelines must be followed to insure the safety of all involved and to insure legal due-process:

a. Officer Safety: While at times it may be necessary to arrest a defendant while alone, carefully consider the situation and, if possible, call for back-up or obtain the assistance of a fellow Officer. If alone, **never** attempt an arrest if the defendant is combative or resistant. The risk of injury is greatly reduced as more officers arrive on scene to assist.

b. Planned Arrest: If an arrest is anticipated for a technical violation, Officers should discuss the matter with the Deputy Chief Probation Officer. A case review may produce other options. If the decision is made to carry out the arrest, consider the following: Officer safety, child-care needs, and/or whether to make an arrest in the field or in the office. In most cases, defendants who are to be arrested because of drug/alcohol abuse should be arrested in the field. This will permit an assessment for CPS needs if children are present and will reduce the risk of the defendant driving while under the influence.

- c. Same Sex Considerations: If an arrest of the opposite sex is anticipated, the arrest team should include a same-sex Officer. If an Officer is alone and must transport a defendant of the opposite sex, Sheriff's Department Dispatch shall be made by radio or cell phone to advise them the officer is transporting a prisoner of the opposite sex. Location, destination, vehicle unit number and mileage should be provided to dispatch upon transport of the offender and upon arrival at the destination.
 - d. Field Arrests: At times, it may be necessary to arrest a defendant in the field. If alone, the officer should make every effort call for a back-up unit from local law enforcement to assist. If the arrest is planned, the officer should obtain the assistance of a second Deputy Probation Officer. Consideration of other needs such as CPS, animal control, etc. should be given if appropriate. Local law enforcement should be also advise and the jail should be advised a prisoner is in route.
- G. Fresh Charges: In the event a crime is discovered in the course of an Officer's duties, the following options are usually available:
- a. Call local law enforcement to the scene to investigate the crime. Local officers may arrest and transport the defendant on new charges. Probation Officers may be asked to prepare a "supplemental report" to the arresting officer's police report. If the crime is a narcotics violation call INET for assistance.
 - b. Call local law enforcement to the scene. Local officers may not take the lead in the investigation and only offer "assistance". In addition to arresting and transporting the defendant, Probation Officers must prepare a detailed arrest/investigation report; tag, process, and secure evidence; then forward the report to the District Attorney for prosecution. Contact should be made with the Deputy Chief for assistance in such cases. **Miranda Warnings** are required.
- H. Equipment Recovery: In the event a defendant is returned to custody, the assigned Probation Officer must remove the ankle bracelet during the arrest/booking procedure. The assigned Probation Officer should recover the remaining equipment at the time of arrest or by the next day.
- I. Arrest Documentation: When a defendant is removed from EMP for a rule violation or a new law violation, the arresting Probation Officer must prepare the following documentation:
- a. INYO COUNTY PROBATION DEPARTMENT INCIDENT REPORT and NOTICE OF PROGRAM REMOVAL AND RIGHT TO APPEAL form (Attachment 5) to provide written documentation of why the defendant was removed from the EMP. A copy of the removal documentation must be presented to the defendant and it must contain the defendant's appeal rights.

- b. Arrest Reports: The standard Department Arrest Report must be completed when the defendant is booked into the County jail. The narrative portion of the report must include the defendant's Court case number and it must contain a brief statement describing the facts of the arrest.
 - c. Investigation Reports: In the event of a violation of supervision conditions, program violations or an arrest for a fresh crime, a more detailed narrative report must be prepared. Such reports must be specific as to subjects involved; officers involved; times; places; statements made; and the discovery, nature, and disposition of evidence. These reports, supplemented by lab reports, etc., constitute the primary discovery for violation complaints, or the basis for new charges filed by the District Attorney.
 - d. Booking Documentation/Program Removal Form: When a defendant is returned to jail, booking staff will require (at the time of booking, or soon thereafter,) the defendant's Court orders which show the original jail sentence and the Program Removal Form, showing the amount of time remaining to be served.
- J. Successful Termination: Upon the successful completion of EMP, the following shall occur:
- a. The defendant must return all monitoring equipment to the Probation Department.
 - b. The defendant must complete an EMP EXIT FORM (Attachment 8). Exit forms are reviewed by the Deputy Chief.
 - c. The ankle strap will be removed from the defendant by Probation staff.
 - d. The assigned Probation Officer will complete an EMP Disposition Form and enter EMP completion data into JALAN.
- K. Equipment Protocol: Upon program completion (or removal), the assigned Probation Officer must complete the following:
- a. Inspect the equipment to insure it is in working order.
 - b. Clean or arrange for cleaning so the equipment can be returned to service.

 ALTERNATIVE SENTENCING POLICY MANUAL	SECTION: 2 SUBJECT: EMP MISSION STATEMENT AND DEFINITIONS Page 1 of 2

MISSION STATEMENT

The Inyo County Probation Department is committed to the safety of the community, the protection of crime victims and the rehabilitation of offenders through both the provision of evidence based services and effective supervision practices. Through a collaborative process with the Sheriff's Department, alternative sentencing and supervision programs are implemented according to those core principles.

PURPOSE

The purpose of the Electronic Monitoring Program (EMP) is to reduce the jail inmate population by providing an alternative to traditional methods of incarceration for eligible and suitable offenders. Electronic Monitoring is offered as an alternative to the Courts and the Sheriff's Department, for sentences historically served in county jail and for Pre-Trial clients who would have historically been held in custody on bail. Electronic Monitoring is also a supervision alternative for offenders granted probation, Mandatory Supervision and Post Release Community Supervision, who are in need of a higher level of supervision while transitioning back into the community, or who are at higher risk to reoffend or violate the conditions of their supervision.

DEFINITIONS

There are two primary forms or uses for electronic monitoring: supervision and alternative custody.

Electronic Monitoring for **supervision** is utilized most frequently with higher risk offenders, when the Court or the Probation Department feel the offender is at risk for the violating the conditions of their supervision. Forms of electronic monitoring for supervision include GPS monitoring and remote alcohol monitoring.

Electronic Monitoring as an **alternative to custody** is utilized in lieu of an offender serving a term of incarceration in jail or for pre-trial purposes, in lieu of an offender remaining in jail with bail set. Forms of electronic monitoring most frequently utilized as an alternative to custody including home detention with an RF (Radio Frequency) device or in some instances, GPS monitoring.

Global Positioning System (GPS) Monitoring: GPS monitoring is a form of supervision or alternative custody whereby the offender's whereabouts may be monitored to provide for victim safety, community safety and compliance with supervision conditions. Generally, unless use of
