

## Examples of Booths with Mesh Siding

We recommend these screen sides since the summer events do get very hot here. Food vendors preparing or serving food are required to have four walls\*

\*Serving samples may require 3-4 walls depending on the setup. Please contact our department so that we can discuss your set-up and how you plan on serving your samples, 760-878-0238.

E-Z UP Food Booth Side Wall Kit on Amazon

Inyo County gets very windy and can lift these booths up into the air. We highly recommend using some kind of weight to tie down your booth.
