- CSA#2 Financial Status Report.
- Public Works Report

Mr. Jason Handy was appointed by the Board of Supervisors to this committee at their February 17, 2026, meeting.

At a previous meeting, the Committee requested Public Works reach out to the City of Bishop to have them clean out a growth in the sewer manhole in front of 102 Sage Drive. Public Works Spoke to Hector Martinez, and he stated that the City did not want to perform this work, as our agreement is for line work and he is concerned about liability if the growth drops into the line, causing a blockage. He did state that the city has recently purchased a new vac truck, and that they would be willing to sell the County their old vac truck. It is a Class C truck with a 500-gallon freshwater tank with a 500-foot hose.

At our last meeting, the committee requested Public Works to convert the flow meter readings to gallons. Updated flow meter readings provided with this agenda.

At our last meeting, the committee requested the previous agreement with the Forest Service. That agreement has been provided with this agenda.

At our last meeting, the committee requested the document that shows the history of this committee. That document has been provided with this agenda.

Topic of discussion; Recent meetings with the Forest Service regarding the Bishop Creek Wastewater Treatment Facility.

Topic of discussion; fats, oil, grease traps for future resident cooks for public sale. The Board of Supervisors chose not to pass MEHKO.
