Scott McKenzie resigned his position on this Committee on September 24, 2025. The County is advertised to fill his vacant seat and received one response from Mr. Jason Thomas Handy. His letter has been provided with this agenda.

At a previous meeting, the Committee requested Public Works reach out to the City of Bishop to have them clean out a growth in the sewer manhole in front of 102 Sage Drive. Public Works emailed a request to the City on October 9th, and texted Gary Milici on November 4th, requesting this work be performed, but have not yet heard back. Since there is currently snow in Aspendell, Public Works will try again next spring/summer.

At our last meeting, the committee requested Public Works to convert the flow meter readings to gallons. Public Works is still looking into how to perform this.

Topic of discussion; Recent meetings with the Forest Service regarding the Bishop Creek Wastewater Treatment Facility.

Topic of discussion; fats, oil, grease traps for future resident cooks for public sale.
