## **PUBLIC HEARING NOTICE**

NOTICE IS HEREBY GIVEN the Inyo County Planning Commission will hold a public hearing on Wednesday, October 28, 2026, at 2:00 pm in the Board of Supervisors Room, County Administrative Center, Independence, to consider the following project:

**Amendment to Reclamation Plan #96-10 – New Death Valley Junction  
Material Site #286A (Mine ID 91-14-0046), California Department of  
Transportation (Caltrans)**

Caltrans is requesting approval of an amendment to Reclamation Plan #96-10 for Material Site #286A, located approximately 5.5 miles west of Death Valley Junction along State Route 190. The amendment would extend the reclamation plan through 2046 and update the revegetation requirements. The site will continue to be used as a source of sand and gravel for Caltrans highway maintenance and construction projects. The post-mining land use will remain open space and wildlife habitat. The proposed amendment is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines § 15301, Existing Facilities.

Anyone wishing to comment on this application should appear at the public hearing or submit written correspondence to the Inyo County Planning Department (via email at [inyoplanning@inyocounty.us](mailto:inyoplanning@inyocounty.us); via U.S. mail at P.O. Drawer L, Independence, CA 93526). Project information and materials are available on the Planning Department website at [www.inyocounty.us/services/planning-department/current-projects](http://www.inyocounty.us/services/planning-department/current-projects). If there are general questions regarding this project, please contact the Inyo County Planning Department at 760-878-0263.
