Storm Related Closure

12. Hunter Mountain Rd.- CLOSED (Saline Valley Area)
Closed because significant mud accumulation has made it impassable for vehicles to drive on this road.

13. Cottonwood Rd.- CLOSED

Closed from the intersection Cottonwood Powerhouse Rd. (just west of HWY 395) to the end of the road. Three different culverts, that carry Cottonwood Creek beneath the road were washed away during Storm Hilary. Flash flooding caused extensive damage, and the dirt road was washed out in multiple areas. **No anticipated opening date currently**.

14. Old Toll Rd – CLOSED (Panamint Springs)
It is closed from HWY 190 to Ophir Rd due to flooding from storm Hilary. The road is completely gone in many areas. **No anticipated opening date currently**.

Additional Notes

- Storm **Hilary** caused long-term damage to Cottonwood Rd. and Old Toll Rd. These roads currently have no estimated reopen dates.

- If traveling in **Death Valley National Park**, conditions can change quickly, please check the DVNP website for the latest updates.

Seasonal Winter Closures (Hwy 168, North Lake, South Lake, Horseshoe Meadows, Whitney Portal, Onion Valley) are routine and expected to reopen in springtime each year.

Please use caution around **all agencies working on fire cleanup**, including road crews, firefighters, and support personnel. Many are operating heavy equipment and moving between locations throughout the day
