3. APPROVAL OF MINUTES (ACTION ITEM) – TABLED FOR LACK OF QUORUM

Minutes from January 14, 2026 meeting.

4. CBHPC (COUNTY BEHAVIORAL HEALTH PLANNING COUNCIL) 2025 DATA NOTEBOOK REPORT ON WELLNESS AND RECOVERY CENTERS (INFORMATIONAL ITEM)

Presentation (Please see attached) by Melissa Best-Baker.

This presentation contains the results of a survey Inyo County Behavioral Health participated in: The County Behavioral Health Planning Council is required to advise California legislature on Behavioral Health issues. This year, they chose to survey about Wellness Centers. 45% of Wellness centers are county-run, others are run by non-profits.

Wellness Centers are community based and focus on community support - run by people with lived experience. There are 165 Wellness Centers identified throughout the state. Inyo County Behavioral Health has 2 Wellness Centers, one in Bishop and one in Lone Pine. They serve as service access points within our county.

Recognized outcomes include: reduced crisis, better engagement, participants becoming advocates; peer specialists, connecting people with housing.

5. ELECTION OF OFFICERS FOR NEW YEAR (ACTION ITEM)

Tabled to upcoming meeting - for lack of quorum

6. BHAB MEMBERSHIP UPDATE (STANDING INFORMATIONAL ITEM)

Mrs. Best-Baker asked that posting for BHAB Members be opened again to recruit new members. Recent ads did not result in the receipt of new applications. Supervisor Wadleton said he will advocate for our BHAB group at the Board of Supervisors (BOS) meeting.

7. BEHAVIORAL HEALTH PROGRAM UPDATE (INFORMATIONAL ITEM)

Mrs. Best-Baker told BHAB members and meeting attendees that her contract for the position of HHS Deputy Director of Behavioral Health will go before the Board of Supervisors on Tuesday, February 17, 2026.

Newly employed: Mrs. Best-Baker shared the news that Joshua Vega has been hired as our new Program Manager - Behavioral Health. He already works for Health and Human Services (HHS) and he comes to us with Employment and Eligibility and CPS (Child Protection Services) experience. Sara Alden, also an experienced Inyo County employee, will join the Wellness Center tomorrow. Her experience from her work in the Housing Program will be useful in her new role of Case Manager.

Interviews are coming up for Progress House residential caregivers and addiction counselors. If we don't find a certified addiction counselor, we may implement a trainee program to help someone interested in learning and doing the hours required to take an Addiction Counselor position. Mr. Peters recommended we investigate the CARR service program.

8. BEHAVIORAL HEALTH SERVICES ACT (BHSA) (STANDING INFORMATIONAL ITEM)

Mrs. Bengochia stated that the draft plan will be ready for review by HHS leadership by the end of this month.

9. DATA REPORTS (INFORMATIONAL ITEM)

Mrs. Best-Baker shared the Data Report Power Point (please see attached). She reported that the report now prints on fewer pages, as requested by BHAB Members.

Progress House's kitchen is being remodeled - it has been under demolition and reconstruction, thanks to a grant awarded for this purpose.

Supervisor Wadelton observed that the Lone Pine Wellness Center has a temporary banner rather than a permanent sign. Mrs. Bengochia explained this was due to the location being updated and recently achieving ADA-compliance. She said that leadership will work on getting a permanent sign.

10. OLD BUSINESS (INFORMATIONAL OR DISCUSSION ITEM)

11. AGENDA ITEM REQUEST FOR UPCOMING MEETINGS

- Election of officers for the new year
- Behavioral Health Services Act (BHSA) (standing informational item)

Meeting adjourned at 3:05 pm.
